PART II: MEDICAL DISPUTE RESOLUTION REVIEW SUMMARY, METHODOLOGY, AND/OR EXPLANATION

Texas Labor Code 402.00128(b)(7) titled *General Powers and Duties of Commissioner* authorizes the Commissioner to enter appropriate orders. The Division will resolve medical fee disputes according to Rules 133.305, 133.307, 134.801 (c)(2) and other rules.

1. This dispute relates to procedures/services billed with CPT codes 99214, 99213 rendered on 09/16-11/18/05 that were denied reimbursement by the insurance carrier based upon "731-Provider shall not submit a medical bill later than the 95th day after the date of service. " & "29-The time limit for filing has expired."
2. Rule 102.4(h), titled General Rules for Non-Commission Communication, states "Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on:
 - (1) the date received, if sent by fax, personal delivery or electronic transmission or,
 - (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday."
3. Section 408.027(a) of the Labor Code states, "A health care provider shall submit a claim for payment to the insurance carrier not later than the 95th day after the date on which the health care services are provided to the injured employee. Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment."
4. The Requestor provided written documentation to the Division supporting that Form(s) CMS-1500 were submitted timely to the carrier. Specifically, the Requestor submitted computer logs showing bills for DOS 09/16/05 & 12/06/05 were submitted on 10/18/05 & 12/06/05 respectively; therefore the medical bills were timely submitted.
5. A referral has been made to Legal and Compliance.
