PART V: REVIEW OF SUMMARY, METHODOLOGY AND EXPLANATION

Section §413.011(a-d) titled, *Reimbursement Policies and Guidelines*, and Division Rule 134.202 titled, *Medical Fee Guideline* effective August 1, 2003, sets out the reimbursement guidelines.

- 1. These services were reduced by the Respondent based upon "W1 Workers compensation state fee schedule adjustment reimbursement has been calculated according to state fee schedule guidelines."
- 2. According to Rule 134.202(e)(7), "Return to Work (RTW) and/or Evaluation of Medical Care (EMC) Examinations. When conducting a commission or insurance carrier requested RTW/EMC examination that is not for the purpose of certifying MMI and/or assigning an IR (e.g., a medical necessity issue), the examining doctor shall bill and be reimbursed using the "Work related or medical disability examination by other than the treating physician..." CPT code with modifier "RE." The reimbursement shall be \$350.00 and shall include commission-required reports. Testing that is required shall be billed using the appropriate CPT code and reimbursed in addition to the examination fee."

- 3. Advisory 2004-06, issued on May 12, 2004, stated in part that, "A carrier may request a doctor to perform an examination of the injured employee to determine the ability of the injured employee to return to work, to evaluate the medical care of the employee, or both. If the carrier asks, in a single request, for the doctor to both evaluate the medical care and to determine the ability of the injured employee to return to work, the doctor may bill and be reimbursed for each evaluation, both of which occurred in a single examination. In such cases, the doctor may use modifier"59" to indicate that the services performed to complete the carrier's request were distinct or independent, but appropriate under the circumstances."
- 4. On this date, the Requestor billed \$700.00 for CPT code 99456-RE-59. Per Advisory 2004-06, the Requestor performed two evaluations and utilized modifier-"59" to differentiate it from a single evaluation. Therefore, Per Rule 134.202(e)(7), the Requestor is entitled to \$350.00 + \$350.00 = \$700.00. The insurance carrier paid \$350.00. The Requestor is entitled to additional reimbursement of \$350.00.
