

## HOSPITAL LICENSING RULE REVISION FACT SHEET

**10/04 TO 08/31/05:** stakeholders met to complete a four-year review and add amendments to implement the legislation passed during the legislative sessions.

**03/02/06:** Department of State Health Services Council (DSHS) approved the proposed rules.

### **The proposed changes as a result of the four-year review include:**

- rules have been clarified for prohibition relating to hospital construction in a designated 100-year flood plain, spatial requirements for patient multiple-bed rooms, use of mobile, relocatable and transportable units and the requirements relating to the nurses calling system (Subchapter I.);
- duplicate language has been deleted;
- references to statutes and rules have been updated;
- the name of the department and its programs have been changed;
- definitions have been added, deleted if not used in the rules, and moved to a specific section when the use was confined to that section;
- the requirement for all licensed hospital locations, including multiple-location sites, to have an emergency treatment area with staff on duty and available to initiate immediate appropriate lifesaving measures has been added [§133.41(e)];
- the requirement for all licensed hospital locations to have a registered nurse on duty at all times has been added [§133.41(o)(2)(D)];
- the requirement for the hospital to adopt, implement and enforce policies and procedures related to workplace safety for nurses has been added [§133.41(o)(6)];
- compliance with the National Fire Protection Association's Life Safety Code has been updated from the 2000 edition to the 2003 edition;
- conditions for the use of alcohol-based products when used for surgical skin preparation have been established [§133.143(a)];
- signage specifications for the emergency entrance to a hospital have been established [§133.163(f)(1)(A)(ii)(I)];
- standards for a decontamination room, intermediate care suite and a universal care suite when provided have been added (§133.163).

### **The proposed changes to implement the legislation passed during the last legislative session include:**

- SB 316 relating to information provided to parents of newborn children. [§133.45(f)];
- SB 419 relating obtaining consent for a physician to perform an abortion on an unemancipated minor [§133.45(g)(2)];
- SB 872 relating to a study regarding the impact of niche hospitals on other general hospitals, to certain reports and disclosure requirements regarding niche hospitals, and to the establishment of an advisory panel to conduct a study on the reporting of health care associated infection rates and process measure [§133.22(a)(8)(D) and §133.23(b)(1)(E)(iv)];
- SB 1330 relating to immunization of elderly persons by certain health care facilities [§133.45(h)];
- SB 1525 relating to safe patient handling and movement practices of nurses in hospitals [§133.41(o)(7)];
- HB 677 relating to emergency services for sexual assault survivors [§133.41(e)(6)];

- HB 1718 relating to the regulation of certain nursing practices, including circulating duties in an operating room [§133.41(w)(1)(C)];
- HB 2471 relating to authorizing the DSHS to issue a single license for multiple hospitals [§133.21(c)(4)]; and
- HB 3357 relating to certain information required to be contained in an application for or renewal of a hospital license [§133.22(a)(8)(A)-(C) and §133.23(b)(1)(E)(i)-(iii)].

**03/06:** proposed rules not published as new issues have arisen.

**04/18/06:** stakeholder meeting.

**07/07/06:** stakeholder meeting.

**Changes to the proposed rules include:**

- Chapter 133 will be repealed and proposed as a new rule;
- added the requirement for policies to be adopted, implemented and enforced;
- modified definition of available [§133.2(6)] and changed available to accessible at §133.41(q)(5)(H)(i) and §133.44(c)(4)(A)(ii);
- added definition of niche hospital [§133.2(29)];
- modified definition of outpatient [§133.2(30)] and outpatient services [§133.2(31)];
- added a hospital license and an ambulatory surgical center shall not be issued for the same premises [§133.21(c)(5)]
