Rediscover Your Library!!!

We send a special thank you to Rosie Cruz and her family. Their contributions were instrumental to the library winning the trophy for Best Civic entry from the Strawberry Parade Committee! Mrs. Cruz we appreciate you and your talents.

Mark your calendars! Saturday, June 27, 2009 is the date the library officially observes its re-opening. The doors will open at 3:00 p.m. to a red-carpeted affair. *Rediscover Your Library* is the theme and a carefully choreographed production awaits you. Our guest speakers are: Alice Gresham, nationally noted motivational speaker; Peggy Rudd, Texas State Librarian - and local officials and board members.

You will have an opportunity to tour the building and visit with library staff. It is slated to be a star-studded event and you do not want to miss it!

See you June 27th!
