

ADDENDUM 3

TO: POTENTIAL RESPONDENTS

DATE: Aug 24, 2009

SOLICITATION NO.: 452-9-1164

OPENING DATE: Sep 3, 2009, 2 PM,

SUBJECT: Questions, Group 2

1. The following questions have been received

Q1. Will information/data from the Morningside report be available to the awarded vendor?

A1. This prior procurement (#425-9-129) is public information. A copy may be obtained by sending an open records request for it to the TDLR, General Counsel's Office, ATTN: Debbie Meyer, 920 Colorado Street, Austin, TX 78701.

Q2. In the Scope of Work, are all six of the defined and statistical approaches expected to be used?

A2. Yes. Also, the responder may include others if desired.

Q3. Please speak to expected project deliverables in relation to the April 2010 completion.

A3. The intent of the legislation was to continuously adjust rates over time, therefore requiring a second phase. A lot of the second phase (follow-up) depends on the results of the initial study. The respondent is expected to offer a work plan by which that may be accomplished.

Q4. Does this date include (Exhibit) F2 delivery as well?

A4. Yes.

Q5. Are TDLR expectations on IT/system resources to be made available to consultants for use in (the) project (i.e. web, e-mail, etc.)?

A5. Tell us what you want in your work plan. Negotiations are possible.

Q6. How will TDLR be able to assist the vendor in receiving the information from the towing companies?

A6. The data has been collected here. However, in the interests of being comprehensive, you can propose additional lines of inquiry in your work plan.

Q7. What major milestones is TDLR working with in respect to the study?

A7. The proposer writes this into their work plan.

Q8. Is this similar to an RFP last year?

A8. The statutes behind them, scope, and intent are different.

2. Conference attendance (minus TDLR staff)

Kathleen Costello, EW Consulting
Jerome Olson, EW Consulting
Toni Van Gompel, Glade Consulting
Susan Tennison. EW Consulting
Jesse Jenkins, Morningside Consulting
Jeff Acklen, Capra Consulting
