Historical Sketch of the Founding of Laredo and Its City Charter

The City of Laredo was founded in August of 1755 by the Spanish Government by a public act of foundation known as the "Vicita-General", which laid off and established the City of Laredo in the months of May and June of that year.

The "Vicita-General" is a document containing the written proceedings of the Royal Commission that founded the City. By this document the Spanish Government granted to the inhabitants of the City "ejidos" or commons of four square leagues of land having the principal plaza of the town for a center. (City of Laredo vs. Macdonnell, 52 Texas, 511)

On January 28, 1848 the Legislature of the State of Texas, by special act, granted the City of Laredo its first charter under the government of Texas, by which charter the city limits were fixed at one square mile, of which the Rio Grande river constituted the line on the south and the upper and lower lines were equi-distant from the public plaza and ran back from the river parallel to each other to intersect the back line at right angles, all the lines being one mile in length and forming, as near as the meanders of the river would allow a perfect square. (Gammel's Law, Volume 3, page 343)

In 1850 the citizens of Laredo became dissatisfied with the narrow boundaries fixed by the act of 1848, and upon their request the boundaries of the City were changed by special act of the Legislature so as to make them the same as the original boundaries granted by the "Vicita-General", which was four square leagues. (Gammel's Laws, Volume 3, pages 760 and 798)

In 1860 the Legislature passed a special act authorizing the mayor and aldermen of the City of Laredo to sell all of the vacant porciones granted to said city by the "Vicita-General" or Royal Charter of 1767 and to convey to the purchasers thereof titles in fee simple. (Gammel's Law, Volume 5, page 195)

In 1871 the Legislature passed an act providing for the obtaining, transcribing and translating of all the acts, charters and grants affecting land on the east side of the Rio Grande river and for the archiving of the same in the General Land Office at Austin. This act embraced the "Vicita-General" and the lands originally granted by it to the City of Laredo. (Gammel's Law, Volume 6, page 958)

On April 21, 1883, the City Council of Laredo, acting under provisions of the then Title 17 of the Revised Civil Statutes of Texas providing for the incorporation of cities and towns, passed a resolution surrendering the old special charter granted in 1848 and accepted the provisions of the general incorporation act of this State for cities and towns. (City Council Minute Book, Volume 3, page 120)

From this latter date to February 23, 1911, the City of Laredo operated under the general Texas incorporation act for cities and towns, when it procured its present charter

by a special act of the Legislature. (Special Acts, Regular Session 32nd Legislature, 1911, pages 58 to 89.) This latter charter is now in full force and effect as originally granted with the exception of Sections 19, 54 and 55 which were amended by a vote of the people on January 29, 1921, acting under the "Home Rule" amendment to the Texas Constitution.

The writer hereof was employed by the City of Laredo in 1911 to secure a special charter for it and he wrote and attended to the passage through the Legislature of the present charter, with the exception of the three amendments above noted, and he has made careful examination of all legislative acts affecting or changing former charters of the City, and has carefully compared this printed edition with the original special act and can vouch for its accuracy. (Marshall Hicks, February 25, 1922)

The 1911 Charter to which Mr. Hicks refers was printed in a series of four editions. The First Edition was prepared by Marshall Hicks dated February 25, 1922. The Second Edition of the Charter was prepared by Edward H. Lange, City Attorney, under the date of October 1, 1938.

The Third Edition printed was by Charter amendment elections held on July 8, 1941, January 8, 1946 and October 9, 1951.

The Fourth Edition printed included the amendments adopted at Charter amendment elections held on April 3, 1962 and November 30, 1965 and was replaced by the 1981 Charter.

The 1981 Charter was framed by members of the Laredo Charter Commission and voted upon by the citizens of the City of Laredo on January 14, 1981, and became fully effective on April 6, 1982.

On January 16, 1988 the citizens of the City of Laredo in an election on proposed charter amendments, voted favorably on certain amendments to the 1981 Charter, which amendments are incorporated in this edition. On an election held on November 7, 1995 the citizens approved several charter amendments proposed by the City Charter Commission.

The present Charter contains amendments proposed by members of the Laredo City Charter Revision Commission which were approved by the citizens of the City of Laredo at an election held on November 7, 2006.

Gustavo Guevara, Jr. - City Secretary

Section 1.02. Form of government

The municipal government provided by this Charter shall be known as the "council-manager government." Pursuant to its provisions and subject only to the limitations imposed by the state constitution and by this Charter, all powers of the city shall be vested in an elective council, hereinafter referred to as "the City Council", which shall enact local legislation, adopt budgets, determine policies and appoint the city manager, who shall execute the laws and administer the government of the city. All power of the city shall be exercised in the manner prescribed by this Charter, or if the manner be not prescribed, then in such manner as may be prescribed by ordinance.

Section 1.03 Powers of the City

The City is and shall continue to be a Home Rule City, with full power of local self-government, including the right to amend this Charter as provided by the constitution and laws of this State. It shall have all the powers possible for a Home-Rule City under the constitution and laws of the State of Texas, as fully and completely as though they were specifically enumerated in this Charter.

Section 1.04 Annexation

The City Council shall have the power by ordinance to fix the boundary limits of the City of Laredo, and to provide for the alteration and the extension of said boundary limits, and the annexation of additional territory in accordance with applicable provisions of the constitution and laws of the State of Texas. The City Council shall have the power by ordinance to contract with owners of land for its voluntary annexation.

Section 1.05 Construction

The powers of the City under this Charter shall be construed liberally in favor of the City, as a Home-Rule City, and the specific mention of particular powers in the

Charter shall not be construed as limiting in any way the general powers stated in this article.

Section 1.06 Intergovernmental Relations

The City may exercise any of its powers or perform any of its functions by contract or otherwise, jointly or in cooperation with any state and civil authority, including the United States and foreign states.

As a general principle, the City of Laredo shall endeavor to create an environment of governmental co-operation with the County of Webb, the public school districts, and any other governmental entity or political subdivision of the State of Texas that abuts or is located within the City of Laredo. Such cooperation shall promote a seamless, efficient, effective, equitable, and accountable delivery of services to all citizens and residents of the City of Laredo and, to the extent allowable by law, to those citizens that fall under the extraterritorial jurisdiction of the City of Laredo. These endeavors shall be memorialized in the form of inter-governmental contracts, joint services agreements or memorandums of understanding, which will call for cooperation and sharing of services and resources among the governmental bodies herein mentioned.

ARTICLE II

There is hereby created as the governing body of the City, a City Council composed of a Mayor and eight Council Members. The City shall be divided into eight districts which shall be drawn by ordinance. A City Council Member shall be elected from each of these eight districts. (B) Qualifications

The Mayor and all City Council Members shall be registered voters of the City, and shall have resided within the City for twelve months immediately preceding the last day for filing an application for candidacy. Additionally, City Council members shall have resided within the district for which they file for candidacy for ninety (90) days preceding the last day for filing of an application for candidacy and must maintain their residence in the district from which elected throughout their term of office.

City Council Members may serve two four year terms excluding time served through appointment or election to an unexpired term. The terms of City Council Members shall be staggered. Section 2.02 Compensation; Expenses

Unless otherwise provided by law, each member of the City Council shall receive compensation for his or her service in office. The City Council may determine the annual salary of the Mayor and City Council members by ordinance, but no ordinance increasing such salary shall become effective for Mayor or City Council members until the date of commencement of their respective new term, provided that such respective new term follows the adoption of the ordinance by at least three (3) months. The Mayor and City Council Members shall get a salary deduction to be assessed for each unexcused absence from any regular City Council meeting. The Mayor and City Council Members shall receive reimbursement for their actual and necessary expenses incurred in the performance of their duties of office.

Section 2.03 Prohibitions

(A) Holding Other Office

Except where authorized by law, neither the Mayor nor a Council Member shall hold any other City office or City employment during the term for which he or she was elected, and no former Mayor or Council Member shall hold any compensated appointive City office or City employment until one year after the expiration of the term for which he or she was elected.

(B) Appointments and Approvals

Unless it is otherwise specifically provided in this Charter, City Council shall not in any manner dictate the appointment or removal of any City administrative officer or employee whom the City Manager or any of his subordinates are empowered to appoint or remove, but the City Council may express its views and fully and freely discuss with the City Manager anything pertaining to appointment and removal of such officers and employees.

(C) Interference with Administration

Except for the purpose of inquiries for obtaining information or reporting problems with services and of investigations under Section 2.06, the City Council shall deal with City officers and employees who are subject to the direction and supervision of the City Manager solely through the City Manager and they shall not give orders to any such officer or employee either publicly or privately.

Section 2.04 Vacancies: Forfeiture of Office, Filling of Vacancies

(A) Vacancies

The office of the Mayor or of a Council Member shall become vacant upon death, resignation, removal from office in any manner authorized by law, or by forfeiture of office.

(B) Forfeiture of Office

The Mayor or a Council Member shall forfeit office if he or she:

- (1) lacks at any time during the term of office any qualification for holding the office prescribed by this Charter or by law;
- (2) fails to meet the residency requirements for election to office;
- (3) is convicted of a crime involving moral turpitude or felony;
- (4) fails to attend three consecutive regular Council meetings without being excused by the Council; or
- (5) violates the prohibited personal financial interest provision set forth in Section 12.01 or any other provisions of this Charter that prescribe forfeiture.

(C) Filling of Vacancies

Any vacancy or vacancies occurring within the City Council and the office of the Mayor shall not be filled by appointment but shall be filled by majority vote of the qualified voters at a special election called for such purpose within 120 days after such vacancy or vacancies occur.

Section 2.05 Judge of Qualifications

The City Council shall be the judge of the election and qualifications of its members and of the grounds for forfeiture of office. The City Council shall have the power to subpoena witnesses, administer oaths and require the production of evidence. A member charged with conduct constituting ground for forfeiture of office shall be entitled to a public hearing. Notice of such hearing shall be published in one or more newspapers of general circulation in the City at least one week in advance of the hearing. Decisions made by City Council under this section are subject to judicial review.

Section 2.06 Investigation

The City Council shall have the power to inquire into the official conduct of any department, agency, office, or employee of the City. For this purpose the City Council shall have the power to administer oaths, subpoena, witnesses, and to compel the production of books, papers, and other evidence material to the inquiry. The City Council shall provide by ordinance penalties for contempt in failing or refusing to obey any such subpoena or to produce any such books, papers or other evidence, and shall have the power to punish any such contempt in the manner provided by the ordinance.

Section 2.07 Procedure

(A) Meetings

The City Council shall meet regularly at least once each month at such time and place as the City Council may prescribe by ordinance. Special meetings may be called upon the written request of the Mayor or at least four Council Members. All meetings shall be posted by the City Secretary and conducted in accordance with the Texas Open Meetings Act.

(B) Rules and Minutes

The City Council shall determine its own rules and orders of business, and shall provide for keeping minutes of its proceedings. These minutes shall be a public record.

(C) Voting

Voting, except on procedural matters, shall be by roll call and the ayes and the nays shall be recorded in the minutes. The Mayor and any four (4) Council Members or

any five (5) Council Members shall constitute a quorum, but a smaller number may adjourn from time to time and may compel the attendance of absent members in the manner and subject to the penalties prescribed by the rules of the Council. No action of the Council shall be valid or binding unless adopted by the affirmative vote of four or more Council Members. However, the affirmative vote of five (5) Council Members is required for levying of taxes, entering into contracts by the city, appropriating money from the City funds, granting any franchise or privilege for the use of the City streets or other public areas, conveying City lands, or passage of an emergency ordinance. For the purpose of the previous sentence, whenever there shall be an affirmative vote of four members of the Council, this shall be deemed a tie and thus the Mayor votes in accordance with Section 2.15(3).

Section 2.08 Action Requiring an Ordinance

In addition to other acts required by law or by specific provisions of this Charter to be done by ordinance any and all of the following acts must also be done by ordinance:

- (2) Provide for a fine or other penalty or establish a rule or regulation for violation of which a fine or other penalty is imposed;
- (3) Levy taxes;
- (4) Grant, renew or extend a franchise;
- (5) Regulate the rate charged for services by a public utility;
- (6) Authorize the borrowing of money;
- (7) Convey or lease or authorize the conveyance or lease of any lands of the City;
- (8) Create certain boards and commissions provided by state law;
- (9) Amend or repeal any ordinance previously adopted; and
- (10) Prescribe standards for issuance of business or other licenses; and

Acts other than those referred to in the preceding sentence may be done either by ordinance or by resolution as prescribed by law.

Section 2.09 Ordinance in General

(A) Form

Every proposed ordinance shall be introduced in writing and in the form required for final adoption. No ordinance shall contain more than one subject and such subject shall be clearly expressed in its title. The enacting clause shall read: "Be it ordained by the City Council of the City of Laredo..." Any ordinance amending an ordinance or a part of the city code shall set out in full the ordinance, section or subsection to be amended,

and shall indicate the matter to be omitted by enclosing it in brackets and by using strikeout type and shall indicate new matters by underscoring and by using italics.

(B) Procedure

An ordinance may be introduced by any member of the Council at any regular or special meeting of the Council. Upon introduction of any ordinance, the City Secretary shall distribute a copy to each member of the City Council, and shall file a reasonable number of copies in the office of the City Secretary and such other public places as the Council may designate, including the Internet. Except as provided in Section 2.11, no ordinance shall be submitted for a vote of the Council at the same meeting at which it was introduced. Except as provided in Section 8.03, it shall not be necessary that an ordinance be read more than one time before submission for a vote of the Council. The City Council must have a public hearing or inquiry sixty (60) days before it increases any type of taxes or service charges, or passes any bond issue, or utility rate increase. A public hearing shall also be required where State or Federal statutes or regulations provide.

(C) Effective Date

Except as otherwise provided in this Charter, or by ordinance or by law, all ordinances and resolutions passed by the Council shall take effect at the date indicated therein.

(D) Publication of Ordinances

Any ordinance imposing any penalty, fine, or forfeiture shall after the passage thereof, be published one (1) time in the official newspaper before the same shall go into effect. In lieu of publication of the full text of the ordinance, it shall be sufficient to publish the descriptive caption or title of the ordinance, stating in summary the purpose of the ordinance and the penalty for violation thereof. The ordinance shall take effect and be in force from and after the publication thereof, unless otherwise expressly provided.

Section 2.10 Authentication and Recording; Publication and Codification

(A) Authentication and Recording

The City Secretary shall authenticate by his/her signature and record in full, in a properly indexed book kept for the purpose all ordinances and resolutions adopted by the Council.

(B) Publication and Codification

The Council shall cause each ordinance and each amendment to this Charter to be made available to the public promptly upon its adoption. The Council shall provide for the preparation of a general codification of all City ordinances having the force of law.

The general codification shall be adopted by the Council by ordinance and shall be published promptly in loose-leaf form together with this Charter and any amendments thereto. The official copy of the Code of Ordinances in the office of the City Secretary shall be kept up to date and properly indexed. It shall not be necessary to repeat in the Code of Ordinances technical codes adopted by reference. One copy of the Code shall be furnished to City officials and officers. It shall also be placed in libraries and public offices for public reference and made available electronically and for purchase by the public at production cost. Amendments to the Code of Ordinances may also be purchased by the public as they become available.

(C) Printing

The council shall cause each ordinance and each amendment to this Charter to be printed promptly following its adoption, and the printed ordinances, and Charter amendments shall be distributed or sold to the public at reasonable prices to be fixed by the Council. Following publication of the first Laredo City Code and at all times thereafter, the ordinances, and Charter amendments shall be printed in substantially the same style as the code currently in effect and shall be suitable in form for integration therein.

Section 2.11 Emergency Ordinances

To meet a public emergency affecting life, health, property or the public peace, the Council may adopt one or more emergency ordinances but such ordinances may not levy taxes, grant, renew or extend a franchise, regulate the rate charged by any public utility for its services or authorize the borrowing of money. An emergency ordinance shall be introduced in the form and manner prescribed for ordinances generally, except that it shall be plainly designated as an emergency ordinance and shall contain, after the enacting clause, a declaration stating that an emergency exists and describing it in clear and specific terms. An emergency ordinance may be adopted with or without amendment or rejected at the meeting at which it is introduced, but the affirmative vote of five (5) Council members shall be required for adoption. After its adoption the ordinance shall be published and printed as prescribed for other adopted ordinances. It shall become effective upon adoption or at such later time as it may specify. Every emergency ordinance shall automatically stand repealed as of the sixty-first (61st) day following the date on which it was adopted, but shall not prevent re-enactment of the ordinance in the manner specified in this section if the emergency still exists. An emergency ordinance may also be repealed by adoption of a repealing ordinance in the same manner specified in this section for adoption of emergency ordinances.

Section 2.12 Ordinances Still in Force

All ordinances of said City now in force not contrary to the provisions of this Charter and the laws of this State, shall continue in force until repealed.

Section 2.13 Codes of Technical Regulations

The Council may adopt any standard code of technical regulations by reference thereto in an adopting ordinance. The procedure and requirements governing such an adopting ordinance shall be prescribed for ordinances generally except that:

- (1) The requirements in Section 2.09 for distribution and filing of copies of the ordinance shall be construed to include copies of the code of technical regulations as well as the adopting ordinances, and
- (2) A copy of each adopted code of the technical regulations as well as of the adopting ordinance shall be authenticated and recorded by the City Secretary pursuant to Section 2.10.

Copies of any adopted code of technical regulations shall be made available by the City Secretary for distribution or for purchase at a reasonable price.

Section 2.14 Mayor: Election and Term

There shall be a Mayor elected by the qualified voters of the City at large. The Mayor shall serve a four (4) year term with a limit of two (2) elected four year terms excluding time served through appointment or election to an unexpired term.

Section 2.15 Powers and Duties of the Mayor

- (1) Shall preside at Council meetings;
- (2) Shall be recognized as the head of the City Government and as the official representative of the City but shall have no administrative duties;
- (3) Shall only vote in case of a tie of Council Members;
- (4) Shall have the veto power and his/her veto may be overridden by a vote of five (5) Council Members.

Section 2.16 City Secretary

The City Council shall appoint and evaluate an officer of the City who shall have the title of City Secretary. It shall be the duty of the City Secretary to attend every meeting of the City Council and keep accurate minutes of the proceedings thereof in a book to be provided for that purpose and to engross and enroll all laws, resolutions and ordinances of the City Council; to keep the corporate seal; to take charge of and preserve and keep in order all the books, records, papers, documents, and files of said Council, to countersign all commissions issued to the City officers and licenses issued and any other duties and responsibilities as may be assigned by the City Council or state statute. The City Secretary may be removed from office by a majority vote of the entire City Council.

ARTICLE III
CITY MANAGER

Section 3.01 Appointment; Compensation

The City Council, by a majority vote of total membership, shall appoint a City Manager for an indefinite term and fix the manager's compensation. His/her compensation shall be reviewed on a yearly basis upon the anniversary of his/or employment date.

Section 3.02 Qualifications

The City Manager shall be appointed on the basis of executive and administrative qualifications. He/she shall have a Bachelor's Degree and no less than seven years experience in municipal government, five of which must be supervisory managerial experience. A Master's Degree in Public Administration is preferred. The City Manager need not be a resident of the City or State at the time of appointment, but must reside inside the City while in office.

Section 3.04 Acting City Manager

By letter filed with the City Secretary, the City Manager shall designate, subject to approval of the City Council, a qualified City administrative officer to exercise the powers and perform the duties of City Manager during his/her temporary absence or disability. During such absence or disability, the Council may revoke such designation at any time and appoint another officer of the City to serve until the City Manager shall return or his/her disability shall cease. In the event the City Manager is incapacitated and cannot or will not designate an Acting City Manager, then the City Council shall appoint an Acting City Manager by a majority vote of total membership.

Section 3.03 Removal

The City Manager shall not be appointed for a definite term, but may be removed at the will and pleasure of the City Council by a majority vote of total membership. The action of the City Council in removing the City Manager shall be final, it being the intention of the Charter to vest all authority and fix all responsibility for such removal on the City Council.

Section 3.05 Powers and Duties of the City Manager.

(F) Enactment

The new Council districts and boundaries, as of the 181st day after adoption of the redistricting ordinance, shall supersede previous Council district boundaries for all purposes of the next regular City election. The new districts and boundaries shall supersede previous districts and boundaries for all other purposes as of the date on which all Council members elected at that regular City election take office.

(G) Incumbent Options on Redistricting Changes

The redistricting changes affect the boundaries of the district that a particular Council member represents, as follows:

- (1) A council member serving a first term of office who is eligible for re-election may:
 - (a) choose to finish out the term the Council member was elected to; or
 - (b) choose to run for election in the new district that the Council member resides in.

The end result would mean that the Council member will have served the City for two terms and a total of six years. The original council district will now have a two-year unexpired term open for another candidate to seek election to.

- (2) A council member completing a final (second) term of office may:
 - (a) choose to finish out the term the Council member was elected to represent in the original district; or
 - (b) choose not to represent the district and thus a two-year unexpired term is left vacant for election.
