**CONSTRUCTION NOTICE**  
**Avenue D between Willow and Mulcahy**

**ROSENBERG (October 2, 2009):** Project Director Melissa Peña has reported that the City is notifying residents and businesses along Avenue D between Willow and Mulcahy that Supak Construction will begin sanitary sewer line replacement as early as Thursday, October 15. Sanitary sewer lines will also be replaced in the alley between Mulcahy and Carlisle. The project is expected to last up to 180 working days.

The project is funded through the U. S. Government's Community Development Block Grant Program (CDBG) with supplemental funding from the City.

Property owners will be allowed access to their properties but through-traffic will be limited. Utilizing Elm or Walnut Streets to enter and exit the area is recommended.

Temporary road closures should be expected. Supak Construction is responsible for traffic control and the placement of safety devices.

Project questions may be submitted to the Project Director at City Hall Annex, 2220 4<sup>th</sup> Street, or by calling 832-595-3500. Construction plans are available by visiting the City Hall Annex. **-END-**
