SH36 Construction Reminder *Road Closure Scheduled for October 9-12 – Weather Permitting*

ROSENBERG (October 2, 2009): Project Director Melissa Peña has reported the City has received a reminder from the Texas Department of Transportation (TxDOT) that State Highway 36 (SH36) will be closed between Avenues H and J next weekend.

The construction project includes removing the existing asphalt road and replacing with concrete along the northbound and southbound lanes of SH36 from US-90A to Avenue J.

The closures and rerouting of SH36 traffic is now scheduled from 7 PM Friday, October 9 to 6 AM Monday, October 12, weather permitting.

The detour routes off US-90A and SH36, utilizing 2nd Street, Houston Street, and Avenue J, remain unchanged. Triple B Services, TxDOT's contractor on the project, has the responsibility of traffic control, including the placement of safety devices, during both closures.

Questions should be directed to the TxDOT Area Engineer at 281-238-7900 or by calling the City Project Director at 832-595-3500. **-END-**
