Robbery at Subway Sandwiches

On Saturday, March 04, 2006, Tomball Police Officers responded to 14051 FM 2920, Subway, in reference to a robbery that had taken place.

At approximately 10:00 pm, a white male, approximately 6' 00", shaved head, light beard, wearing thin framed glasses, was standing in the parking lot just outside of the Subway store. The Subway employee noticed the man standing by a turquoise colored Dodge pick-up truck, backed into a nearby parking space. As the employee exited the store, the suspect asked the employee if the store was still open. Shortly after being advised that the store was open till 11:00 pm, the subject entered the store and placed an order. As the suspect approached the cash register to pay for his sandwich, he placed his hand into his left pocket, insinuating that he had a weapon, as he demanded the employee to give him the money out of the cash register. After receiving the money, the suspect advised the employee to go into the back room for 15 minutes. The employee did as requested. The suspect then fled the scene.
