

Major Employers List Lubbock, Texas

(more than 50 employees)

November 2007

(Revised)

Prepared by:
City of Lubbock/Business Development
(806) 775-2019

- **Every attempt was made to make this information as accurate as possible.**
 - The source for this information was survey forms sent out by mail or fax, personal calls, and the Texas Workforce Commission quarterly list of businesses.
 - The survey data was collected between December 2006 and November 2007.
- **In the case where the number of employees is a range, it is sorted by the first number in the range.**
- **All employers with more than 50 employees may not be included on the list, because:**
 - Some did not respond to the survey and we could not determine without the information whether the employer had 50 employees or more.
 - Some employers requested that they not be included on the list.
- **The number of employees for each company on the list includes both full-time and part-time employees.**
 - The number is a "head-count" representing the total number of people employed, not full-time equivalents.
