- 
- ◆ Every attempt was made to make this information as accurate as possible.
    - The source for this information was survey forms sent out by mail or fax, personal calls, and the Texas Workforce Commission quarterly list of businesses.
  - ◆ This list is sorted alphabetically.
  - ◆ All manufacturers may not be included on the list, because:
    - Some did not respond to the survey and we could not determine without the information whether the company should be on the list.
    - Some employers requested that they not be included on the list.
