

**RAILROAD COMMISSION OF TEXAS
OFFICE OF GENERAL COUNSEL**

**OIL AND GAS DOCKET
NO. 02-0223492**

**IN THE BEN SHELTON (7400) FIELD,
VICTORIA COUNTY, TEXAS**

**FINAL ORDER
APPROVING THE APPLICATION OF HART PETROLEUM SERVICES, INC.
TO ESTABLISH AN MER FOR THE
BEN SHELTON (7400) FIELD
VICTORIA COUNTY, TEXAS**

The Commission finds that after statutory notice in the above-numbered docket heard on February 8, 2000, the presiding examiner has made and filed a report and recommendation containing findings of fact and conclusions of law, for which service was not required; that the proposed application is in compliance with all statutory requirements; and that this proceeding was duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas.

The Commission, after review and due consideration of the examiner's report and recommendation, the findings of fact and conclusions of law contained therein, adopts as its own the findings of fact and conclusions of law contained therein, and incorporates said findings of fact and conclusions of law as if fully set out and separately stated herein.

Therefore, it is **ORDERED** by the Railroad Commission of Texas that the application of Hart Petroleum Services Inc. be and is hereby granted such that each well in the Ben Shelton (7400) Field, Victoria County, Texas, is allowed to produce up to 275 barrels of oil per day.

It is further **ORDERED** that all overproduction for wells in the Ben Shelton (7400) Field be and is hereby canceled as of the date of the Final Order.

Effective this twenty-fourth day of February, 2000
