## Paper Recycling Facts:

- One ton of recycled paper saves 17 thirty foot pulp trees!  
Our container can hold approximately 1 – 2 tons.
- One ton of recycled paper saves 3.5 cubic yards in a landfill.
- Recycling paper uses 60% less energy than manufacturing paper from virgin timber, which saves oil, gas & water.
- The average American uses 9 trees (750 pounds) worth of paper each year.
- About half of all trees cut down in America are used to make paper
- Paper accounts for approximately 30% of landfill waste

Our recycle container is located in downtown Buda in the parking lot just south of City Hall. The parking lot is at the corner of Main and Houston Streets.

*If you have any questions, please call the City of Buda Public Works Dept. at (512)-312-2876*
