

2009 Street Sweeper Schedule

We will be in your neighborhood soon, so help us out by keeping garbage cans, scooters, skates ,bicycles, etc, behind the curbs, Street sweeping not only improves community appearance, it provides important environmental benefits, enhances traffic safety, reduces and improves storm water drainage, and reduces maintenance costs, resulting in savings to the tax paying citizens of Buda.

You are the key to the programs success! Please do not park your car on the street between the hours of 7:30 am and 3:30 pm on your scheduled day. Street sweeping will occur during the months of March thru October. The schedule is subject to change due to inclement weather. Please contact the Public Works Department at 512-312-2876 if you any questions. Any days falling on a holiday will be done the following day.
