Sec. 151.023. INVESTIGATIONS AND AUDITS. (a) The comptroller, or another person authorized by the comptroller in writing, may examine, copy, and photograph the books, records, papers, and equipment of a person who sells taxable items or of a person liable for the use tax and may investigate the character of the business of the person to verify the accuracy of the person's report or to determine the amount of tax that may be required to be paid if no report has been filed.

(b) For the purpose of determining the amount of tax collected and payable to the state, the amount of tax accruing and due, and whether a tax liability has been incurred under this chapter, the comptroller or a person authorized by the comptroller may:

(1) inspect at any time during business hours any business premises where a taxable event has occurred and examine, copy, and photograph the books, returns, records, papers, and equipment relating to the conduct in question; and

(2) require by delivery of written notice to the taxpayer or to an employee, representative, or agent of the taxpayer that, not later than the 10th working day after the date the notice is delivered, the taxpayer produce to an agent or designated representative of the comptroller for inspection the books, records, papers, and returns relating to the taxable activity stated in the notice.

Sec. 151.0231. MANAGED AUDITS. (a) In this section, "managed audit" means a review and analysis of invoices, checks, accounting records, or other documents or information to determine a taxpayer's liability for tax under this chapter.

(b) A managed audit may be limited to certain categories of liability under this chapter, including tax on:

- (2) purchases of assets;
- (3) purchases of expense items;
- (4) purchases under a direct payment permit; or
- (5) any other category specified in an agreement authorized by this section.

(c) The comptroller may, in a written agreement, authorize a taxpayer to conduct a managed audit under this section. The agreement must:

- (1) be signed by an authorized representative of the comptroller and the taxpayer; and
- (2) specify the period to be audited and the procedure to be followed.

(d) In determining whether to authorize a managed audit, the comptroller may consider, in addition to other factors the comptroller considers relevant:

- (1) the taxpayer's history of tax compliance;
- (2) the amount of time and resources the taxpayer has available to dedicate to the audit;
- (3) the extent and availability of the taxpayer's records; and
- (4) the taxpayer's ability to pay any expected liability.

(e) The decision to authorize or not authorize a managed audit rests solely with the comptroller.

(f) The comptroller may examine records and perform reviews that the comptroller determines are necessary before the audit is finalized to verify the results of the audit.

(g) Unless the audit or information reviewed by the comptroller under Subsection (f) discloses fraud or wilful evasion of the tax, the comptroller may not assess a penalty and may waive all or part of the interest that would otherwise accrue on any amount identified to be due in a managed audit. This subsection does not apply to any amount collected by the taxpayer that was a tax or represented to be a tax but that was not remitted to this

state.

(h) Except as provided by Section 111.104(f), the taxpayer is entitled to a refund of any tax overpayment disclosed by a managed audit under this section.

Sec. 151.024. PERSONS WHO MAY BE REGARDED AS RETAILERS. If the comptroller determines that it is necessary for the efficient administration of this chapter to regard a salesman, representative, peddler, or canvasser as the agent of a dealer, distributor, supervisor, or employer under whom he operates or from whom he obtains the tangible personal property that he sells, whether or not the sale is made in his own behalf or for the dealer, distributor, supervisor, or employer, the comptroller may so regard the salesman, representative, peddler, or canvasser, and may regard the dealer, distributor, supervisor, or employer as a retailer or seller for the purpose of this chapter.

Acts 1981, 67th Leg., p. 1548, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.025. RECORDS REQUIRED TO BE KEPT. (a) All sellers and all other persons storing, using, or consuming in this state a taxable item purchased from a retailer shall keep the following records in the form the comptroller requires:

(2) records in the form of receipts, shipping manifests, invoices, and other pertinent papers of all purchases of taxable items from every source made during each reporting period; and

(3) records in the form of receipts, shipping manifests, invoices, and other pertinent papers that substantiate each claimed deduction or exclusion authorized by law.

(b) A record required by Subsection (a) of this section shall be kept for not less than four years from the day that it is

made unless the comptroller authorizes its destruction at an earlier date.

(c) Repealed by Acts 2003, 78th Leg., ch. 1310, Sec. 121(26) and Acts 2003, 78th Leg., ch. 209, Sec. 86(b).

(d) If any nontaxable charges are combined with and not separately stated from taxable telecommunications service charges on the customer bill or invoice of a provider of telecommunications services, the combined charge is subject to tax unless the provider can identify the portion of the charges that are nontaxable through the provider's books and records kept in the regular course of business. If the nontaxable charges cannot reasonably be identified, the charges from the sale of both nontaxable services and taxable telecommunications services are attributable to taxable telecommunications services. The provider of telecommunications services has the burden of proving nontaxable charges.

If the comptroller requests to examine a record kept or stored outside this state, the taxpayer shall bring the record into this state for the examination or permit the comptroller to examine the record at the out-of-state location.

Acts 1981, 67th Leg., p. 1549, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.027. CONFIDENTIALITY OF TAX INFORMATION.

(a) Information in or derived from a record, report, or other instrument required to be furnished under this chapter is confidential and not open to public inspection, except for information set forth in a lien filed under this title or a permit issued under this chapter to a seller and except as provided by Subsection (c) of this section.

(b) Information secured, derived, or obtained during the course of an examination of a taxpayer's books, records, papers, officers, or employees, including the business affairs, operations, profits, losses, and expenditures of the taxpayer, is confidential and not open to public inspection except as provided by Subsection (c) of this section.

(c) This section does not prohibit:

(1) the examination of information, if authorized by the comptroller, by another state officer or law enforcement officer, by a tax official of another state, by a tax official of the United Mexican States, or by an official of the United States if a reciprocal agreement exists;

(2) the delivery to a taxpayer, or a taxpayer's authorized representative, of a copy of a report or other paper filed by the taxpayer under this chapter;

(3) the publication of statistics classified to prevent the identification of a particular report or items in a particular report;

(4) the use of records, reports, or information secured, derived, or obtained by the attorney general or the comptroller in an action under this chapter against the same taxpayer who furnished the information;

(5) the delivery to a successor, receiver, executor, administrator, assignee, or guarantor of a taxpayer of information about items included in the measure and amounts of any unpaid tax or amounts of tax, penalties, and interest required to be collected;

(6) the delivery of information to an eligible municipality in accordance with Section 321.3022; or

(7) the release of information in or derived from a record, report, or other instrument required to be furnished under this chapter by a governmental body, as that term is defined in Section 552.003, Government Code.

(d) This section expires August 31, 2013.

Added by Acts 2001, 77th Leg., ch. 967, Sec. 2, eff. Sept. 1, 2001.

2007.

Sec. 151.052. COLLECTION BY RETAILER. (a) Except as provided by Subsection (d), a seller who makes a sale subject to the sales tax imposed by this chapter shall add the amount of the tax to the sales price, and when the amount of the tax is added:

- (1) it becomes a part of the sales price;
- (2) it is a debt of the purchaser to the seller until paid; and
- (3) if unpaid, it is recoverable at law in the same manner as the original sales price.

(b) The owner or former owner of tangible personal property, a factor of the owner or former owner, or an agent of the owner, former owner, or factor shall collect the sales tax and add the amount of the tax to the sales price of the tangible personal property if the person delivers the property to a consumer in this state or to another person for redelivery to a consumer in this state under a sale of the property that is not a sale for resale and that is made by a seller not engaged in business in this state.

(c) When several taxable items are sold together and at the same time, the sales tax is determined on the sum of the sales prices of the items sold exclusive of any item the sale of which is exempted by this chapter.

(d) For purposes of the printer's tax collection duty, it is presumed that printed materials that are distributed by the United States Postal Service singly or in sets addressed to individual recipients, other than the purchaser, and that are either produced at a printer's facility in this state or purchased in this state are for use in Texas and the printer must collect the tax imposed under this chapter. In order to overcome this presumption a purchaser of printed materials that are distributed by the United States Postal Service singly or in sets addressed to individual recipients, other than the purchaser, is required to issue an exemption certificate to the printer if the printed materials are for distribution to both in-state and out-of-state recipients. The certificate must contain the statement that the printed materials are for multistate use and that the purchaser agrees to pay to this state all taxes that are or

may become due to the state on the taxable items purchased under the exemption certificate. In this subsection, "printed materials" is defined to be materials that are produced by web offset or rotogravure printing processes. A printer is relieved of the obligation of collecting the taxes imposed by this chapter on printed materials that are distributed by the United States Postal Service singly or in sets addressed to individual recipients, other than the purchaser, but is required to file a report as provided by Section 151.407.

Sec. 151.053. SALES TAX BRACKETS. (a) If the sales price involves a fraction of a dollar, the sales tax to be added to the sales price shall be computed by multiplying the percentage rate of the sales tax times the amount of the sale. A fraction of one cent that is less than one-half of one cent is not collected and a fraction of one cent that is equal to one-half of one cent or more is collected as one cent of tax.

(b) The comptroller may publish schedules and brackets of amounts of taxes based on the formula provided by Subsection (a) of this section for use in the collection of the taxes imposed by this chapter.

Sec. 151.054. GROSS RECEIPTS PRESUMED SUBJECT TO TAX. (a) Except as provided by Subsection (d) of this section, all gross receipts of a seller are presumed to have been subject to the sales tax unless a properly completed resale or exemption certificate is accepted by the seller.

(b) A sale is exempt if the seller receives in good faith from a purchaser, who is in the business of selling, leasing, or

renting taxable items, a resale certificate stating that the tangible personal property or service is acquired for the purpose of selling, leasing, or renting it in the regular course of business or for the purpose of transferring it as an integral part of a taxable service performed in the regular course of business.

(c) A sale is exempt if the seller receives in good faith from a purchaser an exemption certificate stating qualifications for an exemption provided in Subchapter H of this chapter.

(d) A sale of liquor, wine, beer, or malt liquor by the holder of a manufacturer's license, wholesaler's permit, general class B wholesaler's permit, local class B wholesaler's permit, local distributor's permit, or a general, local, or branch distributor's license issued under the Alcoholic Beverage Code to the holder of a retail license or permit issued under the Alcoholic Beverage Code is presumed to be a sale for resale. In a sale to which this section applies, the seller is not required to receive a resale certificate from the purchaser.

(e) Properly completed resale or exemption certificates should be in the possession of the seller at the time the nontaxable transaction occurs. If the seller is not in possession of these certificates within 60 days from the date written notice requiring possession of them is given to the seller by the comptroller, deductions claimed by the seller that require delivery of the certificates shall be disallowed. If the seller delivers the certificates to the comptroller within the 60-day period, the comptroller may verify the reason or basis for exemption claimed in the certificates before allowing any deductions. A deduction may not be granted on the basis of certificates delivered to the comptroller after the 60-day period.

Sec. 151.055. SALES OF ITEMS ACQUIRED FOR LEASE OR RENTAL.

(a) If a person purchases tangible personal property by means of a

sale for resale for the purpose of renting or leasing the property for use but subsequently sells the property in an occasional sale before the person has collected and paid to the state an amount of sales tax on rental or lease charges equal to the amount of sales tax that would have been due if the person had not acquired the property at a sale for resale, the person at the time of the occasional sale shall include in his receipts from taxable sales the amount by which the purchase price of the item at the occasional sale exceeds the amount received from renting or leasing the property.

(b) If tangible personal property is rented or leased under an agreement that provides that all or a portion of the rental or lease payments may be credited against the purchase price of the item, the lessor shall collect the sales tax on the sales price, including the sum of all lease or rental payments for the term of the lease or rental, at the time the purchaser takes possession of the property or when the first payment is due, whichever period is the earlier. If the purchaser-lessee returns the taxable item to the seller-lessor before the end of the lease or rental period without having acquired title to the property, the seller-lessor may take a credit against other taxes due under this chapter or claim a refund as provided by this code for an amount equal to the amount of the taxes paid on the unpaid portion of the sales price.

Sec. 151.056. PROPERTY CONSUMED IN CONTRACTS TO IMPROVE REAL PROPERTY. (a) A contractor is the consumer of tangible personal property furnished by him and incorporated into the property of his customer if the contract between the contractor and his customer contains a lump-sum price covering both the performance of the service and the furnishing of the necessary incidental material.

(b) A contractor is the seller of tangible personal property furnished by him and incorporated into the property of his customer, from whom he shall collect the tax, if the contract

between the contractor and his customer contains separate amounts for the performance of the service and for the furnishing of the necessary incidental material. The tax rate is applied to the price of the materials as agreed in the contract or the price of the materials to the contractor, whichever is the greater.

(c) If a contractor has paid the sales tax to his supplier when the tangible personal property is purchased, the contractor may credit the amount of the tax paid to the supplier against the tax imposed as provided in Subsection (b) of this section with respect to a subsequent sale of the property.

(d) In this section, "contractor" means a person who makes an improvement on real estate and who, as a necessary or incidental part of the service, incorporates tangible personal property into the property improved.

(e) This section does not apply to the use or consumption of tangible personal property as a necessary or incidental part of a taxable service.

(f) A contractor is not eligible for the exemption provided by Section 151.318 on items used in the performance of a contract to improve real property.

(g) In this subsection, "ready mix concrete contractor" means a person who manufactures or produces ready mixed concrete for construction purposes and incorporates the ready mixed concrete in the property improved. A ready mix concrete contractor performing a contract must separate and individually invoice the customer for each yard of ready mixed concrete produced and consumed for the improvement of real property and collect and remit the tax imposed under this chapter on the ready mixed concrete produced and consumed. The tax rate is applied to the price of the materials determined by the greater of the invoice price or fair market value of ready mixed concrete incorporated into the project. This subsection does not apply to an invoice submitted by a ready mix concrete contractor for a public works project.

(1) a service performed by an employee for his employer in the regular course of business, within the scope of the employee's duties, and for which the employee is paid his regular wages or salary;

(2) a service performed by an employee of a temporary employment service as defined by Section 93.001, Labor Code, for an employer to supplement the employer's existing work force on a temporary basis, when the service is normally performed by the employer's own employees, the employer provides all supplies and equipment necessary, and the help is under the direct or general supervision of the employer to whom the help is furnished; or

(3) a service performed by assigned employees of a staff leasing company, either licensed under Chapter 91, Labor Code, or exempt from the licensing requirements of that chapter, for a client company under a written contract that provides for shared employment responsibilities between the staff leasing company and the client company for the assigned employees, most of whom must have been previously employed by the client company. The comptroller shall prescribe by rule the minimum percentage of assigned employees that must have been previously employed by the client company, the minimum time period the assigned employees must have been employed by the client company prior to the commencement of its contract, and such other criteria as the comptroller may deem necessary to properly implement this section.

Sec. 151.059. FEE IMPOSED IN LIEU OF LOCAL SALES AND USE TAXES.

Section effective contingent upon federal legislation as provided in Acts 1989, 71st Leg., ch. 291, Sec. 5.

(a) A nonresident of this state who is required pursuant to federal law to collect sales or use tax under this chapter may elect to pay a fee to the comptroller in lieu of all local sales and use taxes authorized or governed by Title 3 of this code.

(b) A person eligible under federal law may elect to pay the fee imposed by this section by written notification to the comptroller. Such notification must be made within 90 days of the date of the first sale on which tax is required to be collected or within such other period as the comptroller may by rule require. The comptroller may require that a notification under this section be made on a form prescribed by the comptroller and contain any information relevant to the collection of taxes under this chapter. A person who does not elect to pay the fee imposed by this section shall collect and remit all applicable state and local sales and use tax imposed under the laws of this state in the same manner as a resident of this state.

(c) Unless another rate is required by federal law, the fee imposed under this section shall be the weighted average rate of local sales and use tax collected in this state during the preceding state fiscal year, applied to the total amount subject to sales and use tax imposed by this chapter. The rate shall be determined by the comptroller as soon as practicable following the end of each

state fiscal year and shall be effective beginning on January 1 following the end of that state fiscal year. The weighted average rate of local sales and use tax shall be computed by:

(1) dividing the aggregate amount of all local sales and use taxes paid in the state by the aggregate amount of all sales and uses to which:

(A) the state sales and use tax applies; and

(B) local jurisdictions have the power to impose a local sales or use tax; and

(2) rounding that result to the nearest .0025.

(d) A fee imposed under this section is subject to the provisions of Subtitle B of Title 2 of this code in the same manner as a tax imposed under this chapter.

(e) The fee imposed by this chapter shall be remitted quarterly in a manner prescribed by the comptroller, subject to the limitations of applicable federal law, and shall be apportioned and distributed as required by Section 403.107, Government Code.

(f) Nothing in this section shall be construed to apply to nonresident persons whose activities would subject them to a duty to pay, collect, or remit a sales or use tax under this chapter or Title 3 of this code in the absence of federal legislation.

Sec. 151.060. PROPERTY CONSUMED IN REPAIR OF MOTOR VEHICLE. (a) Except as provided by Subsection (b), a person who repairs a motor vehicle is the seller of all tangible personal property consumed in providing that service except electricity and gas, and shall collect the tax due under this chapter from the customer.

(b) A person who repairs a motor vehicle is the consumer of all tangible personal property consumed in providing that service if the contract between the person and the customer contains a lump-sum price covering both the performance of the service and the furnishing of the consumed tangible personal property.

(c) In this section, tangible personal property is considered consumed if it can no longer be used for its intended purposes in the normal course of business or is not retained or

reusable by the person providing the repair service.

Sec. 151.061. SOURCING OF CHARGES FOR MOBILE TELECOMMUNICATIONS SERVICES. (a) In this section:

(1) "Home service provider" means the facilities-based carrier or reseller with which the customer contracts for the provision of mobile telecommunications services.

(2) "Place of primary use" means the street address that is representative of where the customer's use of the mobile telecommunications service primarily occurs. That location must be the residential street address or the primary business street address of the customer that is within the licensed service area of the home service provider.

(3) "Electronic database" means a database provided by the state or by a designated database provider to home service providers. Such electronic database shall, allowing for de minimis deviations, designate for each street address in the state, including, to the extent practical, any multiple postal street addresses applicable to one street location, the appropriate taxing jurisdictions, and the appropriate code for each taxing jurisdiction, for each level of taxing jurisdiction, identified by one nationwide numeric code. The nationwide standard numeric codes shall contain the same number of numeric digits, with each digit or combination of digits referring to the same level of taxing jurisdiction throughout the United States using a format similar to FIPS 55-3 or other appropriate standard approved by the Federation of Tax Administrators and the Multistate Tax Commission or their successors. Each address shall be provided in standard postal format. Such electronic database shall also provide the appropriate code for each street address with respect to political subdivisions which are not taxing jurisdictions when reasonably needed to determine the proper taxing jurisdictions.

(b) This section applies to state and local sales and use taxes administered and computed under this title or Title 3 and to which this title or Title 3 applies, including this chapter.

(c) The federal Mobile Telecommunications Sourcing Act (4

U.S.C. Sections 116-126) governs the sourcing of charges for mobile telecommunications services. In accordance with that Act:

(1) mobile telecommunications services provided in a taxing jurisdiction to a customer, the charges for which are billed by or for the customer's home service provider, shall be deemed to be provided by the customer's home service provider; and

(2) all charges for mobile telecommunications services that are deemed to be provided by the customer's home service provider in accordance with this Act are authorized to be subjected to tax, charge, or fee by the taxing jurisdictions whose territorial limits encompass the customer's place of primary use, regardless of where the mobile telecommunications services originate, terminate, or pass through, and no other taxing jurisdiction may impose taxes, charges, or fees on charges for such mobile telecommunications services.

(d) If a customer believes that an amount of tax or an assignment of place of primary use or taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider in writing. The customer shall include in the written notification:

(1) the customer's street address for the customer's place of primary use;

(2) the account name and number for which the customer requests the correction;

(3) a description of the error asserted by the customer; and

(4) any other information that the home service provider reasonably requires to process the request.

(e) Not later than the 60th day after the date the home service provider receives a request under Subsection (d), the home service provider shall review the provider's records and the electronic database or enhanced zip code to determine the correct amount of the tax imposed or the assignment of the customer's place of primary use or taxing jurisdiction, as appropriate. If the home service provider determines that the amount of tax imposed or the assignment of place of primary use or taxing jurisdiction is incorrect, the home service provider shall correct the error and

refund or credit any amount of tax erroneously collected from the customer. The home service provider shall correct the error and refund or credit the amount of tax erroneously collected from the customer for a period of up to four years. If the home service provider determines that the amount of tax imposed or the assignment of place of primary use or taxing jurisdiction is correct, the home service provider shall provide a written explanation to the customer.

(f) The procedures prescribed by Subsections (d) and (e) are the first course of remedy available to a customer requesting a correction of assignment of place of primary use or of taxing jurisdiction or a refund of or other compensation for taxes erroneously collected by the home service provider.

(g) The state may provide an electronic database, described in Subsection (a)(3), to a home service provider or, if the state does not provide such an electronic database to home service providers, the designated database provider may provide an electronic database to a home service provider.

(h) The state or the designated database provider that provides or maintains an electronic database described in Subsection (a)(3) shall provide notice of the availability of the then current electronic database, and any subsequent revisions thereof, by publication in the manner normally employed by the state.

(i) A home service provider using the data contained in an electronic database described in Subsection (a)(3) shall be held harmless from any tax, charge, or fee liability that otherwise would be due solely as a result of any error or omission in such database provided by the state or designated database provider. The home service provider shall reflect changes made to such database during a calendar quarter not later than 30 days after the end of such calendar quarter.

(j) If neither the state nor the designated database provider provides an electronic database as described in Subsection (a)(3), a home service provider shall be held harmless from any tax, charge, or fee liability in the state that otherwise would be due solely as a result of an assignment of a street address to an

incorrect taxing jurisdiction if, subject to Subsection (n), the home service provider employs an enhanced zip code to assign each street address to a specific taxing jurisdiction for each level of taxing jurisdiction and exercises due diligence at each level of taxing jurisdiction to ensure that each such street address is assigned to the correct taxing jurisdiction. If an enhanced zip code overlaps boundaries of taxing jurisdictions of the same level, the home service provider must designate one specific jurisdiction within such enhanced zip code for use in taxing the activity for such enhanced zip code for each level of taxing jurisdiction. Any enhanced zip code assignment changed in accordance with Subsection (n) is deemed to be in compliance with this section. For purposes of this section, there is a rebuttable presumption that a home service provider has exercised due diligence if such home service provider demonstrates that it has:

(1) expended reasonable resources to implement and maintain an appropriately detailed electronic database of street address assignments to taxing jurisdictions;

(2) implemented and maintained reasonable internal controls to promptly correct misassignments of street addresses to taxing jurisdictions; and

(3) used all reasonably obtainable and usable data pertaining to municipal annexations, incorporations, reorganizations, and any other changes in jurisdictional boundaries that materially affect the accuracy of such database.

(k) Subsection (j) applies to a home service provider that is in compliance with the requirements of Subsection (j), if an electronic database as defined in Subsection (a)(3) is not provided until the later of:

(1) 18 months after the nationwide standard numeric code described in Subsection (a)(3) has been approved by the Federation of Tax Administrators and the Multistate Tax Commission; or

(2) 6 months after the state or a designated database provider in the state provides such database as prescribed in Subsection (a)(3).

(1) A home service provider shall be responsible for

obtaining and maintaining the customer's place of primary use as defined in Subsection (a)(2). Subject to Subsection (n), and if the home service provider's reliance on information provided by its customer is in good faith, a taxing jurisdiction shall:

(1) allow a home service provider to rely on the applicable residential or business street address supplied by the home service provider's customer; and

(2) not hold a home service provider liable for any additional taxes, charges, or fees based on a different determination of the place of primary use for taxes, charges, or fees that are customarily passed on to the customer as a separate itemized charge.

(m) Except as provided in Subsection (n), a taxing jurisdiction shall allow a home service provider to treat the address used by the home service provider for tax purposes for any customer under a service contract or agreement in effect two years after the date of the enactment of the Mobile Telecommunications Sourcing Act (4 U.S.C. Sections 116-126) as that customer's place of primary use for the remaining term of such service contract or agreement, excluding any extension or renewal of such service contract or agreement, for purposes of determining the taxing jurisdictions to which taxes, charges, or fees on charges for mobile telecommunications services are remitted.

(n) The state may:

(1) determine that the address used for purposes of determining the taxing jurisdictions to which taxes, charges, or fees for mobile telecommunications services are remitted does not meet the definition of place of primary use under Subsection (a)(2) and give binding notice to the home service provider to change the place of primary use on a prospective basis from the date of notice of determination. Before the state gives such notice of determination, the customer shall be given an opportunity to demonstrate in accordance with applicable state administrative procedures that the address is the customer's place of primary use; and

(2) determine that the assignment of a taxing jurisdiction by a home service provider under Subsection (j) does

not reflect the correct taxing jurisdiction and give binding notice to the home service provider to change the assignment on a prospective basis from the date of notice of determination. The home service provider shall be given an opportunity to demonstrate in accordance with applicable state administrative procedures that the assignment reflects the correct taxing jurisdiction.

(o)(1) If a taxing jurisdiction does not otherwise subject charges for mobile telecommunications services to taxation and if these charges are aggregated with and not separately stated from charges that are subject to taxation, then the charges for nontaxable mobile telecommunications services may be subject to taxation unless the home service provider can reasonably identify charges not subject to such tax, charge, or fee from its books and records that are kept in the regular course of business.

(2) If a taxing jurisdiction does not subject charges for mobile telecommunications services to taxation, a customer may not rely upon the nontaxability of charges for mobile telecommunications services unless the customer's home service provider separately states the charges for nontaxable mobile telecommunications services from taxable charges or the home service provider elects, after receiving a written request from the customer in the form required by the provider, to provide verifiable data based upon the home service provider's books and records that are kept in the regular course of business that reasonably identifies the nontaxable charges.

#### SUBCHAPTER D. IMPOSITION AND COLLECTION OF USE TAX

Sec. 151.101. USE TAX IMPOSED. (a) A tax is imposed on the storage, use, or other consumption in this state of a taxable item purchased from a retailer for storage, use, or other consumption in this state.

(b) The tax is at the same percentage rate as is provided by Section 151.051 of this code on the sales price of the taxable item. Acts 1981, 67th Leg., p. 1552, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.102. USER LIABLE FOR TAX. (a) The person

storing, using, or consuming a taxable item in this state is liable for the tax imposed by Section 151.101 of this code, and except as provided by Subsection (b) of this section, the liability continues until the tax is paid to the state.

(b) A person storing, using, or consuming a taxable item in this state is not further liable for the tax imposed by Section 151.101 of this code if the person pays the tax to a retailer engaged in business in this state or other person authorized by the comptroller to collect the tax and receives from the retailer or other person a purchaser's receipt given as provided in Section 151.103 of this code.

Acts 1981, 67th Leg., p. 1552, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.103. COLLECTION BY RETAILER; PURCHASER'S RECEIPT. (a) Except as provided by Section 151.052(d), a retailer engaged in business in this state who makes a sale of a taxable item for storage, use, or consumption in this state shall collect the use tax that is due from the purchaser and give the purchaser a receipt for the tax payment. When the amount of use tax is added:

- (1) it becomes a part of the sales price;
- (2) it is a debt of the purchaser to the seller until paid; and
- (3) if unpaid, it is recoverable at law in the same manner as the original sales price.

(b) The purchaser's receipt must be issued in the form and manner prescribed by the comptroller.

(c) When several taxable items are sold together and at the same time, the use tax is determined on the sum of the sales prices of the items sold exclusive of any item the storage, use, or other consumption of which is exempted by this chapter.

Sec. 151.104. SALE FOR STORAGE, USE, OR CONSUMPTION PRESUMED. (a) A sale of a taxable item by a person for delivery in this state is presumed to be a sale for storage, use, or consumption in this state unless a resale or exemption certificate is accepted by the seller.

(b) A sale is exempt if the seller receives in good faith from a purchaser, who is in the business of selling, leasing, or renting taxable items, a resale certificate stating that the property is acquired for the purpose of selling, leasing, or renting it in the regular course of business or for the purpose of transferring it as an integral part of a taxable service performed in the regular course of business.

(c) A sale is exempt if the seller receives in good faith from a purchaser an exemption certificate stating qualifications for an exemption provided in Subchapter H of this chapter.

(d) Properly executed resale or exemption certificates should be in possession of the seller at the time the nontaxable transaction occurs. If the seller is not in possession of these certificates within 60 days from the date written notice requiring possession of them is given to the seller by the comptroller, deductions claimed by the seller that require delivery of the certificates shall be disallowed. If the seller acquires certificates within the 60-day period, the comptroller may verify the reason or basis for exemption claimed in the certificates before allowing any deductions. A deduction may not be granted on the basis of certificates obtained after the 60-day period.

Acts 1981, 67th Leg., p. 1552, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1984, 68th Leg., 2nd C.S., ch. 31, art. 15, Sec. 3, eff. Oct. 2, 1984; Acts 1993, 73rd Leg., ch. 1031, Sec. 21, eff. Sept. 1, 1993.

Sec. 151.105. IMPORTATION FOR STORAGE, USE, OR CONSUMPTION PRESUMED. (a) Tangible personal property that is shipped or brought into this state by a purchaser is presumed, in the absence

of evidence to the contrary, to have been purchased from a retailer for storage, use, or consumption in this state.

(b) A taxable service used in this state is presumed, in the absence of evidence to the contrary, to have been purchased from a retailer for use in this state.

Acts 1981, 67th Leg., p. 1552, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.106. REGISTRATION OF RETAILERS. (a) A retailer who sells a taxable item for storage, use, or consumption in this state shall register with the comptroller.

(b) The registration must include:

(1) the name and address of each agent of the retailer operating in the state;

(2) the location of all distribution or sales houses or offices or other places of business in the state; and

(3) other information that the comptroller requires.

(c) A retailer required to register under this section must comply with Subchapter G of this chapter.

Sec. 151.107. RETAILER ENGAGED IN BUSINESS IN THIS STATE.

(a) For the purpose of this subchapter and in relation to the use tax, a retailer is engaged in business in this state if the retailer:

(1) maintains, occupies, or uses in this state permanently, temporarily, directly, or indirectly or through a subsidiary or agent by whatever name, an office, place of distribution, sales or sample room or place, warehouse, storage place, or any other place of business;

(2) has a representative, agent, salesman, canvasser, or solicitor operating in this state under the authority of the retailer or its subsidiary for the purpose of selling or delivering or the taking of orders for a taxable item;

(3) derives rentals from a lease of tangible personal property situated in this state;

(4) engages in regular or systematic solicitation of sales of taxable items in this state by the distribution of

catalogs, periodicals, advertising flyers, or other advertising, by means of print, radio, or television media, or by mail, telegraphy, telephone, computer data base, cable, optic, microwave, or other communication system for the purpose of effecting sales of taxable items;

(5) solicits orders for taxable items by mail or through other media and under federal law is subject to or permitted to be made subject to the jurisdiction of this state for purposes of collecting the taxes imposed by this chapter;

(6) has a franchisee or licensee operating under its trade name if the franchisee or licensee is required to collect the tax under this section; or

(7) otherwise does business in this state.

(b) Notwithstanding any other provision of law, a broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher that broadcasts, publishes, displays, or distributes paid commercial advertising in this state that is intended to be disseminated primarily to consumers located in this state and is only secondarily disseminated to bordering jurisdictions, including advertising appearing exclusively in a Texas edition or section of a national publication, is considered for purposes of this section to be the agent of the person placing the advertisement and that person placing the advertisement is considered a retailer engaged in business in this state. The agency relationship recognized by this subsection is for the sole purpose of providing a presence in this state for the imposition of a tax on out-of-state advertisers or sellers. The agent has no responsibility to report, or liability to pay, a tax for the out-of-state advertiser or seller and is not restricted by this subchapter from accepting ads from out-of-state advertisers or sellers.

Subsection (c) effective contingent upon federal legislation as provided in Acts 1989, 71st Leg., ch. 291, Sec. 5.

(c) Nonresident persons shall collect the tax imposed by this chapter with respect to the sale of tangible personal property

to the extent authorized by federal law. Such taxes shall be remitted quarterly to the comptroller pursuant to rules adopted by the comptroller in conformance with federal law. This subsection does not apply to nonresident persons whose activities would subject them to a duty to pay, collect, or remit a sales or use tax under this chapter or Title 3 of this code in the absence of federal legislation.

#### SUBCHAPTER E. RESALE AND EXEMPTION CERTIFICATES

Sec. 151.151. RESALE CERTIFICATE. A purchaser may give a resale certificate for the acquisition of a taxable item if the purchaser intends to sell, lease, or rent it in the regular course of business or transfer it as an integral part of a taxable service performed in the regular course of business.

Acts 1981, 67th Leg., p. 1553, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1987, 70th Leg., 2nd C.S., ch. 5, art. 1, pt. 4, Sec. 20.

Sec. 151.152. RESALE CERTIFICATE: FORM. (a) A resale certificate must be substantially in the form prescribed by the comptroller.

(b) A resale certificate must:

(1) be signed by the purchaser or contain an electronic form of the purchaser's signature authorized by the comptroller and contain the purchaser's name and address;

(2) state the purchaser's tax permit number or that the purchaser's application for a tax permit is pending before the comptroller; and

(3) contain a description of the tangible personal property sold, leased, or rented by the purchaser in the regular course of business or transferred as an integral part of a taxable service performed in the regular course of business.

(c) A resale certificate from a person engaged in business

in the United Mexican States reselling the taxable item in the United Mexican States, in addition to the information required in Subsection (b), must provide:

(1) the purchaser's United Mexican States federal identification number; and

(2) any other information required by the comptroller. Acts 1981, 67th Leg., p. 1553, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1995, 74th Leg., ch. 351, Sec. 2, eff. Sept. 1, 1995; Acts 2003, 78th Leg., ch. 1310, Sec. 101, eff. Oct. 1, 2003.

Sec. 151.153. RESALE CERTIFICATE: COMMINGLED FUNGIBLE GOODS. If a purchaser gives a resale certificate with respect to the purchase of fungible goods and then commingles the goods with other similar fungible goods for which a resale certificate was not given, sales from the mass of commingled fungible goods are deemed to be sales of goods covered by the resale certificate until the quantity of goods covered by the certificate equals the quantity of goods sold.

Acts 1981, 67th Leg., p. 1554, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.154. RESALE CERTIFICATE: LIABILITY OF PURCHASER.

(a) If a purchaser who gives a resale certificate makes any use of the taxable item other than retention, demonstration, or display while holding it for sale, lease, or rental in the regular course of business or for transfer as an integral part of a taxable service in the regular course of business, the purchaser shall be liable for payment of the sales tax on the value of the taxable item for any period during which the taxable item is used other than for retention, demonstration, or display.

(b) The value of an item of tangible personal property is the fair market rental value of the tangible personal property, which is the amount that a purchaser would pay on the open market to rent or lease the tangible personal property for his use. The value of a taxable service is the fair market value of the taxable service, which is the amount that a purchaser would pay on the open market to obtain the service for the use of the purchaser.

(c) If an item of tangible personal property has no fair

market rental value or if a taxable service has no fair market value, the original purchase price shall be the measure of the tax.

(d) At any time, the person making the divergent use may cease paying tax on the fair market rental value or fair market value and may pay sales tax on the original purchase price without credit for taxes previously paid.

(e) A purchaser of a taxable item who gives a resale certificate is not liable for the tax imposed by this chapter if he donates the item to an organization exempted under Section 151.309 or 151.310(a)(1) or (2) of this code; except that any use by the purchaser of the taxable item other than retention, demonstration, or display shall be subject to taxes imposed by this section.

(f) A purchaser who issues a resale certificate for the purchase of a taxable item is liable for payment of the sales tax on the purchase price of the taxable item if the purchaser uses the item as a part of the excludable consideration on the purchase of another taxable item.

Acts 1981, 67th Leg., p. 1554, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1995, 74th Leg., ch. 1000, Sec. 8, eff. Oct. 1, 1995; Acts 1997, 75th Leg., ch. 1040, Sec. 19, eff. Sept. 1, 1997.

Sec. 151.155. EXEMPTION CERTIFICATE. (a) Except as provided by Section 151.3181 for property used in manufacturing, if a purchaser certifies in writing to a seller that a taxable item sold, leased, or rented to the purchaser will be used in a manner or for a purpose that qualifies the sale of the item for an exemption from the taxes imposed by this chapter, and if the purchaser then uses the item in some other manner or for some other purpose, the purchaser is liable for the payment of the sales tax on the value of the taxable item for any period during which the item is used in the divergent manner or for the divergent purpose.

(b) The value of an item of tangible personal property is the fair market rental value of tangible personal property, which is the amount that a purchaser would pay on the open market to rent or lease the property for his use. The value of a taxable service is the fair market value of the taxable service, which is the amount that a purchaser would pay on the open market to obtain the service

for the use of the purchaser.

(c) If an item of tangible personal property has no fair market rental value or if a taxable service has no fair market value, the original purchase price shall be the measure of tax.

(d) At any time, the person making the divergent use may cease paying tax on the fair market rental value or fair market value and may pay sales tax on the original purchase price without credit for taxes previously paid.

(e) A purchaser of a taxable item who gives an exemption certificate is not liable for the tax imposed by this chapter if he donates the taxable item to an organization exempted under Section 151.309 or 151.310(a)(1) or (2) of this code; except that any use by the purchaser of the taxable item other than retention, demonstration, or display shall be subject to taxes imposed by this section.

Sec. 151.156. TAX-FREE PURCHASES OF CERTAIN EXPORTED ITEMS. (a) The comptroller by rule may establish procedures by which a maquiladora enterprise or its agent may make tax-free purchases in this state of tangible personal property that is exempted from the taxes imposed by this chapter because the property is immediately exported beyond the territorial limits of the United States.

(b) The comptroller may issue a permit to an enterprise that the comptroller authorizes to make tax-free purchases under this section and the comptroller's rules and may allow an authorized maquiladora enterprise to make a tax-free purchase by executing an exemption certificate or in any other manner the comptroller provides.

(c) To qualify to make tax-free purchases under this section, a maquiladora enterprise must apply to the comptroller and comply with any requirements the comptroller requires to administer this section and to prevent the evasion of state and local sales and use taxes. The comptroller may require a maquiladora enterprise to

post a bond or other security in the amount the comptroller considers reasonable to ensure the payment of state and local sales and use taxes. The comptroller shall require a maquiladora enterprise authorized to make tax-free purchases under this section to make available to the comptroller on request its books and records relating to its maquiladora status, operations, and purchases.

(d) The comptroller shall require a maquiladora enterprise authorized to make tax-free purchases under this section to make a report of its tax-free purchases at least quarterly and may require the enterprise to include in a report any other information the comptroller requires.

(e) The comptroller may suspend or revoke the permit or other authorization of an enterprise to make tax-free purchases under this section without notice for good cause. In that event, the comptroller shall notify the enterprise as soon as practicable of the comptroller's action and shall provide the enterprise with an opportunity for a hearing on whether the enterprise qualifies to make tax-free purchases under this section.

(f) In this section, "maquiladora enterprise" means a business entity chartered by the government of the United Mexican States and authorized by that government to make duty-free imports of raw materials, component parts, or other property into Mexico to be used in manufacturing, processing, or assembling items by the business entity in Mexico primarily for export from Mexico.

Sec. 151.157. CUSTOMS BROKERS. (a) A customs broker, or an authorized employee of a customs broker, licensed by the comptroller under this section may issue documentation for the purpose of showing the exemption of tangible personal property under Section 151.307(b)(2) only under procedures established by this section, Section 151.1575, and by the comptroller by rule.

(a-1) The comptroller shall maintain a password-protected website that a customs broker, or an authorized employee of a customs broker, licensed under this section must use to prepare documentation to show the exemption of tangible personal property

under Section 151.307(b)(2). The comptroller shall require a customs broker or authorized employee to use the website to actually produce the documentation after providing all necessary information. The comptroller shall use the information provided by a customs broker or authorized employee under this subsection as necessary to enforce this section and Section 151.307. The comptroller shall provide an alternate method to prepare documentation to show the exemption of tangible personal property under Section 151.307(b)(2) in those instances when the password-protected website is unavailable due to technical or communication problems.

(b) The comptroller may issue a license to a customs broker for the purpose described by Subsection (a) for each place of business of the broker if the broker:

- (1) applies to the comptroller for the license;
- (2) pays the license fee to the comptroller in the amount required by Subsection (c);
- (3) posts the bond or security in the amount required by Subsection (d); and
- (4) complies with any rules of the comptroller to administer this section and to prevent the evasion of the tax under this chapter and local sales and use taxes.

(c) A customs broker must pay to the comptroller an annual license fee of \$300 for each place of business from which the customs broker intends to issue a certificate of export. The comptroller shall use the fees only for the administration of this section, including costs of materials, labor, and overhead.

(d) The amount of the bond or security required by Subsection (b)(3) is \$5,000, plus an additional \$1,000 for each place of business from which the customs broker intends to issue exemption certificates. The security may be in the form of cash, a certificate of deposit, a letter of credit, or another instrument of value.

(e) A customs broker licensed under this section shall make available to the comptroller, on or after the 15th day after the date the broker receives written notice from the comptroller, the customs broker's books and records relating to the business of

issuing documentation certifying the export of tangible personal property beyond the territorial limits of the United States for purposes of exempting the property from the taxes imposed by this chapter. The customs broker shall make available to the comptroller, without notice from the comptroller, the customs broker's books and records if the comptroller determines that the comptroller's ability to administer and enforce effectively the provisions of this chapter relating to documentation for the purpose of showing the exemption of tangible personal property under Section 151.307(b)(2) is jeopardized by providing notice. The customs broker shall keep the books and records described by this subsection for at least two years after the date of the last entry that they contain. The customs broker shall report quarterly to the comptroller:

(1) the total value of the tangible personal property and the total amount of the corresponding tax for which the customs broker issued certificates of export; and

(2) the total amount of tax refunded in accordance with certificates of export.

(f) The comptroller may suspend or revoke a license issued under this section if the customs broker does not comply with Section 151.1575(c) or issues documentation that is false to obtain a refund of taxes paid on tangible personal property not exported or to assist another person in obtaining such a refund. The comptroller may determine the length of suspension or revocation necessary for the enforcement of this chapter and the comptroller's rules. A proceeding to suspend or revoke a license under this subsection is a contested case under Chapter 2001, Government Code. Judicial review is by trial de novo. The district courts of Travis County have exclusive original jurisdiction of a suit under this section.

(f-1) In addition to any other penalty provided by law, the comptroller may require a customs broker to pay to the comptroller the amount of any tax refunded if the customs broker did not comply with this section or the rules adopted by the comptroller under this section in relation to the refunded tax.

(g) A customs broker may authorize a person to act as an

independent contractor to certify in accordance with Section 151.1575(a)(1) that tangible personal property has been exported outside of the United States only if the authorization is part of the written contract and the comptroller in writing approves the authorization. A customs broker may not authorize a person under this subsection to prepare documentation for the purpose of showing the exemption for tangible personal property under Section 151.307(b)(2).

(h) Notwithstanding any other law, the filing of a petition to initiate judicial review does not vacate the comptroller decision that is the subject of review and does not affect the enforceability of that decision.

(i) The comptroller shall impose a penalty of \$500 for each occurrence on a customs broker who fails to file the report required by this section.

(F) requiring the purchaser to sign a form:

(i) stating that the purchaser has provided

the information and documentation required by this subdivision;  
and

(ii) that contains a notice to the purchaser that tangible personal property not exported is subject to taxation under this chapter and the purchaser is liable, in addition to other possible civil liabilities and criminal penalties, for payment of an amount equal to the value of the merchandise if the purchaser improperly obtained a refund of taxes relating to the property; and

(G) requiring the purchaser to produce the purchaser's:

(i) Form I-94, Arrival/Departure record, or its successor, as issued by the United States Immigration and Naturalization Service, for those purchasers in a county not bordering the United Mexican States; or

(ii) air, land, or water travel documentation if the customs broker is located in a county that does not border the United Mexican States.

(b) A customs broker licensed by the comptroller or an authorized employee of the customs broker may issue and deliver documentation under Subsection (a) at any time after the tangible personal property is purchased and the broker or employee completes the process required by Subsection (a). The documentation must include:

- (1) the name and address of the customs broker;
- (2) the license number of the customs broker;

(C) the property is expected to arrive in the foreign country destination, as stated by the purchaser;

(10) a declaration signed by the customs broker or an authorized employee of the customs broker stating that the customs broker is a licensed Texas customs broker; and

(11) an export certification stamp issued by the comptroller.

(c) The comptroller may require a customs broker to pay the comptroller the amount of any tax refunded if the customs broker does not comply with this section, Section 151.157, or the rules adopted by the comptroller under this section or Section 151.157. In addition to the amount of the refunded tax, the comptroller may require the customs broker to pay a penalty in an amount equal to the amount of the refunded tax, but not less than \$500 nor more than \$5,000. The comptroller and the state may deduct any penalties to be paid by a customs broker from the broker's posted bond.

(d) A proceeding to require a customs broker to pay an amount under Subsection (c) is a contested case in the same manner as a proceeding to revoke or suspend a customs broker's license under Section 151.157(f).

(e) In this section, "customs broker" and "authorized employee" have the meanings assigned by Section 151.157.

Added by Acts 2003, 78th Leg., ch. 1001, Sec. 2, eff. Jan. 1, 2004.

(d) The comptroller shall change the design of the stamps at least once each calendar quarter, or more frequently if the comptroller determines it is necessary for the enforcement of this section and the comptroller's rules.

(e) The comptroller may provide stamps only to a customs broker licensed under Section 151.157.

(f) A stamp is invalid if transferred to a person other than the customs broker to whom the comptroller issued the stamp, to an authorized employee of that customs broker, or to an authorized independent contractor.

(g) The comptroller shall charge \$1.60 for each stamp. The comptroller shall use the money from the sale of the stamps only for costs related to producing the stamps, including costs of materials, labor, and overhead. Any unspent money shall be deposited to the credit of the general revenue fund. Customs brokers who return unused stamps to the comptroller's office on a quarterly basis shall get credit towards the purchase of new stamps.

territorial limits of the United States. A wholesaler or retailer issued an export identification card may use the card only to facilitate the preparation of documentation by a customs broker under Section 151.307(b). The comptroller may require a wholesaler or retailer applying for an export identification card to submit any information in any form the comptroller determines is necessary and to pay a fee in an amount the comptroller determines is necessary to pay for the cost of issuing the card.

Fees and charges collected by the comptroller under this Act shall be considered reimbursements for expenses of administration and shall be available for use by the comptroller in accordance with provisions in the General Appropriations Act appropriating such revenues for use by agencies.

Added by Acts 1993, 73rd Leg., ch. 955, Sec. 1, eff. June 19, 1993.

#### SUBCHAPTER G. SELLER'S AND RETAILER'S SECURITY

Sec. 151.251. SECURITY REQUIRED. (a) An applicant for a

sales tax permit or for registration as a retailer under Section 151.106 of this code must file with the comptroller adequate security for the payment of the taxes imposed by this chapter.

(b) If the holder of a sales tax permit or a retailer registered under Section 151.106 of this code who is exempted under Section 151.254 of this code from filing security under this subchapter is determined by the comptroller to be delinquent in the payment of the taxes imposed by this chapter, the comptroller shall require the holder or retailer to file with the comptroller adequate security for the payment of the taxes imposed by this chapter.

(c) For the purposes of Subsection (b) of this section, a holder of a permit or a retailer is delinquent in the payment of the taxes imposed by this chapter if the holder or retailer fails to file all reports due or to pay any determination before the day the determination could be paid without additional penalty.

comptroller to be sufficient for the payment of taxes imposed by this chapter.

(b) The comptroller shall fix the amount of security required in each case, taking into consideration the amount of tax that has or is expected to become due from the person under this chapter and all other applicable local sales and use taxes and the necessity to protect the state against the failure to pay these taxes. The maximum amount of security that may be required is the greater of \$100,000 or four times the amount of the person's average monthly tax liability.

(c) A bond qualifying under this subchapter must be a continuing instrument and a new and separate obligation for the penal sum named in the bond for each calendar year or portion of a calendar year while the bond is in effect. The determination shall state that if payment is not made on or before the last day that the deficiency may be paid without incurring further penalty, the security or a part of the security may be forfeited.

(b) If the security filed by the person is a surety bond, the comptroller shall send a copy of the determination to each surety on the bond and shall demand payment from both the person filing the bond and each surety. A surety's obligation under the bond is not affected by whether the surety has a record of the receipt of a copy of the comptroller's determination notice or payment demand.

(c) Subject to the requirement of additional security required by Section 151.260 of this code, the comptroller shall return to the depositor any security remaining after the sale and after recovering the amount of tax, penalty, and interest due from the depositor.

(b) If the permit or registration is suspended, the comptroller shall certify to the attorney general the amount of taxes, penalties, and interest delinquent under this chapter.

(c) A permit or registration revoked or suspended under this section may not be reinstated until all taxes, penalties, and interest have been paid and another security is filed with the comptroller. The comptroller shall set the amount of the security subject only to the maximum amounts provided by Section 151.253(b) of this code.

(B) piping through which the product or an intermediate or preliminary product that will become an ingredient or component part of the product is recycled or circulated in a loop between the single item of manufacturing equipment and the ancillary equipment that supports only that single item of manufacturing equipment if the single item of manufacturing equipment and the ancillary equipment operate together to perform a specific step in the manufacturing process; and

(C) piping through which the product or an intermediate or preliminary product that will become an ingredient or component part of the product is recycled back to another single item of manufacturing equipment and its ancillary equipment in the same manufacturing process;

(2) hand tools;

(3) maintenance supplies not otherwise exempted under this section, maintenance equipment, janitorial supplies or

equipment, office equipment or supplies, equipment or supplies used in sales or distribution activities, research or development of new products, or transportation activities;

(4) machinery and equipment or supplies to the extent not otherwise exempted under this section used to maintain or store tangible personal property; or

(5) tangible personal property used in the transmission or distribution of electricity, including transformers, cable, switches, breakers, capacitor banks, regulators, relays, reclosers, fuses, interruptors, reactors, arrestors, resistors, insulators, instrument transformers, and telemetry units not otherwise exempted under this section, and lines, conduit, towers, and poles.

(d) In this section, "manufacturing" includes each operation beginning with the first stage in the production of tangible personal property and ending with the completion of tangible personal property having the physical properties (including packaging, if any) that it has when transferred by the manufacturer to another.

(e) This section does not apply to any taxable item rented or leased for less than one year to a person engaged in manufacturing.

(f) For purposes of Subsection (c)(1), piping through which material is transported forward from one single item of manufacturing equipment and its ancillary support equipment to another single item of manufacturing equipment and its ancillary support equipment is not considered a component part of a single item of manufacturing equipment and is not exempt. An integrated group of manufacturing and processing machines and ancillary equipment that operate together to create or produce the product or an intermediate or preliminary product that will become an ingredient or component part of the product is not a single item of manufacturing equipment.

(n) A person engaged in overhauling, retrofitting, or repairing jet turbine aircraft engines and their component parts is entitled to an exemption from the tax imposed by this chapter for the purchase of machinery, equipment, or replacement parts or accessories with a useful life in excess of six months, or supplies, including aluminum oxide, nitric acid, and sodium cyanide, used in electrochemical plating or a similar process that are used or consumed in the overhauling, retrofitting, or repairing.

(o) The production of a publication for the dissemination of news of a general character and of a general interest that is printed on newsprint and distributed to the general public free of charge at a daily, weekly, or other short interval is considered "manufacturing" for purposes of this section.

(p) For the purposes of this section, the manufacturing of computer software begins with the design and writing of the code or program for the software and includes the testing or demonstration of the software.

(q) For purposes of Subsection (b), "semiconductor fabrication cleanrooms and equipment" means all tangible personal property, without regard to whether the property is affixed to or incorporated into realty, used in connection with the manufacturing, processing, or fabrication in a cleanroom environment of a semiconductor product, without regard to whether the property is actually contained in the cleanroom environment. The term includes integrated systems, fixtures, and piping, all property necessary or adapted to reduce contamination or to control airflow, temperature, humidity, chemical purity, or other environmental conditions or manufacturing tolerances, and production equipment and machinery. The term does not include the building or a permanent, nonremovable component of the building, that houses the cleanroom environment. The term includes moveable cleanroom partitions and cleanroom lighting. "Semiconductor fabrication cleanrooms and equipment" are not "intraplant transportation equipment" as that term is used in Subsection (c)(1).

(q-1) For purposes of Subsection (b), "pharmaceutical biotechnology cleanrooms and equipment" means all tangible

personal property, without regard to whether the property is affixed to or incorporated into realty, used in connection with the manufacturing, processing, or fabrication in a cleanroom environment of a pharmaceutical biotechnology product, without regard to whether the property is actually contained in the cleanroom environment. The term includes integrated systems, fixtures, and piping, all property necessary or adapted to reduce contamination or to control airflow, temperature, humidity, chemical purity, or other environmental conditions or manufacturing tolerances, and production equipment and machinery. The term does not include the building or a permanent, nonremovable component of the building that houses the cleanroom environment. (r) A taxpayer claiming an exemption under this section has the burden of proof that the exemption is applicable and that no exclusion under Subsection (c) applies.

(s) The following do not apply to the semiconductor fabrication cleanrooms and equipment in Subsection (q) or the pharmaceutical biotechnology cleanrooms and equipment in Subsection (q-1):

(1) limitations in Subsection (a)(2) that refer to tangible personal property directly causing chemical and physical changes to the product being manufactured, processed, or fabricated for ultimate sale;

(2) Subsection (c)(1); and

(3) Subsection (c)(4).

(t) In addition to the other items exempted under this section, pre-press machinery, equipment, and supplies, including computers, cameras, photographic props, film, film developing chemicals, veloxes, plate-making machinery, plate metal, litho negatives, color separation negatives, proofs of color negatives, production art work, and typesetting or composition proofs, that are necessary and essential to and used in connection with the printing process are exempted from the tax imposed by this chapter

if they are purchased by a person engaged in:

(1) "Divergent use" means the use of property in a manner or for a purpose other than the manner or purpose that qualified the sale, lease, rental, use, or other consumption of the property for exemption under Section 151.318.

(2) "Property" means tangible personal property regardless of whether the tangible personal property is permanently

affixed to or incorporated into realty after its purchase.

(b) Divergent use of property exempted under Section 151.318 will not result in sales and use tax being due on the property if the divergent use occurs after the fourth anniversary of the date the property is purchased.

(c) Except as provided by Subsection (d), divergent use of property exempted under Section 151.318 that occurs during any month before the fourth anniversary of the date the property is purchased results in sales and use tax being due for that month. The amount of the sales and use tax due for a month is equal to  $1/48$  of the purchase price of the property multiplied by the percentage of divergent use during that month multiplied by the sales and use tax rate applicable at the time of purchase.

(d) Divergent use of property exempted under Section 151.318 that occurs during a month before the fourth anniversary of the date the property is purchased does not result in sales and use tax being due for that month if the percentage of divergent use during that month does not exceed five percent of the total use of the property that month.

(e) The amount of divergent use during a month is:

(1) the total time the property operates for a divergent use during a month, measured in hours; or

(2) the total output of the property during divergent use during a month, measured in a manner applicable to that property.

(f) The total use of property is:

(1) the total time the property operates during a month, measured in hours; or

(2) the total output of the property during a month, measured in a manner applicable to that property.

(g) The percentage of divergent use for a month is determined by:

(1) dividing the amount of divergent use determined under Subsection (e)(1) by the amount of total use of the property determined under Subsection (f)(1); or

(2) dividing the amount of divergent use determined under Subsection (e)(2) by the amount of total use of the property

determined under Subsection (f)(2).

(h) The use of "pharmaceutical biotechnology cleanrooms and equipment," as that term is defined by Section 151.318(q-1), to manufacture, process, or fabricate a pharmaceutical biotechnology product that is not sold is not a divergent use if the use occurs during the certification process by the United States Food and Drug Administration.

Acts 1981, 67th Leg., p. 1570, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 2003, 78th Leg., ch. 1001, Sec. 5, eff. Jan. 1, 2004.

Sec. 151.407. SPECIAL USE TAX REPORTS. (a) The comptroller may require any person or class of persons who have in their possession or custody information relating to the sale of a taxable item, the storage, use, or consumption of which is subject to the use tax, to file a report.

the date of the sale, and other information required by the comptroller.

Acts 1981, 67th Leg., p. 1570, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.408. ACCOUNTING BASIS FOR REPORTS. A taxpayer whose regular books are kept on a cash basis, accrual basis, or some other generally recognized accounting basis that accurately reflects the operation of the business may file the tax reports required by this chapter on the same basis that is used for the taxpayer's regular books.

Acts 1981, 67th Leg., p. 1570, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.409. REPORTS AND PAYMENTS: WHERE MADE. A tax report or tax payment shall be delivered to the office of the comptroller.

Acts 1981, 67th Leg., p. 1570, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.410. METHOD OF REPORTING SALES TAX: GENERAL RULE. A seller shall compute the sales tax imposed by Subchapter C of this chapter to be paid to the comptroller by multiplying the percentage rate of the sales tax times the total receipts of the seller from all sales of taxable tangible personal property and of taxable services.

Acts 1981, 67th Leg., p. 1571, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.411. METHOD OF REPORTING: SELLERS HAVING SALES BELOW TAXABLE AMOUNT. (a) If not less than 50 percent of the total receipts of a seller from the sale of taxable items come from separate transactions in which the sales price is an amount on which no tax is produced, the seller may exclude the receipts from those transactions when reporting and paying the sales tax.

(b) A seller may not exclude any receipts from sales as permitted under Subsection (a) of this section unless the seller has received from the comptroller before the filing of the tax report written approval allowing the exclusion, and all receipts from sales of taxable tangible personal property and taxable services are subject to the tax until the approval is granted.

(c) The comptroller shall approve the reporting and computation of the sales tax as permitted under Subsection (a) of this section by a seller if the seller qualifies for the exclusion and if the seller submits to the comptroller satisfactory evidence that the seller can and will maintain records adequate to substantiate the authorized exclusion.

Acts 1981, 67th Leg., p. 1571, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1984, 68th Leg., 2nd C.S., ch. 31, art. 13, Sec. 3, eff. Oct. 2, 1984; Acts 1986, 69th Leg., 3rd C.S., ch. 10, art. 1, Sec. 4, eff. Jan. 1, 1987; Acts 1987, 70th Leg., 2nd C.S., ch. 5, art. 1, pt. 3, Sec. 2.

Sec. 151.412. OPTIONAL METHOD OF REPORTING: PERCENTAGE OF SALES. (a) A seller who is a retail grocer, a seller who operates a separate grocery department having separate records that are separately auditable, or any other seller whose taxable receipts from the sale of taxable items are less than 10 percent of the total receipts of the seller may determine the total taxable receipts of the grocer, separate grocery department, or other seller by:

(1) adding the amount of all invoices for merchandise sold to the seller during the preceding calendar or fiscal year to obtain the total sum of merchandise purchased;

(2) adding the amount of all invoices for exempt merchandise sold to the seller during the preceding calendar or fiscal year to obtain the total sum of exempt merchandise purchased;

(3) dividing the sum obtained under Subdivision (2) of this subsection by the sum obtained under Subdivision (1) of this subsection to obtain a percentage relationship;

(4) multiplying the percentage obtained under Subdivision (3) of this subsection times the total sales by the seller for the reporting period to obtain the total nontaxable sales of the seller; and

(5) subtracting the total nontaxable sales of the seller obtained under Subdivision (4) of this subsection from the total sales by the seller during the reporting period to obtain the total taxable receipts of the seller from sales of tangible

personal property.

(b) A seller determining taxable receipts as provided by Subsection (a) of this section shall add to the total taxable receipts the sales prices of all purchases made by the seller that are subject to the use tax and on which the use tax has not been paid.

(c) If the comptroller audits a seller who qualifies for and uses the method of reporting allowed by this section and determines that the actual tax liability of the seller computed on the actual taxable receipts of the seller differs from the amount reported and paid under this section, the comptroller shall collect the difference due to the state, if any, or refund or credit the seller with the difference that is an overpayment to the state, if any.

(d) The comptroller may not assess a penalty or interest against a seller because of an underpayment of the actual tax due disclosed by an audit under Subsection (c) of this section unless the audit discloses wilful evasion of the tax or fraud. The state may not pay interest on an overpayment disclosed by an audit under Subsection (c) of this section.

(e) Under procedures adopted by and with the consent of the comptroller, a seller eligible to determine its total taxable receipts under this section may add to the amount provided by Subdivision (2) of Subsection (a) of this section an additional amount that represents that portion of the amount of all invoices for merchandise sold to the seller during the preceding calendar or fiscal year that was not considered exempt merchandise for purposes of Subdivision (1) of Subsection (a) of this section but that became exempt under Section 151.3141 of this code when sold.

Acts 1981, 67th Leg., p. 1571, ch. 389, Sec. 1, eff. Jan. 1, 1982.  
Amended by Acts 1987, 70th Leg., c. 1116, Sec. 2, eff. Oct. 1, 1987.

Sec. 151.413. OPTIONAL METHOD OF REPORTING: SMALL GROCERS. (a) A seller who is a retail grocer and whose annual total receipts do not exceed \$100,000 may pay the taxes imposed by this chapter by multiplying 15 percent times the total receipts of the seller to obtain the amount of taxable receipts.

(b) A state audit of a retailer electing to report his

taxable receipts as provided by this section is limited to determining whether or not the grocer is eligible to use this method. No additional tax may be assessed or a refund or credit granted because of a showing that the tax liability of the retail grocer electing this method of reporting differs or would differ under any other method of reporting.

(c) A retail grocer who elects to report under this section shall continue to report as provided by this section for three years unless the grocer's total receipts for a year exceed \$100,000.

(d) If a retail grocer electing to report under this section has gross receipts in excess of \$100,000 for a year, the grocer is ineligible to continue reporting under this section beginning on the first day of the calendar month after the month in which the limitation was exceeded, shall report the ineligibility to the comptroller, and shall immediately cease to use the method of reporting permitted by this section.

(e) Subsection (b) of this section does not apply to audits or the tax liability of a retail grocer who fails to report his ineligibility to the comptroller as required by Subsection (d) of this section.

Acts 1981, 67th Leg., p. 1572, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.414. "RETAIL GROCER" DEFINED. In this subchapter, "retail grocer" means a retail vendor who sells food for human consumption off the premises, together with household supplies and nondurable household goods.

Acts 1981, 67th Leg., p. 1572, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.415. ASSESSMENT OF PENALTIES AND INTEREST AGAINST SELLER USING OPTIONAL METHOD OF REPORTING. The comptroller may assess a penalty and interest against a seller using an optional method of reporting under Section 151.412 or Section 151.413 of this code if the seller fails to file a tax report on or before its due date or fails to remit the correct amount of tax due with the report. This section prevails over Section 151.412(d) and Section 151.413(b) of this code.

Acts 1981, 67th Leg., p. 1572, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.416. COMMINGLED RECEIPTS AND TAX. A seller who has an accounting system under which the taxes collected under this chapter are commingled with the receipts from the sales of taxable items may compute his taxable receipts by:

(1) subtracting from the total receipts of the seller the receipts from the sales of items that are exempted or are specifically excluded from the taxes imposed by this chapter to obtain a remainder consisting of the commingled receipts from taxable sales and the taxes collected; and

(2) dividing this remainder by one plus the sales tax rate expressed as a decimal fraction to obtain a quotient that is the taxable receipts that may be reported under Section 151.410 of this code.

Acts 1981, 67th Leg., p. 1573, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1984, 68th Leg., 2nd C.S., ch. 31, art. 13, Sec. 4, eff. Oct. 2, 1984; Acts 1986, 69th Leg., 3rd C.S., ch. 10, art. 1, Sec. 3, eff. Jan. 1, 1987; Acts 1987, 70th Leg., 2nd C.S., ch. 5, art. 1, pt. 3, Sec. 3.

Sec. 151.417. DIRECT PAYMENT OF TAX BY PURCHASER. (a) The holder of a direct payment permit issued by the comptroller may give a blanket exemption certificate to sellers who sell, lease, or rent taxable items to the holder of the direct payment permit. The blanket exemption certificate covers all future sales of taxable items to the permit holder and relieves the seller of the obligation of collecting the taxes imposed by this chapter from the permit holder.

(b) A blanket exemption certificate given under this section must contain the direct payment permit number and the statement that the direct payment permit holder agrees to accrue and pay to this state all taxes that are or may become due on the taxable items sold under the exemption certificate to the permit holder.

Acts 1981, 67th Leg., p. 1573, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.4171. OPTIONAL REPORTING METHOD:

PERCENTAGE-BASED. (a) In this section, "percentage-based reporting method" means a method by which a taxpayer categorizes purchase transactions according to standards specified in the letter of authorization, reviews an agreed-on sample of invoices in that category to determine the percentage of taxable transactions, and uses that percentage to calculate the amount of tax to be reported.

(b) The comptroller may authorize the holder of a direct payment permit to use a percentage-based reporting method. The authorized percentage must be used for a three-year period specified by the comptroller, unless the authorization is revoked by the comptroller.

(c) The comptroller may revoke the authorization to report under this section if the comptroller determines that the percentage being used is no longer representative because of a change:

(1) in law, including a change in the interpretation of a law or rule; or

(2) in the taxpayer's business operations.

(d) The decision of the comptroller to deny or revoke authorization under this section is not appealable.

(e) In deciding whether to authorize reporting under this section, the comptroller may categorize transactions by dollar amount, by type of taxable item purchased, by the purpose for which the taxable item will be used, or by other standards appropriate to the taxpayer's operations.

(f) The comptroller by rule may specify additional procedures that must be followed and conditions that must be met before the comptroller authorizes a taxpayer to report under this section.

Added by Acts 1999, 76th Leg., ch. 457, Sec. 2, eff. Oct. 1, 1999.

Sec. 151.418. ISSUANCE OF DIRECT PAYMENT PERMIT. (a) The comptroller shall issue a direct payment permit to an applicant for the permit who qualifies as provided by Section 151.419 of this code.

(b) The comptroller is the sole judge of an applicant's

qualifications, and the comptroller's refusal to issue a permit to an applicant is not appealable.

(c) An applicant for a direct payment permit who has been denied the issuance of a permit may:

(1) request permission from the comptroller to submit an amended application; or

(2) submit a new application for a direct payment permit after a reasonable period after the denial of the original application.

Acts 1981, 67th Leg., p. 1573, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.419. APPLICATION FOR DIRECT PAYMENT PERMITS: QUALIFICATIONS. (a) A person desiring a direct payment permit must file with the comptroller a written application for the permit.

(b) The application must be accompanied with:

(1) an agreement that is signed by the applicant or a responsible officer of an applicant corporation, that is in a form prescribed by the comptroller, and that provides that the applicant agrees to:

(A) accrue and pay all taxes imposed by Subchapter D of this chapter on the storage and use of all taxable items sold to or leased or rented by the permit holder unless the items are exempted from the taxes imposed by this chapter;

(B) pay the imposed taxes monthly on or before the 20th day of the month following the end of each calendar month; and

(C) waive the discount permitted by Section 151.423 of this code on the payment of all taxes under the direct payment permit only;

(2) a description, in the amount of detail that the comptroller requires, of the accounting method by which the applicant proposes to differentiate between taxable and exempt transactions; and

(3) records establishing that the applicant is a responsible person who annually purchases taxable items that have a value when purchased of \$800,000 or more excluding the value of

taxable items for which resale certificates were or could have been given.

Acts 1981, 67th Leg., p. 1573, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1983, 68th Leg., p. 849, ch. 197, Sec. 1, eff. May 24, 1983; Acts 1983, 68th Leg. p. 1363, ch. 281, Sec. 3, eff. Oct. 1, 1983.

Sec. 151.420. REVOCATION OF DIRECT PAYMENT PERMIT. (a) A person to whom a direct payment permit has been issued holds the permit as a matter of revocable privilege and not as a matter of right. The comptroller on his own initiative may cancel a direct payment permit, and the cancellation is not appealable.

(b) A person whose direct payment permit is canceled by the comptroller is entitled to written notice of the cancellation, which shall be sent by the comptroller by registered mail.

Acts 1981, 67th Leg., p. 1574, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.421. VOLUNTARY RELINQUISHMENT OF DIRECT PAYMENT PERMIT. (a) The holder of a direct payment permit may notify the comptroller that the direct payment permit is to be voluntarily relinquished.

(b) A direct payment permit and the direct payment agreement remain valid and enforceable until the comptroller issues a termination notice.

Acts 1981, 67th Leg., p. 1574, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.422. CANCELLATION OR TERMINATION OF DIRECT PAYMENT PERMIT: DUTY OF PERMIT HOLDER. (a) On the receipt of a notice issued under Section 151.420 of this code canceling a direct payment permit or of a notice issued under Section 151.421 of this code terminating a direct payment permit, the person who held the permit shall immediately notify each seller to whom a blanket exemption certificate has been given that the exemption certificate is no longer valid.

(b) The failure of a person to notify a seller as required by Subsection (a) of this section is a failure and refusal to pay the taxes imposed by this chapter by the person required to make the

notification.

Acts 1981, 67th Leg., p. 1574, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.423. REIMBURSEMENT TO TAXPAYER FOR TAX COLLECTIONS. A taxpayer may deduct and withhold one-half of one percent of the amount of taxes due from the taxpayer on a timely return as reimbursement for the cost of collecting the taxes imposed by this chapter. The comptroller shall provide a card with each form distributed for the collection of taxes under this chapter. The card may be inserted by the taxpayer with the tax payment to provide for contribution of all or part of the reimbursement provided by this section for use as grants under Subchapter M, Chapter 56, Education Code. If the taxpayer chooses to contribute the reimbursement for the grants, the taxpayer shall include the amount of the reimbursement contribution with the tax payment. The comptroller shall transfer money contributed under this section for grants under Subchapter M, Chapter 56, Education Code, to the appropriate fund.

Acts 1981, 67th Leg., p. 1574, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Amended by Acts 1983, 68th Leg., p. 1364, ch. 281, Sec. 4, eff. Oct. 1, 1983; Acts 1985, 69th Leg., ch. 708, Sec. 18, eff. Aug. 26, 1985; Acts 1987, 70th Leg., 2nd C.S., ch. 5, art. 1, pt. 4, Sec. 32; Acts 1999, 76th Leg., ch. 1590, Sec. 4, eff. June 19, 1999.

Sec. 151.424. DISCOUNT FOR PREPAYMENTS. (a) A taxpayer who prepays the taxpayer's tax liability on the basis of a reasonable estimate of the tax liability for a quarter in which a prepayment is made or for a month in which a prepayment is made may deduct and withhold 1.25 percent of the amount of the prepayment in addition to the amount permitted to be deducted and withheld under Section 151.423 of this code. A reasonable estimate of the tax liability must be at least 90 percent of the tax ultimately due or the amount of tax paid in the same quarter, or month, if a monthly prepayer, in the last preceding year. Failure to prepay a reasonable estimate of the tax will result in the loss of the entire prepayment discount.

(b) In order to qualify for the deduction permitted by

Subsection (a) of this section, the taxpayer must make the tax prepayment:

(1) on or before the 15th day of the second month of the calendar quarter for which the prepayment is made if the taxpayer pays the tax quarterly; or

(2) on or before the 15th day of the month for which the prepayment is made if the taxpayer pays the tax monthly.

(c) A taxpayer who prepays the tax liability as permitted by this section must file a report when due as provided by this chapter. The amount of a prepayment made by a taxpayer under this section shall be credited against the amount of actual tax liability of the taxpayer as shown on the tax report of the taxpayer. If there is a tax liability owed by the taxpayer in excess of the prepayment credit, the taxpayer shall send to the comptroller the remaining tax liability at the time of filing the quarterly or monthly report. The taxpayer is entitled to the deduction permitted under Section 151.423 of this code on the amount of the remaining tax liability.

(d) If the amount of a prepayment exceeds the actual tax liability, the excess of the prepayment shall be credited against future tax liability of the taxpayer or refunded to the taxpayer as provided by Subchapter C of Chapter 111 of this code.

Amended by Acts 1983, 68th Leg., p. 1364, ch. 281, Sec. 5, eff. Oct. 1, 1983.

Sec. 151.425. FORFEITURE OF DISCOUNT OR REIMBURSEMENT. If a taxpayer fails to file a report required by this chapter when due or to pay the tax when due, the taxpayer forfeits any claim to a deduction or discount allowed under Section 151.423 or Section 151.424 of this code.

Acts 1981, 67th Leg., p. 1575, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 151.426. CREDITS AND REFUNDS FOR BAD DEBTS, RETURNED MERCHANDISE, AND REPOSSESSIONS. (a) A seller may withhold the payment of the tax on a portion of the sales price of a taxable item that remains unpaid by the purchaser if:

(1) during the reporting period in which the item was sold, leased, or rented the seller determines that the unpaid portion will remain unpaid;

(2) the seller enters the unpaid portion of the sales price in the seller's books as a bad debt; and

(3) the bad debt is claimed as a deduction for federal tax purposes during the same or a subsequent reporting period.

(b) If the portion of a debt determined to be bad under Subsection (a) of this section is paid, the seller shall report and pay the tax on the portion during the reporting period in which the payment is made.

(c) Subject to Subsection (e), a retailer or any person who extends credit to a purchaser under a retailer's private label credit agreement, or an assignee or affiliate of either, is entitled to credit or reimbursement for taxes paid on the portion of:

(1) an account determined to be worthless and actually charged off for federal income tax purposes; or

(2) the remaining unpaid sales price of a taxable item when the item is repossessed under a conditional sales contract.

(d) A seller is entitled to credit for the amount of taxes paid on the amount of a refund or credit made to a purchaser under a bona fide agreement in which the sales price of a taxable item is renegotiated. This credit applies to a refund or credit made under an agreement in settlement of a claim for an alleged breach of warranty on a taxable item sold by the seller to the person with whom the agreement is made.

(e) A person is entitled to a credit or reimbursement provided by Subsection (c) only if:

(1) the retailer:

(A) has a valid sales or use tax permit; and

(B) remits the tax for which the credit or reimbursement is sought;

(2) all payments on an account are prorated between taxable and nontaxable charges; and

(3) the retailer or person claiming the credit or reimbursement provides detailed records outlining:

(A) the amount the purchaser contracted to pay;  
(B) taxable and nontaxable charges;  
(C) the tax collected and remitted;  
(D) the unpaid portion of the sales price assigned; and

(E) the taxpayer number of the seller who collected and remitted the tax.

(f) A person whose volume and character of uncollectible accounts warrants an alternative method of substantiating the reimbursement or credit may:

(1) maintain records other than the records specified in Subsection (e) if:

(A) the records fairly and equitably apportion taxable and nontaxable elements of a bad debt and compute the amount of sales tax imposed and remitted with respect to the taxable charges remaining unpaid on the debt; and

(B) the comptroller approves the procedures used; or

(2) implement a system to report its future tax responsibilities based on a historical percentage calculated from a sample of transactions if:

(A) the system utilizes records provided by the person claiming the credit or reimbursement; and

(B) the comptroller approves the procedures used.

(g) The comptroller may revoke the authorization to report under Subsection (f)(2) if the comptroller determines that the percentage being used is no longer representative because of:

(1) a change in law, including a change in the interpretation of an existing law or rule; or

(2) a change in the taxpayer's business operations.

(h) A person claiming a credit or reimbursement under this section shall remit tax on any payments received on an account that has been written off and claimed as a bad debt.

(i) A person who is not a retailer may claim a credit or reimbursement authorized by Subsection (c) only for taxes imposed by Section 151.051 or 151.101.

(j) For purposes of this section, "affiliate" means any entity or entities that would be classified as a member of an affiliated group under 26 U.S.C. Section 1504. Sec. 151.427. DEDUCTION FOR PROPERTY ON WHICH THE TAX IS PAID AND HELD FOR RESALE. (a) A seller who has paid the tax imposed by this chapter on the sales price of tangible personal property acquired for storage or use may deduct the amount of the tax paid if the seller resells, leases, or rents the item to another in the regular course of business before the seller has made any use of the property other than retaining, displaying, or demonstrating it while holding it for sale in the regular course of business.

(g) The refund provided by this section is conditioned on the enterprise project maintaining at least the same level of employment of qualified employees as existed at the time it qualified for a refund for a period of three years from that date. The comptroller shall annually certify whether that level of employment of qualified employees has been maintained. On certifying that such a level has not been maintained, the comptroller shall assess that portion of the refund attributable to any such decrease in employment, including penalty and interest from the date of the refund.

(h) Notwithstanding the other provisions of this section, the owner of a qualified hotel project shall receive a rebate, refund, or payment of 100 percent of the sales and use taxes paid or collected by the qualified hotel project or businesses located in the qualified hotel project pursuant to this chapter and 100 percent of the hotel occupancy taxes paid by persons for the use or possession of or for the right to the use or possession of a room or space at the qualified hotel project pursuant to the provisions of Chapter 156 during the first 10 years after such qualified hotel project is open for initial occupancy.
