Sec. 154.023. IMPACT OF TAX. The ultimate consumer or user in this state bears the impact of the tax imposed by this chapter. If another person pays the tax, the amount of the tax is added to the price to the ultimate consumer or user.

Acts 1981, 67th Leg., p. 1640, ch. 389, Sec. 1, eff. Jan. 1, 1982.

Sec. 154.024. IMPORTATION OF SMALL QUANTITIES. (a) A person who imports and personally transports 200 or fewer cigarettes into this state from another state is not required to pay the tax imposed by this chapter if the person uses the cigarettes and does not sell them or offer them for sale. A person who imports and personally transports 200 or fewer cigarettes into this state from a foreign country shall pay the tax imposed by this chapter and have affixed on each individual package of cigarettes a stamp to show payment of the tax.

(b) Employees of the Texas Alcoholic Beverage Commission who collect taxes on alcoholic beverages at ports of entry shall collect at the ports of entry the tax imposed by this chapter on cigarettes imported into this state. In computing the amount of taxes to be collected, the commission may round the total amount up to the nearest quarter of a dollar.

(c) The comptroller and the Texas Alcoholic Beverage Commission shall make rules for the administration of this section. Acts 1981, 67th Leg., p. 1640, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1989, 71st Leg., ch. 240, Sec. 2, eff. Oct. 1, 1989; Acts 1997, 75th Leg., ch. 1423, Sec. 19.16, eff. Sept. 1, 1997; Acts 1999, 76th Leg., ch. 1110, Sec. 1, eff. Sept. 1, 1999.

Amended by:

Acts 2005, 79th Leg., Ch. 792, Sec. 2, eff. September 1, 2005.

Sec. 154.025. LIEN TO SECURE PAYMENT OF TAX. (a) In this section, "collecting agent" means a person who pays or who is liable for payment of the tax imposed under Section 154.022 and who is not the consumer of the cigarettes on which the tax is imposed.

(b) A collecting agent is an agent of the state for the purpose of collecting the cigarette tax for the state.

(c) A collecting agent has a lien on:

(1) cigarettes on which the collecting agent has paid or is liable for the payment of the tax imposed under Section 154.022; and

(2) the proceeds from the sale of the cigarettes.

(d) The lien under this section attaches to all cigarettes purchased from a collecting agent and all proceeds from the sale of the cigarettes on the date that the cigarettes are sold by the collecting agent. An action by the collecting agent or any other person is not required to perfect the lien.

(e) The lien under this section takes priority over any other lien on the cigarettes purchased from a collecting agent and the proceeds from the sale of the cigarettes, except the preferred state tax lien under Section 154.413.

(f) A collecting agent may enforce a lien under this section through any legal proceeding, including a proceeding under Title

11, U.S.C., and assertion of an administrative priority claim to the extent that the lien does not adequately protect the collecting agent.

(g) A prior demand is not required to commence an action to enforce a lien under this section.

(h) In an action to enforce a lien under this section, a court may prevent the resale of any cigarettes on which a collecting agent has the lien by any appropriate order, including the seizure of the cigarettes by an appropriate legal officer through attachment, sequestration, or other procedure. It is not a defense to the granting of injunctive relief by the court that remedies at law, including a suit for damages, are available.

(i) A court shall distribute money received from the foreclosure of a lien under this section in the following order:

(1) payment of all costs and expenses, including attorney fees, incurred by a collecting agent to enforce the lien;

(2) payment of taxes on the cigarettes purchased from the collecting agent and subject to the lien, including not only the taxes on the cigarettes and proceeds subject to the foreclosure but also the taxes on all cigarettes for which the collecting agent has not received payment in accordance with the terms of the agreement between the collecting agent and the person to whom the collecting agent sold the cigarettes; and

(3) any remaining money to the person against whom the lien operates.

(j) A lien under this section may not be waived if the tax payment that is secured by the lien has not been paid to the collecting agent. A purported waiver of the tax payment is void.

(k) To the extent allowed by law, the priority claim of the comptroller under 11 U.S.C. Section 507(d) for taxes imposed by Section 154.022 is assigned to the collecting agent.

Added by Acts 1991, 72nd Leg., ch. 409, Sec. 3, eff. June 7, 1991.
Amended by Acts 1997, 75th Leg., ch. 1423, Sec. 19.17, eff. Sept. 1, 1997.

SUBCHAPTER C. TAX STAMPS

Sec. 154.041. STAMP REQUIRED. (a) A person who pays a tax

imposed by this chapter shall securely affix a stamp to each individual package of cigarettes to show payment of the tax.

(b) Except as provided by Section 154.152, each distributor shall obtain the necessary stamps before receiving or accepting delivery of unstamped packages of cigarettes. The possession of unstamped packages of cigarettes without the possession of the requisite amount or number of stamps is prima facie evidence that the cigarettes are possessed for the purpose of making a first sale without stamps and without payment of the tax imposed by this chapter.

(c) The absence of a stamp on an individual package of cigarettes is notice that the tax has not been paid.

(d) A manufacturer of cigarettes outside this state may purchase a stamp and affix it to the individual package and no further payment of the tax is required.

(e) The transfer of possession of cigarettes by a bonded agent to a distributor in this state, under instructions received from outside this state, is not a first sale.

Acts 1981, 67th Leg., p. 1640, ch. 389, Sec. 1, eff. Jan. 1, 1982. Amended by Acts 1983, 68th Leg., p. 788, ch. 188, Sec. 1, eff. May 21, 1983; Acts 1991, 72nd Leg., ch. 409, Sec. 4, eff. June 7, 1991.

Sec. 154.0415. CIGARETTES TO WHICH STAMPS MAY NOT BE AFFIXED. A person may not affix a stamp to a package of cigarettes if the package:

(1) does not comply with the Cigarette Labeling and Advertising Act (15 U.S.C. Section 1331 et seq.) for the placement of labels, warnings, or any other information for a package of cigarettes to be sold within the United States;

(2) is labeled "For Export Only," "U.S. Tax Exempt," "For Use Outside U.S.," or other wording indicating that the manufacturer did not intend that the product be sold in the United States;

(3) has been altered by adding or deleting wording, labels, or warnings described in Subdivision (1) or (2);

(4) has been imported into the United States in violation of 26 U.S.C. Section 5754;

(5) in any way violates federal trademark or copyright laws; or

(6) contains cigarettes with respect to which any person is not in compliance with 15 U.S.C. Section 1335a, as amended, relating to submission of ingredient information to federal authorities, 19 U.S.C. Sections 1681-1681b, as amended, relating to imports of certain cigarettes, 26 U.S.C. Section 5754, as amended, or relating to previously exported tobacco products. Added by Acts 1999, 76th Leg., ch. 1539, Sec. 1, eff. Sept. 1, 1999. Amended by Acts 2001, 77th Leg., ch. 1104, Sec. 1, eff. Sept. 1, 2001.

Sec. 154.042. DISTRIBUTOR. (a) A distributor shall affix the required tax stamps to each individual package that is to be sold, offered for sale, consumed, distributed, handled, or transported.

(b) Except as provided by Subsection (c), each distributor in this state shall affix the required stamps within 96 hours after receiving the cigarettes, excluding Saturdays, Sundays, and legal holidays.

(c) If a distributor reasonably foresees that the distributor will receive cigarettes in quantities that will make compliance with Subsection (b) commercially impracticable in the normal course of business, the distributor shall provide the comptroller, before receipt of the cigarettes, with advance written notice of the anticipated noncompliance and a plan for achieving compliance. On receipt of the written notice, the comptroller shall review the plan and determine whether to provide an extension of time in which the tax stamps must be affixed after the distributor receives the cigarettes. The comptroller may not unreasonably withhold an extension of time.

(d) A plan for achieving compliance that is submitted to the comptroller under Subsection (c) is confidential and not subject to Chapter 552, Government Code.

Sec. 154.043. SALE OF STAMPS. Except as provided in Section 154.044 of this code, only the comptroller may sell cigarette stamps. The stamps may be sold only in quantities made available by the comptroller. The purchaser shall place the order for stamps directly with the comptroller.

Sec. 154.044. PURCHASE FROM A DISTRIBUTOR. (a) If a distributor does not possess sufficient unused stamps to cover the distributor's inventory of unstamped cigarettes, the comptroller may allow the distributor to purchase the required stamps from any distributor through a requisition from the comptroller so that the unstamped cigarettes may be stamped immediately under the direction of the comptroller.

(b) The comptroller may issue the requisition. The requisition shall be in triplicate on a form prescribed by the comptroller. The copies shall be designated "original," "duplicate," and "triplicate." The comptroller shall keep the original and send the duplicate to the purchaser and the triplicate to the seller. The purchaser and seller shall keep their respective copies available at all times for four years for inspection by the comptroller and the attorney general.

Sec. 154.045. RECALL BY COMPTROLLER. (a) The comptroller may recall unused stamps.

(b) If the comptroller recalls stamps, the purchaser, on the comptroller's demand, shall surrender the stamps to the comptroller for exchange.

(c) If the comptroller recalls stamps and receives them from the purchaser, the comptroller shall issue stamps with different serial numbers for the recalled stamps.

Sec. 154.046. INVOICE FOR STAMPS. (a) The comptroller shall send an original invoice along with any stamps shipped to a distributor.

(b) The invoice shall be issued in duplicate and numbered consecutively. The invoice must show:

- (1) the date of sale;
- (2) the name and address of the distributor;
- (3) the number of stamps;
- (4) the serial numbers of the stamps; and
- (5) the denomination and value of the stamps.

(c) The distributor shall have the original invoice available at all times for four years for inspection by the comptroller and the attorney general.

Sec. 154.047. STAMPS SHIPPED WITH DRAFT ATTACHED. (a) A distributor may order stamps to be shipped to a bank with which the distributor regularly transacts business if the bank is a designated state depository under Section 404.022, Government Code. The comptroller may ship the stamps to the bank with the invoice required by Section 154.046 and a form draft.

(b) The comptroller shall prescribe the form of the draft. The draft must show:

- (1) the amount of the draft;
- (2) the name of the distributor;
- (3) the name and address of the bank; and
- (4) the date of shipment.

(c) If the draft is not paid within 20 days after the date of the draft, the bank shall return the draft and stamps to the comptroller. The comptroller shall notify the distributor to appear before the comptroller to show cause why the distributor should not be denied the privilege of ordering stamps shipped with draft attached. If the distributor fails to show good cause, the comptroller may stop shipping stamps with draft attached.

Sec. 154.050. PAYMENT. (a) The comptroller shall require that payment in full for stamps be made within 30 days after the date stamps and an accompanying invoice from the comptroller are received by the distributor, except that at the close of each biennium, payment for stamps purchased or received on or before August 31 of that fiscal year shall be made in full on or before August 31 of that fiscal year, providing that such payment be received in the office of the comptroller no later than August 31 of that fiscal year notwithstanding any other statute regarding tax due dates to the contrary.

(b) The comptroller may not ship stamps without advance payment under this section unless the distributor has satisfied all requirements imposed under Section 154.051.

(c) Payment for stamps must be made by cashier's check payable to the comptroller, electronic funds transfer to the comptroller, or any other method of payment authorized by the comptroller.

(d) The dishonor of a check delivered to the comptroller for payment of stamps constitutes a failure to pay the tax when due.

Sec. 154.051. CIGARETTE TAX RECOVERY TRUST FUND. (a) The cigarette tax recovery trust fund is a private trust fund established outside the state treasury and as provided by this section secures the payment of cigarette taxes by distributors who contribute to the fund. The fund is composed of the total amount in the separate accounts maintained in trust for all contributing distributors as provided by this section. The assets of the fund, including interest earned by those assets, are to be held in trust for the benefit and protection of the state treasury, and may not be diverted, distributed, or appropriated for any purpose other than as provided by this section. Interest earned by a distributor's account but not yet refunded to the distributor pursuant to Subsection (d) shall, on a monthly basis, be paid to the comptroller as provided by Subsection (b) or credited to the distributor's account.

(b) The comptroller is the trustee of the fund as provided by Section 404.073, Government Code, and shall manage the fund as provided by this section. In investing the assets of the fund, the comptroller has the obligations, duties, and powers provided for the investment of state funds by Sections 404.021 through 404.0245, Government Code. The comptroller shall receive five percent of the interest earned on all assets of the fund as compensation for serving as trustee of the fund.

(c) A distributor who orders stamps from the comptroller under this chapter without advance payment shall contribute to an account maintained in the distributor's name in the fund money in the amount of each allowance to which the distributor is entitled under Section 154.052. When the money in the distributor's account equals 20 percent of the designated amount of stamps requested by the distributor and approved by the comptroller to be purchased in any one month, the distributor's interest in the fund becomes vested.

(d) Except as provided by Subsection (g) of this section, on the last day of each quarter after the quarter in which a distributor's interest in the fund becomes vested, the comptroller

shall refund to the distributor all money contributed to the fund by the distributor under Subsection (c) of this section in the earliest preceding quarter for which a refund has not been paid, plus interest earned on that amount, as long as the distributor's interest in the fund remains vested.

(e) Until a distributor who orders stamps without advance payment acquires a vested interest in the fund, the comptroller may require the distributor to post with the comptroller an irrevocable letter of credit drawn in the form and amount specified by the comptroller to secure the payment of cigarette taxes by that distributor. The comptroller may not ship stamps to a distributor not having a vested interest in the fund without advance payment until the distributor posts the required letter of credit.

(f) In addition to any other requirement under this section, the comptroller as a condition for shipping stamps without advance payment may:

(1) require a fiscal-year-end financial statement, including a balance sheet and income statement verifiable as to its accuracy or other financial information acceptable to the comptroller and verifiable as to its accuracy;

(2) require indemnification from each officer, director, and stockholder owning 10 percent or more of outstanding stock, if the distributor is a corporation, from each partner, if the distributor is a partnership, from each member or owner of a joint venture or syndication, and from the owner of a sole proprietorship;

(3) require the distributor to obtain and provide the comptroller with a credit report from a credit reporting agency acceptable to the comptroller;

(4) require a distributor to increase the balance in its account in the fund;

(5) require a distributor to post a letter of credit;

(6) reduce a distributor's credit time or amount; or

(7) take any other reasonable and necessary action to protect the state treasury from loss due to the nonpayment of cigarette taxes.

(g) If a distributor who has an account in the fund fails to

pay in full a tax imposed by this chapter by the due date, the comptroller, without prior notice to the distributor or any other preliminary procedure, may seize any unaffixed stamps and any stamped cigarette packages, up to and including the full amount of unpaid tax. If the proceeds from the seizure do not satisfy the total tax deficiency or the comptroller does not seize any unaffixed stamps or stamped cigarette packages, the comptroller may withdraw immediately from the fund an amount equal to the amount of unpaid taxes due. The comptroller shall first withdraw the amount from the account of the defaulting distributor. The comptroller shall use the comptroller's best efforts to collect the tax due from the defaulting distributor before withdrawing money from the other accounts in the fund to satisfy the tax liability. If that distributor's account does not contain sufficient money to satisfy the tax liability in full, the comptroller shall withdraw the additional amount necessary to satisfy that liability from the other accounts in the fund in proportion to the balance of each account, except that the withdrawal from any other distributor's account in the fund is limited to an amount not greater than 50 percent of the designated amount of stamps requested by the distributor under Subsection (c) or of the amount required by the comptroller under Subsection (f)(4). Not later than the fifth day after the date of a withdrawal, the comptroller shall notify each distributor of the withdrawal from its account and the amount withdrawn. If as a result of a withdrawal made under this subsection a distributor's balance in its account is reduced to an amount less than the minimum required under this section, the distributor's interest in the fund is no longer vested, and the comptroller may discontinue refunds to the distributor under Subsection (d) until the distributor again acquires a vested interest in the fund. The comptroller may require a distributor whose interest in the fund is no longer vested to post an irrevocable letter of credit with the comptroller to secure the payment of cigarette taxes by the distributor. To protect the fund, each distributor having an account in the fund must indemnify the fund against any amount withdrawn from the fund under this subsection because of the failure of the distributor to pay in full

a tax imposed by this chapter by the due date.

(h) If distributor accounts, other than a defaulting distributor account, are drawn pursuant to Subsection (g), each affected, nondefaulting distributor shall have a claim against the defaulting distributor for the amount so drawn. The comptroller is hereby appointed trustee, agent, and assignee of each affected, nondefaulting distributor for purposes of seeking recovery of the amount so drawn. The comptroller shall have the sole judgment and discretion in deciding whether or not to pursue such a claim and shall have discretion to handle any such claim on any basis that in the opinion of the comptroller is in the best interest of the fund. The comptroller is released from any liability related to the handling of the claims described in this section except for intentional or wilful misconduct.

(i) A distributor or person authorized to act on behalf of a distributor may notify the comptroller in writing that the distributor no longer desires to have stamps shipped or a meter set without advance payment, and may request that the money in the distributor's account in the fund be paid to the distributor or the distributor's heirs or assigns. The comptroller shall pay the money in the distributor's account as requested at the end of the next quarter after all outstanding taxes owed to the state by the distributor have been paid.

(j) Under no circumstances shall the comptroller return to any distributor an amount greater than the balance in the distributor's account within the cigarette tax recovery trust fund less any sums drawn pursuant to Subsection (g). The State of Texas' liability to any distributor pursuant to this section is expressly limited to the sums on deposit in the distributor's account at the time the request for return of funds is made.

(k) The comptroller may adopt and enforce rules necessary to carry out this section.

(l) For purposes of this section, "quarter" refers to a quarter of the state's fiscal year.

(m) Information provided under Subsection (f) is confidential and not subject to Chapter 552, Government Code.

(n) The comptroller shall regularly distribute financial

information regarding the performance of the fund to participating distributors on a regular basis. On the written request of a participating distributor, the comptroller shall provide the distributor with the name and address of each distributor participating in the fund, the percentage of the total fund represented by each distributor's account, and the total amount of money in the fund.

(o) In lieu of participation in the cigarette tax recovery trust fund to secure payment for stamps and in lieu of advance payment for stamps, a distributor may pledge to the comptroller sufficient collateral to secure payment for stamps. Such pledge shall be evidenced by a pledge agreement in a form promulgated by the comptroller, and such collateral shall consist of certificates of deposit, treasury notes, treasury bills, or other similar types of collateral acceptable to the comptroller and held in a separate trust fund established in the Texas Treasury Safekeeping Trust Company. All interest earned on such collateral shall belong to the distributor. The comptroller may require the pledge of additional collateral in the event the comptroller determines that the fair market value of the pledged collateral is less than the amount due the comptroller for stamps. On the written request of the distributor, the comptroller shall release collateral from the pledge agreement or allow the substitution of collateral subject to the pledge agreement if after such release or substitution the fair market value of the collateral subject to the pledge will be equal to or greater than the amount due the comptroller for stamps. If a distributor fails to pay tax in full when due, the comptroller may, if the distributor does not pay such past due tax and any penalty related thereto within three days after receipt of written notice of such failure from the comptroller, sell or dispose of the collateral and apply the proceeds to the payment of taxes, interest, penalties, and costs due to the comptroller by the distributor, with any remaining proceeds being refunded to the distributor.

Sec. 154.052. DISTRIBUTOR'S STAMPING ALLOWANCE. (a) A distributor is, subject to the provisions of Section 154.051, entitled to three percent of the face value of stamps purchased as a stamping allowance for providing the service of affixing stamps to cigarette packages, except that an out-of-state distributor is entitled to receive only the same percentage of stamping allowance as that given to Texas distributors doing business in the state of the distributor.

(b) If a distributor violates a provision of this chapter, the distributor is not entitled to receive a stamping allowance for the period of the violation. On a determination by the comptroller that the distributor is no longer in violation of a provision of this chapter, the distributor is entitled to receive a stamping allowance.

If the comptroller determines that it is necessary for the best enforcement of this chapter, the comptroller may change the design, color, or denomination of the stamps. The comptroller shall determine the size, design, color, or denomination, and quantity of stamps manufactured. The stamps shall be manufactured so that they may be easily and securely attached to an individual package of cigarettes. The comptroller may designate the method of identification for the stamps and shall award the contract for the

printing or manufacturing to the person submitting the bid that will give the best protection to the state in enforcing this chapter.

(b) The comptroller shall designate the date of issue of new stamps by issuing a proclamation. The date of the proclamation is the date of issue.

(c) The comptroller shall design and furnish stamps in a manner that permits identification of the person that affixed the stamp to the particular package of cigarettes by means of a number or other mark on the stamp. The comptroller shall maintain for at least four years the information identifying the person that affixed the stamp to each package of cigarettes.

(a) On the effective date of a tax increase, each distributor, wholesaler, and retailer who has 2,000 or more cigarettes in packages stamped with stamps of an old design, color, or denomination shall immediately inventory the packages and any unused stamps of an old design, color, or denomination and file a report of the inventory with the comptroller.

(b) Not later than the 30th day after the date of the

increase, each distributor, wholesaler, and retailer shall pay the amount of the additional tax due because of the tax increase by attaching to the inventory a cashier's check payable to the comptroller, by electronic funds transfer to the comptroller or by any other method of payment authorized by the comptroller.

(c) Each distributor, wholesaler, and retailer shall keep a copy of the inventory and must be able to document the method of payment used.

(3) of the date, time, and place of the hearing.

(c) The comptroller shall deliver the written notice by personal service or by mail to the permit holder's mailing address as it appears on the comptroller's records. Service by mail is complete when the notice is deposited with the U.S. Postal Service.

(d) The comptroller shall give the permit holder not less than 10 days' notice of a final hearing.

(a) The comptroller may suspend a person's permit without notice or a hearing for the person's failure to comply with this chapter or a rule adopted under this chapter if the person's continued operation constitutes an immediate and substantial threat to the collection of taxes imposed by this chapter and attributable to the person's operation.

(b) If the comptroller summarily suspends a person's permit, proceedings for a preliminary hearing before the comptroller or the comptroller's representative must be initiated simultaneously with the summary suspension. The preliminary hearing shall be set for a date not later than 10 days after the date of the summary suspension, unless the parties agree to a later date.

(c) At the preliminary hearing, the permit holder must show cause why the permit should not remain suspended pending a final hearing on suspension or revocation.

(d) Chapter 2001, Government Code, does not apply to a summary suspension under this section.

(e) To initiate a proceeding to suspend summarily a person's permit, the comptroller shall serve notice on the permit holder informing the permit holder of the right to a preliminary hearing before the comptroller or the comptroller's representative and of the time and place of the preliminary hearing. The notice must be personally served on the permit holder or an officer, employee, or agent of the permit holder or sent by certified or registered mail, return receipt requested, to the permit holder's mailing address as it appears in the comptroller's records. The notice must state the alleged violations that constitute the grounds for summary

suspension. The suspension is effective at the time the notice is served. If the notice is served in person, the permit holder shall immediately surrender the permit to the comptroller or the comptroller's representative. (b) If the comptroller finds, after notice and an opportunity for a hearing as provided by this subchapter, that a permit holder has violated Subchapter H or K, Chapter 161, Health and Safety Code, at a place of business for which a permit is issued, the comptroller may suspend the permit for that place of business or administratively assess a fine as follows:

(1) if the permit holder has not been found to have violated Subchapter H or K, Chapter 161, Health and Safety Code, at that place of business during the preceding 12 months, the comptroller may require the permit holder to pay a fine in an amount not to exceed \$500;

(2) if the permit holder has been found to have violated Subchapter H or K, Chapter 161, Health and Safety Code, at that place of business once during the preceding 12 months, the comptroller may require the permit holder to pay a fine in an amount

not to exceed \$750; and

(c) Except as provided by Section 154.1143, if the permit holder has been found to have violated Section 161.082(b), Health and Safety Code, on four or more previous and separate occasions at the same place of business during the preceding 12 months, the comptroller shall revoke the permit.

(2) the employer requires its employees to attend a comptroller-approved seller training program;

(3) the employee has actually attended a comptroller-approved seller training program; and

This subsection applies only to a permit holder who employs at least 100 persons at any one time during the permit year who sell cigarettes or tobacco products.
