

## TOURS AT COLORADO BEND STATE PARK

### GORMAN FALLS

Guided tour to view Gorman Falls, an incredibly beautiful waterfall in a spectacular Hill Country setting on the Colorado River. Participants will drive their own vehicles in a caravan behind their guide for approximately seven miles from park headquarters to the Gorman area of the park and then hike to the base of the falls. From the trailhead, it is a one and one-half-mile, round-trip hike that is moderate until the last 40-50 yards. At this point, the trail becomes more difficult over the rocky, descending terrain. The tour lasts approximately two hours including drive time.
