

This file is continuously updated as soon as new construction reports are received. If a T-4 permit number is listed as 00000, it is not yet permitted or added to an existing permit. If the number is 99999, the system is distribution, which does not require a permit. Current through September 29, 2009 (none received yet)

*Typos corrected and permit numbers replace 00000 as discovered. Last revision 9/29/09
