

Name of Form:

Statement of Residence.

Section Reference:

Section 63.0011, Texas Election Code.

Purpose:

To allow voters whose names appear on the list of returned voter registration certificates or who have moved within the county of the election a means to vote and to correct addresses.

Number of Copies Required:

One.

Completed by:

The Voter and the Election Officer.

Filing Date:

Upon voting.

Filed with:

Returned to the Voter Registrar in Envelope No. 4 at the same time other election records are delivered to the general custodian of election records.

Comments:

The Voter Registrar corrects the registration records and issues the voter a new certificate.

Voter Registrar retains Statement of Residence on file with voter's registration application.

Voter Registrar is required to provide statements of residence forms to the general custodian of election records in a number equal to at least 10% of the voters in each precinct whose name appears on the list of returned certificates. When the return list is not in use, the voter registrar is required to provide the statements to the general custodian in reasonable quantities for all elections.

Two purposes for the Statement: (1) Voter marked suspense on list of registered voters. Voter votes in old precinct, if otherwise qualified after signing Statement of Residence. The length of time away from precinct is not a factor. (2) Within the same county, voter moves out of precinct and does not change address to new precinct. Voter votes in old precinct if moved. The voter must sign Statement of Residence before voting and must still live in the political subdivision as previous residence address.

If a voter, who is marked suspense on the return list of registered voters, is voting by mail, the statement has to be signed and returned, along with the mail ballot.

Current forms 9/05 and 5/08 are the same form except one is in Pagemaker and one is in Word.

INSTRUCTIONS FOR STATEMENT OF RESIDENCE

VOTING AT THE POLLING PLACE

The statement of residence is to be completed by all voters who have an "S" printed next to their name on the list of registered voters or for voters who no longer live in the precinct but continue to live in the county and the political subdivision conducting the election. Any voter that falls under this category must complete a statement of residence prior to voting. The election judge will return the completed statement of residence to the voter registrar in Envelope #4.

CONSTANCIA DE DOMICILIO PERMANENTE INSTRUCCIONES A SEGUIRSE EN LAS URNAS

Todo votante que en la lista de electores debidamente inscritos tenga la letra "S" impresa al lado de su nombre, o quien ya no radica dentro del mismo recinto electoral pero que aún vive dentro del mismo condado o jurisdicción política en que se están efectuando estas elecciones deberá completar una constancia de domicilio permanente. Por eso será necesario que antes de votar toda persona incluida en cualquiera de estas categorías complete una constancia de domicilio permanente antes de votar. El Juez de elección deberá colocar la constancia dentro del sobre #4.

VOTING BY MAIL:

The residence address on your application for ballot by mail does not match the residence address at which you are registered to vote or the voter registrar has received information which indicates that you may have moved; you must complete the enclosed statement of residence and return it in the carrier envelope with your marked (voted) ballot.

(If the statement of residence is not returned, your ballot will not be counted.)

Your statement of residence will be reviewed to determine that your permanent residence address is still in the political jurisdiction before your ballot is counted. The residence address on the application for ballot by mail must be the same as the residence address on the statement of residence. If you had your ballot mailed to a mailing address other than the mailing address on your voter registration, that address must match the mailing address on the statement of residence, unless your application for a ballot by mail stated that you are voting by mail under one of the following exceptions: (1) expected absence from the county and you have provided an out-of-county address; or (2) you are 65 or older; or you are disabled, and you have provided a mailing address to a hospital, nursing home, long term care facility, retirement center, or immediate relative; or (3) you are confined in jail, and you have provided the mailing address of the jail or to an immediate relative. If none of the above exceptions apply, and the mailing address on this statement of residence does not match the mailing address on your application for ballot by mail, your ballot will not be counted. The statement of residence will be forwarded to the voter registrar to change your voter registration records. You will be mailed a new voting certificate indicating your new precinct (if applicable) and residence address.

You must sign the card. If you have any question you may call _____.

SI VOTA POR CORREO:

Ya que su solicitud de una boleta electoral postal contiene un domicilio o dirección permanente distinto al domicilio bajo cual está inscrito a votar, o ya que la Oficina del Registro Electoral tiene información que indica que usted se ha mudado; será necesario que complete la Constancia de domicilio permanente aquí incluida, y que la devuelva con su boleta electoral completada (o sea, en la que ha marcado su voto) en el sobre proporcionado.

Si no nos envía la Constancia de domicilio permanente, su voto no se incluirá en el conteo final.

Antes de incluir sus votos en el conteo final, se verificará que su nuevo domicilio permanente aún queda dentro de la jurisdicción apropiada. Siempre y cuando no califique bajo una de las excepciones anotadas a continuación, el domicilio postal indicado en la solicitud de una boleta postal, tiene que ser el mismo que aparece en la Constancia de domicilio permanente. Estas excepciones incluyen: (1) si el solicitante estará fuera del condado y ya ha proporcionado un domicilio postal ubicado fuera del condado; (2) si el votante tiene un mínimo de 65 años de edad; si es minusválido y se ha proporcionado una dirección que corresponde a un hospital, centro de cuidados de enfermería, centro de cuidados médicos a largo plazo, comunidad de jubilados u hogar de un familiar inmediato o (3) si está encarcelado y ya ha proporcionado el domicilio de la cárcel en que está encarcelado o el de un familiar inmediato. Si no califica bajo cualquiera de estas excepciones, y si el domicilio postal indicado en esta Constancia de domicilio permanente no concuerda con el domicilio indicado en su solicitud de una boleta postal, sus votos no se incluirán en el conteo final. Esta Constancia será enviada a las Oficinas del Registro Electoral para que las actas de inscripción electoral sean modificadas y Ud. recibirá una cédula electoral nueva que indicará el número de su nuevo recinto electoral, si esto fuera a cambiarse, y su nuevo domicilio permanente.

Es necesario que firme la tarjeta
