

Name of Form:

Envelope for Ballot and Seal Certificate.

Section Reference:

Section 127.156, Texas Election Code.

Purpose:

To provide security of the record.

Number of Copies Required:

One.

Completed by:

Presiding Judge.

Filing Date:

After certificate is complete.

Filed with:

General Custodian of election records.

Comments:

The general custodian must immediately open the envelope and examine the ballot and seal certificate to determine if the difference between the number of counted ballots and the number of voted ballots is more than three. If it is, the ballots are to be counted at a Central Counting Station.

Current form is 3/07.
