Insurance Requirement

As stated in the University of North Texas Health Science Center Student Handbook, "All students are required to have annual health insurance in effect to be in compliance with Health Science Center policy. Students have the right and option to choose any health insurance plan they feel is best suited to their needs."

Students are required to complete and file this confirmation with the Office of Student Affairs as part of their initial registration process. Failure to do so may nullify or preclude registration. Completion of the section below is required before returning the form to Student Affairs.

"I understand that all enrolled UNTHSC students are required to have and to maintain health insurance. I further understand and agree that I must have and maintain health insurance coverage on a continuing basis during my tenure as a student at UNTHSC. I further understand and agree that failure to have and maintain health insurance on a continuous basis during my entire tenure as a UNTHSC student may result in cancellation of my registration.

I hereby certify that I have a current health insurance policy."
