Project Certification as required by the American Recovery and Reinvestment Act of 2009

The Director of the Idaho Department of Environmental Quality hereby certifies that the loan application for the City of Tensed, DWSRF Loan #DW1006, has received full review and vetting required by law and the Department accepts full responsibility that the loan to the City of Tensed is an appropriate use of taxpayer funds pursuant to the American Recovery and Reinvestment Act (ARRA).

The loan to the City of Tensed consists of water system improvements including well pump upgrades (new booster pump to address low pressure), treatment enhancements for iron and manganese removal, chlorination, well house construction, a new generator, reservoir improvements and distribution and flushing improvements

The project is estimated to cost a total of \$500,000 and will be funded with ARRA monies.
