Financial and Activity Report (sheet 2 of 2)

Major Completed Actions (Short bulleted list of the major actions taken to date.)	Major Planned Actions (Short bulleted list of the major planned actions)
Employment and Training Administration (ETA)	
The Secretary of Labor had a phone conversation on May 14, 2009, with the Governor of New York, David Paterson, to congratulate him on approval of his state's share of approximately \$137.6M of the \$7 billion UI Modernization special distribution.	The Employment and Training Administration (ETA) is currently reviewing applications from the District of Columbia, Nevada, Ohio, Oregon, Vermont, and Washington State for their initial 1/3 shares, from Connecticut for its 2/3rds share, and from Georgia, Idaho and Iowa for its 100 percent share of Unemployment Insurance (UI) Modernization incentive payments.
ETA issued Training and Employment Notice, TEN 44-08 -- American Recovery and Reinvestment Act of 2009 Competitive Grants for Green Job Training.	Recovery Act State and Local Workforce Investment Board Readiness Reviews are well underway across the regions. The reviews will continue throughout the month of May. The results of the consultations will help inform ETA of specific technical assistance needs required for states and local areas to successfully implement Recovery Act-funded programs.
ETA issued Training and Employment Guidance Letter, TEGL 23-08 informing the workforce system about the Petition Form for the Trade Adjustment Assistance Program Including a version in Spanish.	A Memorandum of Understanding (MOU) is currently under development to establish collaborative relationship between the General Services Administration and the Department of Labor. This MOU will help facilitate the establishment of certified pre-apprenticeship and registered apprenticeship programs in accordance with the provisions of the Recovery Act.
ETA issued Training and Employment Guidance Letter TEGL 22-08 -- Operating Instructions for Implementing the Amendments to the Trade Act of 1974 Enacted by the Trade and Globalization Adjustment Assistance Act of 2009.	ETA anticipates receiving up to 400 resubmitted Trade Adjustment Assistance (TAA) petitions and will begin conducting investigations to coincide with the expanded certification process beginning May 18.
	ETA continues to finalize the release of several Recovery Act-related Training and Employment Guidance Letters in the coming two weeks: Use of Health Coverage Tax Credit Funds made available by the Recovery Act; Performance Accountability for the Recovery Act; Recipient Reporting Requirements under Section 1512 of the Recovery Act; National GPRA Performance Goals adjusted for variations in the Unemployment Rate; and operating Instructions for implementing the amendments to the Trade Act of 1974 enacted by the Trade and Globalization Adjustment Assistance Act of 2009.
Employee Benefits Security Administration (EBSA)	
EBSA continues to respond to over 1,100 COBRA inquiries on a daily basis. There have been almost 74,000 since the enactment of the ARRA.	EBSA anticipates that most of the ARRA temporary staffing will be on board by May 25th. Beginning May 19th, an extensive training program will be provided to current and new ARRA Benefits Advisor staff in the EBSA field offices.
EBSA now has over 32,700 subscribers to www.dol.gov/cobra who will receive automatic notices of new or updated COBRA announcements with over 1,110,000 total visitors since enactment of the Recovery Act.	
Employment Standards Administration (ESA)	
ESA completed its ARRA Risk Management Plan designed to identify, measure and mitigate certain events and/or situations that have the potential to prevent the successful implementation of the ARRA.	
OLMS has received 10 ARRA grants from the Federal Transit Administration to process for employee protections under Section 5333(b) of 49 U.S.C.	
Office of the Inspector General (OIG)	
The OIG held an entrance conference on May 12, 2009 with the Employee Benefits Security Administration (EBSA) to initiate its audit on the COBRA provisions in the American Recovery and Reinvestment Act of 2009. The audit's objective is to determine if EBSA has adequately planned and implemented COBRA provisions under ARRA.
