Financial and Activity Report (sheet 2 of 2)

Major Completed Actions (Short bulleted list of the major actions taken to date.)	Major Planned Actions (Short bulleted list of the major planned actions)
Employment and Training Administration (ETA)	
<p>March 15, 2010, Secretary of Labor Hilda L. Solis announced approximately \$1.2 million in available grant funds authorized by the Recovery Act from the dislocated workers assistance national reserve. A solicitation for grants announcement also appeared in the <i>Federal Register</i>. One to four projects will be funded to provide technical assistance and outreach to dislocated workers impacted by foreign trade.</p>	<p>On March 17, 22, and 23, 2010, ETA will conduct conference calls for four of the Recovery Act Green Jobs Competitive Grants. The live conference calls will allow grantees to ask questions regarding the orientation PowerPoint presentations and share some information about their grant-funded projects. During the calls, grantees will receive updates about issues of importance to the programmatic aspects of their grants such as performance reporting, ETA processes and procedures, evaluation, and technical assistance. There will be an opportunity for grantees to participate through a facilitated question and answer session and an open dialogue forum.</p>
<p>On March 2, 2010, President Obama signed into law the “Temporary Extension Act of 2010,” which extends Emergency Unemployment Compensation (EUC), the Federal Additional Compensation (FAC) programs as well as full funding for the Extended Benefits (EB) program. The extension is effective through April 5, 2010. There will be no “gap” in eligibility for EUC, FAC, and EB benefits. As a result, EB will remain payable in those states that had enacted temporary Total Unemployment Rate (TUR) triggers tied to full Federal funding for the EB program. The EUC program and other Recovery Act programs begin to phase out on April 5, 2010, as the Temporary Extension Act of 2010 provided only a five-week extension of these programs.</p>	<p>Atlanta Region III staff will conduct a regional review of Recovery Act, Labor Market Information and Migrant and Seasonal Farm Worker (MSFW) activities in several Georgia local areas over the next three months.</p>
<p>Federal law currently provides for 100% Federal sharing for benefit costs under the Federal-State EB program for weeks of unemployment beginning before April 5, 2010. As a result, states that have linked the expiration of their EB Total Unemployment Rate (TUR) trigger to the termination of 100% Federal sharing for EB will soon have their triggers end and may soon cease to be in an EB period.</p>	<p>Chicago Region V staff will begin its comprehensive review of all ETA-funded programs, including Recovery Act programs, in Ohio. The review will take about 6 weeks to complete and will include Region V staff representing all major program areas.</p>
<p>New York’s total unemployment rate (TUR) expired on March 7, 2010, and absent additional state or Federal enactments, New York’s EB payable period will conclude on April 5, 2010.</p>	<p>ETA continues to finalize the release of Recovery Act-related advisories: Training and Employment Notice (TEN) on intent to change reporting requirements for the Workforce Investment Act Standardized Record Data; and Training and Employment Guidance Letter (TEGL) on the use of Health Coverage Tax Credit (HCTC) funds made available by the Recovery Act.</p>
<p>Absent additional state or Federal enactments, the following states will have their TUR trigger expire on March 13, and have their EB payable period conclude on April 10, 2010: Alabama, Colorado, Delaware, Indiana, Missouri, South Carolina, Tennessee, Texas, and West Virginia. Note that Idaho and Pennsylvania will also have their TUR triggers sunset but they currently meet the Insured Unemployment Rate (IUR) trigger criteria to remain “on” in the EB program, so their EB periods would continue until they fail to meet the criteria to be triggered “on.”</p>	<p>On March 17, 2010, ETA released Occasional Paper 2010-03, <i>Reinvesting in America’s Youth: Lessons from the 2009 Recovery Act Summer Youth Employment Initiative</i>. The release of the paper was communicated to the public workforce system through Training and Employment Notice No. 33-09. The report found that the 2009 Recovery Act Summer Youth Employment Initiative was largely successful in connecting young workers with employment experiences. Overall, 317,000 young people took part in the initiative. The report, developed by Mathematica Policy Research and funded by the Department of Labor, analyzes monthly performance data submitted to the Department and looks closely at the experiences of 20 select local areas.</p>
<p>The following states will have their TUR trigger expire on March 20, and have their EB payable period conclude on April 17, 2010: Arizona, the District of Columbia, Georgia, Illinois, Kentucky, Maine, Ohio, and Virginia. Note that California, Nevada and Wisconsin will also have their TUR triggers sunset but they currently meet the IUR trigger criteria to remain “on” in the EB program, so their EB periods would continue until they fail to meet the criteria to be triggered “on.”</p>	<p>On March 19, 2010, the U.S. Department of Labor announced a \$4,847,959 grant to provide an estimated 1,500 jobless workers in Washington state with partial premium payments for health insurance coverage. Awarded to the Washington State Employment Security Department, this grant will be used to make “gap filler” payments for unemployed individuals who are receiving Trade Adjustment Assistance benefits and are eligible for the Health Coverage Tax Credit program. Under the program, eligible individuals can receive 80 percent of premium costs for qualified health insurance programs. These payments cover the gap period, that is, the month(s) to complete Internal Revenue Service enrollment, processing and first payments under the HCTC program. The grant will be funded by resources made available for health coverage National Emergency Grants under the American Recovery and Reinvestment Act of 2009.</p>
<p>New state unemployment rates will be released the week of March 15 - 19, 2010 and any resulting changes will be incorporated into the appropriate trigger notices.</p>	<p>On March 19, 2010, the U.S. Department of Labor announced an \$8,197,664 Regional Economic Impact National Emergency Grant to assist dislocated workers in California’s San Joaquin Valley. This grant will provide the California Central Valley Workforce Collaborative with the flexibility to serve workers affected by projected layoffs occurring within this region during the grant’s 12-month period of performance. An estimated 1,439 workers in central California will be served through this grant. The grant will focus on providing training and transition services to workers impacted by a three-year drought and widespread layoffs resulting from the economic downturn. Funding will help workers prepare for careers in growing areas of the regional economy including agribusiness, renewable energy, supply chain logistics, health care and advanced manufacturing. The grant will be funded by resources made available for National Emergency Grants under the American Recovery and Reinvestment Act of 2009.</p>
<p>ETA continues to make determinations for petitions submitted since the 2009 Trade Adjustment Assistance (TAA) amendments mandated in the Recovery Act took effect on May 18, 2009. As of March 12, 2010, 2,820 determinations have been made on cases received under the 2009 Amendments.</p>	
<p>Office of Management and Budget (OMB) approval of the Department’s proposed performance reporting package for the Recovery Act Green, Health Care, and Other High Growth Industries grantees is anticipated by March 24. Once approved, grantees will follow the form and instructions in this package to provide data on the demographics, services received, and outcomes of the individuals they serve.</p>
