Financial and Activity Report (sheet 2 of 2)

Major Completed Actions (Short bulleted list of the major actions taken to date.)	Major Planned Actions (Short bulleted list of the major planned actions)
<p>On March 29, 2010, ETA conducted a conference call for grantees of the Health Care Sector and Other High Growth and Emerging Industries Grants funded by the Recovery Act. The call allowed grantees to participate in question and answer segments on programmatic aspects of their grant awards, receive updates on topics such as performance reporting and learn about technical assistance resources available to grantees.</p>	<p>ETA's Atlanta Regional Office will conduct a regional review of Recovery Act, Labor Market Information and Migrant and Seasonal Farm Worker activities in several Georgia local areas over the next three months.</p>
<p>The Atlanta Regional Office is conducting a review of the Florida Workforce Agency the weeks of March 29-April 2 and April 5 – 9, 2010. The review includes Workforce Investment Act and Wagner-Peyser formula and Recovery Act activities as well as Workforce Opportunity Tax Credit, Reemployment and Trade program activities. In addition to the review of the Florida Workforce Agency, on-site visits will be made to four regional workforce areas and five One-Stop Career Centers.</p>	<p>The Dallas Regional Office will be conducting a Recovery Act Dislocated Worker, Adult and Youth review and a Work Opportunity Tax Credit review in Pierre and Aberdeen, South Dakota from April 12-16, 2010.</p>
<p>On March 2, 2010, President Obama signed into law the "Temporary Extension Act of 2010," which extends Emergency Unemployment Compensation (EUC), the Federal Additional Compensation (FAC) programs as well as full funding for the Extended Benefits (EB) program. The current expiration date for the EUC, FAC, and EB provisions is April 5, 2010. The House passed a four-week extension of these provisions on March 17. The Senate did not pass this extension before it recessed on March 26. Congress' two-week recess will last until April 12 – one week after the EUC, FAC, and EB provisions expire. As a result, unemployed workers will begin to lose eligibility for EUC, and in many states, for EB effective the week ending April 10. ETA has prepared a document for Congressional staff explaining the consequences if there is a gap between the current expiration and the effective date of a new law.</p>	<p>The Atlanta Regional Office will participate in a Recovery Act Federal Interagency Partnership meeting on April 16, 2010 in Atlanta, Georgia.</p>
<p>Federal law currently provides for 100% Federal sharing for benefit costs under the Federal-State EB program for weeks of unemployment beginning before April 5, 2010. As a result, states that have linked the expiration of their EB TUR trigger to the termination of 100% Federal sharing for EB will soon have their triggers end and may soon cease to be in an EB period.</p>	<p>The Atlanta Regional Office will convene a Discretionary Grantees Training Forum in Atlanta, Georgia from April 26-29, 2010. A special one-day session on Green Jobs will precede the Forum on April 25.</p>
<p>With the release of states' Total Unemployment Rates (TUR) by the Bureau of Labor Statistics on March 26, 2010, New Mexico's three-month average seasonally adjusted TUR has met or exceeded the 8.5% threshold to trigger "on" to a High Unemployment Period (HUP) within the EUC program and to gain access to the Fourth Tier of EUC. New Mexico's first payable week in the Fourth Tier of EUC will be the week beginning April 11. The Virgin Islands concluded its payable period in the third tier of EUC effective March 27.</p>	<p>The Chicago Regional Office will begin its comprehensive review of all ETA-funded programs, including Recovery Act programs, in Ohio. The review will take about 6 weeks to complete.</p>
<p>New York's TUR expired on March 7, 2010, and absent additional state or Federal enactments, New York's EB payable period will conclude on April 4. The following states had their TUR triggers expire on March 20 and will have their EB payable period conclude on April 17: Arizona, the District of Columbia, Georgia, Illinois, Kentucky, Maine, Ohio, and Virginia. Note that California, Nevada, and Wisconsin also had their TUR triggers sunset but they currently meet the Insured Unemployment Rate (IUR) trigger criteria to remain "on" in the EB program, so their EB periods will continue until they fail to meet the criteria to be triggered "on."</p>	<p>The Chicago Regional Office will conduct a two-day YouthBuild learning exchange in Chicago on May 26-27, 2010. The event will provide an opportunity for grantee staff to learn green construction techniques and solar panel installation through hands-on exercises. The Recovery Act provided \$50 million to expand and enhance YouthBuild nationwide as well as funding \$500 million in Green Job competitive grant opportunities some of which went to YouthBuild sites.</p>
<p>Absent additional state or Federal enactments, the following states will have their EB payable period conclude on April 10, 2010: Alabama, Colorado, Delaware, Indiana, Missouri, South Carolina, Tennessee, Texas, and West Virginia. Note that Idaho and Pennsylvania will also have their TUR triggers sunset but they currently meet the IUR trigger criteria to remain "on" in the EB program, so their EB periods would continue until they fail to meet the criteria to be triggered "on."</p>	<p>The San Francisco Regional Office is planning a Recovery Act Green Jobs/Health Care new grantee orientation for June 2010 in the San Francisco bay area.</p>
<p>ETA continues to make determinations for petitions submitted since the 2009 Trade Adjustment Assistance amendments mandated in the Recovery Act took effect on May 18, 2009. As of March 26, 2010, 3,036 determinations have been made on cases received under the 2009 Amendments.</p>	
<p>On March 29, 2010, the Department of Labor announced a \$13,614,919 grant to assist about 2,817 workers affected by layoffs at multiple companies in Wisconsin, primarily in the manufacturing sector. Of the \$13.6 million total award, \$5 million will be released initially. For those workers eligible for Trade Adjustment Assistance (TAA), this grant will provide access to "wrap-around" and supportive services, such as dependent care and transportation assistance, not otherwise available through the TAA program. Those workers who are not eligible for TAA will also have access to the full array of training and employment-related services under this grant. A recent study shows the state lost nearly 140,000 jobs – 66,000 of them in manufacturing – between December 2007 and July 2009. The award will be funded by resources made available for National Emergency Grants under the Recovery Act.</p>	

<p>Emergency Grants under the American Recovery and Reinvestment Act of 2009: On March 29, 2010, the Department of Labor also announced a \$1,700,000 grant to assist approximately 319 workers affected by layoffs from multiple companies in the southwest portion of Alabama. Of the \$1.7 million announced, \$867,015 will be released initially. The grant will be operated by the Alabama Workforce Investment Area and Mobile Works Inc. and will target workers affected by manufacturing and lumber industry layoffs as well as to serve workers from projected layoffs within the next year. The award will be funded by resources made available for National Emergency Grants under the Recovery Act.</p>	
<p align="center">Employee Benefits Security Administration (EBSA)</p>	
<p>EBSA continues to respond to hundreds of COBRA inquiries on a daily basis. There have been 209,930 since the enactment of the ARRA.</p>	
<p>EBSA now has 61,621 subscribers to www.dol.gov/cobra who will receive automatic notices of new or updated COBRA announcements with 2,741,872 total visitors since enactment of the ARRA.</p>	
<p>EBSA continues to receive applications for expedited review of COBRA premium subsidy denials bringing the cumulative total to 17,819.</p>
