Financial and Activity Report (sheet 2 of 2)

Major Completed Actions (Short bulleted list of the major actions taken to date.)	Major Planned Actions (Short bulleted list of the major planned actions)
Employment and Training Administration (ETA)	
Assistant Secretary Jane Oates joined Rep. George Miller (California, 7th District) on a tour of the Richmond BUILD III training facility in Richmond, CA. This pre-apprenticeship construction skills and green jobs training academy was developed to create employment and career opportunities for Richmond, Calif., residents and also to implement a strategy for reducing violence in the local community.	ETA will participate in a review of the EB program in Vermont during the week of May 10.
Assistant Secretary Jane Oates joined Rep. Barbara Lee (California, 9th District); Peralta Community College District Chancellor Elihu Harris; Laney College President Elnora Webb; College of Alameda President George Herring; and students at Laney College in Oakland, Calif. The group toured the college and discussed the role that training programs have played in connecting students with pathways to green jobs.	The Philadelphia Regional Office will conduct a comprehensive review of WIA and Wagner-Peyser programs, including Recovery Act, in the State of Maryland during the weeks of May 3-7 and May 17-21, 2010.
On May 4, 2010, ETA staff presented at the '2010 Good Jobs, Green Jobs' National Conference in Washington, DC. ETA staff presented at Youth Greening Workforce Development: Strategies and Programs for Youth and the Registered Apprenticeship and Green: Building the New Economy among other sessions at the conference.	The Philadelphia Regional Office is convening two Fiscal and Administrative Training sessions for Region 1 Discretionary Grantees, including Recovery Act-funded grantees, one in Boston and the other in New York City. The Boston session was held April 28-30, 2010, and the New York City session is scheduled for May 5-7, 2010. The training sessions are designed for discretionary grant staff responsible for fiscal and or administrative matters. Through oversight and technical assistance efforts, ETA has identified a number of common fiscal and administrative issues and concerns: this training will target those areas.
ETA conducted financial management training Webinars for Recovery Act Green Jobs Competitive Grantees on May 3 and 4, 2010. On May 3, Energy Training Partnership, Pathways Out of Poverty, and Healthcare and Other High Growth Industry grantees participated. On May 4, Green Capacity Building, State Labor Market Information, and State Energy Sector Partnership grantees participated.	The Philadelphia Regional Office will conduct a comprehensive review of WIA and Wagner-Peyser programs, including Recovery Act, in the State of Maryland during the weeks of May 3-7 and May 17-21, 2010.
Data from the third round of Recovery Act Section 1512 Recipient Reporting for the period January 1 through March 31 was published on Recovery.gov by the Recovery Accountability and Transparency Board (RATB) on April 30, 2010. ETA had 100% of its 644 grantees report on time through the FederalReporting.gov web portal.	The Philadelphia Regional Office will host the "Trade's Got A New Attitude" Conference on May 11-12, 2010 in Philadelphia. The conference will highlight the changes made to the Trade Adjustment Assistance program in 2009 by the Recovery Act, and serves as a follow up to last year's training. This conference is geared toward workforce development professionals, front line staff, and other stakeholders.
Per the Office of Management and Budget's (OMB) request, ETA has updated its Program-Specific Recovery Act Plans. ETA's updates were submitted to the Departmental Center for Program, Planning and Results on May 4, 2010 for clearance and submission to OMB by May 15, 2010. The Recovery Act Plans are published on Recovery.gov and the DOL Recovery page to demonstrate that individual program goals are being achieved.	The Chicago Regional Office will conduct a two-day YouthBuild learning exchange in Chicago on May 26-27, 2010. The event will provide an opportunity for grantee staff to learn green construction techniques and solar panel installation through hands-on exercises.
The Emergency Unemployment Compensation (EUC) program, the Federal Additional Compensation (FAC) program, and Extended Benefits (EB) provisions begin to phase out on June 2, 2010. The Continuing Extension Act of 2010 extended these programs by only 9 weeks. OUI will continue to monitor Congressional activities related to additional EUC extensions.	The San Francisco Regional Office is planning a Recovery Act Green Jobs/Health Care new grantee orientation for June 2010 in the San Francisco Bay area.
Federal law currently provides for 100% Federal sharing for benefit costs under the Federal-State EB program for weeks of unemployment beginning before June 2, 2010. As a result, states that have linked the expiration of their EB Total Unemployment Rate (TUR) trigger to the termination of 100% Federal sharing for EB will soon have their triggers end and may soon cease to be in an EB period, even with the most recent extension.	On May 6, 2010, The Department of Labor announced a \$5,527,108 grant to continue to assist about 1,789 dislocated workers currently receiving intensive services and training from the state of Minnesota, as well as to serve those on waiting lists due to statewide funding shortages. Awarded to the Minnesota Department of Employment and Economic Development, the grant will provide the state with additional dislocated worker funding to provide affected workers with access to dislocated worker services. These services may include skills assessment, basic skills training, individual career counseling and occupational skills training. This grant will be funded by resources made available for National Emergency Grants under the Recovery Act.
<p>Absent additional state or Federal enactments, the following changes will take place in the coming weeks:</p> <ul style="list-style-type: none"> o The following states will have their TUR trigger expire on May 8, and have their EB payable period conclude on June 5, 2010: Alabama, Colorado, Delaware, Idaho, Indiana, Kentucky, Missouri, Ohio, Pennsylvania, South Carolina, Tennessee, Texas, and West Virginia. o New York will have its TUR trigger expire on May 9, and have its EB payable period conclude on June 6, 2010. o The following states will have their TUR trigger expire on May 15, and have their EB payable period conclude on June 12, 2010: Arizona, California, the District of Columbia, Georgia, Illinois, Maine, Nevada, Virginia, and Wisconsin. o Massachusetts will have its TUR trigger expire on May 29, and have its EB payable period conclude on June 26, 2010. o Michigan will have its TUR trigger expire on June 5, and have its EB payable period conclude on July 3, 2010. 	On May 6, 2010, the Department of Labor announced a \$459,844 grant to assist about 80 workers affected by layoffs at Cleanpak International Inc. in Clackamas, Oregon. Awarded to the Oregon Department of Community Colleges and Workforce Development, this grant will be operated by the Workforce Investment Council of Clackamas County. The grant will provide these dislocated workers, all of whom are also certified as eligible for Trade Adjustment Assistance, with access to "wrap-around" and supportive services, such as dependent care and transportation assistance, which are not available through the TAA program. This grant will be funded by resources made available for National Emergency Grants under the Recover Act.
The Recovery Act provided for a special distribution of \$7 billion in Unemployment Compensation (UC) modernization incentive payments to states. On May 6, 2010, the Department of Labor certified for release \$126,750,124 in UC modernization incentive funds to the state of Maryland. Maryland qualified for its full share of the funds available under the Recovery Act by adding new provisions to its UI law that assist recent entrants to the workforce, part-time workers and individuals who are upgrading their skills. In addition, four applications are under review: Utah's 1/3 share and Alaska, South Dakota and New Mexico's 2/3 shares of UIC Modernization incentive payments.	
ETA continues to make determinations for petitions submitted since the 2009 Trade Adjustment Assistance amendments mandated in the Recovery Act which took effect on May 18, 2009. As of April 30, 2010, 3432 determinations have been made on cases received under the 2009 Amendments.	
On May 5, 2010, the Department of Labor announced a \$2,635,901 grant to assist about 613 workers affected by layoffs at Northwest Airlines in Eagan, Minn. Awarded to the Minnesota Department of Employment and Economic Development, this grant will be operated by Dakota-Scott Workforce Services. The grant will provide affected workers with access to dislocated worker services. These services may include skills assessment, basic skills training, individual career counseling and occupational skills training. This grant will be funded by resources made available for National Emergency Grants under the Recovery Act.	
Employee Benefits Security Administration (EBSA)	
EBSA continues to respond to hundreds of COBRA inquiries on a daily basis. There have been 220,000 since the enactment of the ARRA.	

EBSA now has 64,200 subscribers to www.dol.gov/cobra who will receive automatic notices of new or updated COBRA announcements with 2,925,000 total visitors since enactment of the ARRA.	
EBSA continues to receive applications for expedited review of COBRA premium subsidy denials bringing the cumulative total to 19,176.
