**Financial and Activity Report (sheet 2 of 2)**

Major Completed Actions (Short bulleted list of the major actions taken to date.)	Major Planned Actions (Short bulleted list of the major planned actions)
<b>Employment and Training Administration (ETA)</b>	
<p>ETA staff participated in a review of the Federal Additional Compensation (FAC) program in Indiana during the week of June 21 and will participate in a FAC/Benefit Payment Control review in Utah during the week of June 28. Staff participated in Extended Benefits reviews in Pennsylvania during the week of June 21 and will participate in Florida during the week of June 28.</p>	<p>On June 29, 2010, ETA is hosting a Webinar to provide an overview for the Recovery Act-funded High Growth and Emerging Industries (HGEI) grantees. Participants in this Webinar will learn the key elements of today's Registered Apprenticeship system and how Registered Apprenticeship can partner with HGEI grantees to develop programs that are responsive to the needs of both workers and employers and lead to portable industry credentials.</p>
<p>On June 25, 2010, ETA staff will meet with representatives of the Intergovernmental Organization (IGO) Collaborative to report on progress of the various technical assistance efforts the Collaborative has implemented to support public workforce system activities under the Recovery Act. IGO Collaborative partners include the National Governors Association Center for Best Practices, National Association of State Workforce Agencies, National Conference of State Legislatures, National Association of Workforce Boards, National Association of Counties, United States Conference of Mayors, and National League of Cities.</p>	<p>ETA National Office staff members are finalizing a national On-the-Job Training (OJT) National Emergency Grant (NEG) Webinar for new grantees. They will also conduct an internal Webinar for Federal Project Officers on July 1, 2010.</p>
<p>The Emergency Unemployment Compensation (EUC) program, the Federal Additional Compensation (FAC) program, and Extended Benefits (EB) provisions began to phase out on June 2, 2010, under the Continuing Extension Act of 2010. ETA continues to monitor Congressional activities related to EUC extensions.</p>	<p>The Philadelphia Regional Office has been working with the Commonwealth of Pennsylvania to replicate a successful all-state grantee roundtable hosted in Philadelphia at the Recovery Act Mid Year Review. The Commonwealth is inviting all USDOL discretionary grantees in the State, and all State-funded discretionary grantees to discuss coordination of services with the workforce system formula programs. <u>The meeting will take place on July 20, 2010.</u></p>
<p>Since the EUC law expired on June 2, the last date eligibility could be established for new participants was May 22, 2010. Under the phase-out provisions, claimants may receive their remaining entitlement for the EUC tier in which they are collecting, but they may not advance to the next tier.</p>	
<p>Alaska's three-month average seasonally-adjusted Total Unemployment Rate (TUR) has decreased to 8.4%, which is below the 8.5% threshold to remain "on" in the Fourth Tier of EUC; however, Alaska's Insured Unemployment Rate (IUR) remains above 6.0%. Should additional state or Federal enactments create a retroactive coverage period for EUC, Alaska would still be in a payable period for the Fourth Tier of EUC until such time as its IUR dipped below 6.0%.</p>	
<p>Federal law currently provides for 100% Federal sharing for benefit costs under the Federal-State EB program for weeks of unemployment beginning before June 2, 2010. As a result, states that have linked the expiration of their EB TUR trigger to the termination of 100% Federal sharing for EB are ceasing to be in an EB period.</p> <ul style="list-style-type: none"> <li>• Montana concluded its payable period in the EB program on June 19. Montana begins a 13-week mandatory "off" period. It had been triggered "on" due to its Insured Unemployment Rate (IUR) trigger; an extension of Federal enactments will have no effect on Montana's EB status.</li> </ul>	
<p>On June 18, the Bureau of Labor Statistics released new state total unemployment rates (TURs), resulting in the following:</p> <ul style="list-style-type: none"> <li>• Vermont has triggered "off" EB. Vermont's 3-month average seasonally-adjusted TUR has decreased to 6.4%, which is below the 6.5% threshold to remain "on." Its EB period will end the week ending July 10. An extension of Federal enactments will have no effect on Vermont's EB status.</li> <li>• Colorado has met the TUR criteria to be in a High Unemployment Period in the EB program. However, Colorado is currently "off" EB because its TUR trigger is tied to the termination of 100% Federal sharing. Should additional state or Federal enactments create a retroactive coverage period, Colorado would remain in an EB period and would begin a mandatory 13-week High Unemployment Period, beginning July 4.</li> </ul>	
<p>Absent additional state or Federal enactments, the following changes will take place:</p> <ul style="list-style-type: none"> <li>• Massachusetts' TUR trigger expired on May 29 and its EB payable period will conclude on June 26, 2010.</li> <li>• Michigan's TUR trigger expired on June 5 and its EB payable period will conclude on July 3, 2010.</li> </ul>	
<p>The Recovery Act provided for a special distribution of \$7 billion in Unemployment Insurance (UI) Modernization incentive payments to states.</p> <ul style="list-style-type: none"> <li>• Rhode Island's 1/3 share of its UI Modernization incentive payment was announced on June 15, 2010. ETA anticipates that Rhode Island will also submit an application for the final 2/3rds share of its UI Modernization payments. <ul style="list-style-type: none"> <li>• An application is pending for Nebraska for its full share of incentive payments.</li> </ul> </li> <li>• ETA expects to receive applications for full (100%) incentive payments from North Carolina and South Carolina. South Carolina recently enacted legislation that includes provisions related to the requirements for receiving 100% of UI Modernization incentive payments.</li> </ul>	
<p>ETA continues to make determinations for petitions submitted since the 2009 Trade Adjustment Assistance amendments mandated in the Recovery Act which took effect on May 18, 2009. As of June 18, 2010, 4,054 determinations have been made on cases received under the 2009 Amendments.</p>	
<p>The closing date for Recovery Act-funded National Emergency Grants On-the-Job Training (OJT) applications was May 24, 2010. The applications have been reviewed. An announcement of awards is expected on June 25, 2010.</p>	
<p>The fourth round of Recovery Act Section 1512 Recipient Reporting will begin on July 1, 2010, for the period April 1, 2010 through June 30, 2010. National and Regional Offices are providing technical assistance to grantees that will report on the FederalReporting.gov web site portal through July 10, 2010 and working closely with grantees to ensure that guidance issued by the Office of Management and Budget is correctly implemented. ETA staff will conduct quality reviews before performance data is made public on July 30, 2010.</p>	

<p>The Philadelphia Regional Office and National Office staff, along with leadership from the District of Columbia Department of Employment Services continues to provide technical assistance on the implementation of the District of Columbia's Summer Youth Employment Program. The District is expected to begin its summer program on June 28, 2010, enrolling 1,500 Recovery Act-funded youth plus 7,000 youth with Temporary Assistance for Needy Families (TANF) Recovery Act emergency funds in addition to approximately 21,000 youth served through other funding. The technical assistance includes implementing processes to train site supervisors, developing youth policies and procedures and ensuring the proper application of both eligibility determination and work readiness assessments.</p>	
<p>An ETA release was prepared to announce approximately \$75 million in On the Job Training National Emergency Grants. These are Recovery Act-funded grants. The release was issued Friday, June 25.</p>	
<p><b>Employee Benefits Security Administration (EBSA)</b></p>	
<p>EBSA continues to respond to hundreds of COBRA inquiries on a daily basis. There have been 235,000 since the enactment of the ARRA.</p>	
<p>EBSA now has 73,800 subscribers to <a href="http://www.dol.gov/cobra">www.dol.gov/cobra</a> who will receive automatic notices of new or updated COBRA announcements with 3,145,000 total visitors since enactment of the ARRA.</p>	
<p>EBSA continues to receive applications for expedited review of COBRA premium subsidy denials bringing the cumulative total to 20,935.</p>
