

## **Section 17: ARRA Direct Allocations to Local Governments** 10/28/2009

The ARRA includes certain of funding categories that provide direct distribution to local governments. This guidebook contains a county spreadsheet reflects that these provisions in all 100 counties:

### The Energy Efficiency and Conservation Block Grant

This program allocates \$37.4 million to the 32 largest cities and counties. These units are responsible for filing their plan of use with the U. S. Department of Energy.

### Community Development

This program allocates \$6.9 million to 25 large cities and counties. These local governments make the decision on use of these funds. Approximately \$12 million is allocated to other local governments by the state Division of Community Assistance through a competitive application process.

The 100 county spreadsheet reflects both the direct allocations and the other local government projects approved by the State.

### Homelessness Prevention

Of the \$29.1 million funded to North Carolina, \$6,920,919 is allocated directly to 8 large North Carolina cities and counties. They are each responsible for submitting a plan of use to HUD.

### Public Housing

The ARRA allocated \$83.4 million to all local Public Housing Authorities. These funds are intended to be used for repairs and renovations to existing housing units.
