**RE: ARRA CLEAN WATER AND DRINKING WATER CERTIFICATION OF FUNDED PROJECTS
STATE OF ARKANSAS**

Dear Mr. Dorfman:

Please accept this letter as the State of Arkansas certification that the Arkansas Natural Resources Commission has met the one year requirements ("February 17, 2010 requirements") under the Act for projects funded with the Clean Water and Drinking Water ARRA funds.

Attached are separate tables for the Clean Water and Drinking Water funds providing the recipient's name, total ARRA assistance received, date of assistance agreements and amount of ARRA funds under contract on or before February 17, 2010. The Clean Water table also includes the four percent (4%) administrative allowance the State requested. No set-asides were requested from the ARRA Funds for the Drinking Water program.

As indicated above and in the enclosed tables, the Arkansas Natural Resources Commission has met the February 17, 2010 requirements for the Clean Water and Drinking Revolving Loan Funds ARRA grants. All ARRA Funds were under contract before February 17, 2010 or accounted for as a set-aside.

I certify that all representations made in this certification, including the list of projects, amounts obligated, dates of assistance agreements and amounts of ARRA funds under signed contracts are true and correct to the best of my knowledge and belief.

Sincerely,

J. Randy Young, P.E.
Executive Director
