Vets 2 Feds Career Development Program
Information Technology - Student Internship

Apply between July 30 -August 13, 2012

- Are you a veteran searching for a career?
- Do you want more than just a job?
- Are you a student veteran currently enrolled in school?
- Are you using your VA or other educational benefits?
- Do you want to continue to serve your country?

If you answered "YES" to these questions, we may have a career for you!

The Vets to Feds (V2F) Career Development Program Information Technology (IT) Student Internship is sponsored by the Interagency Council on Veterans Employment. This program is designed to recruit and support the development of our Nation's Student Veterans for careers with the Federal Government. The program will offer you the opportunity to pursue valuable experience related to the Information Technology career field while pursuing your education. Interns who complete the program may transition into fulltime Federal positions.

This rigorous program includes:

- Leadership development
- Formal and informal training
- Challenging work assignments
- Potential for accelerated promotions
- Benefits package including salary, paid vacation, sick leave, health and life insurance, a retirement plan, a 401k equivalent plan, and paid federal holidays
