PROCEEDINGS AND DEBATES OF THE 112th CONGRESS, FIRST SESSION

Vol. 157

WASHINGTON, MONDAY, DECEMBER 5, 2011

No. 185

House of Representatives

The House met at noon and was called to order by the Speaker pro tempore (Mr. SIMPSON).

DESIGNATION OF SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
December 5, 2011.

I hereby appoint the Honorable MICHAEL K. SIMPSON to act as Speaker pro tempore on this day.

JOHN A. BOEHNER,
Speaker of the House of Representatives.

MORNING-HOUR DEBATE

The SPEAKER pro tempore. Pursuant to the order of the House of January 5, 2011, the Chair will now recognize Members from lists submitted by the majority and minority leaders for morning-hour debate.

The Chair will alternate recognition between the parties, with each party limited to 1 hour and each Member other than the majority and minority leaders and the minority whip limited to 5 minutes each, but in no event shall debate continue beyond 1:50 p.m.

UNITED STATES POSTAL SERVICE

The SPEAKER pro tempore. The Chair recognizes the gentleman from Oregon (Mr. DEFAZIO) for 5 minutes.

Mr. DEFAZIO. Later today, something stunning is going to happen that will catch many Americans by surprise. The so-called Postmaster General is going to announce details that will lead to the end of the United States Postal Service and universal postal delivery in this country.

This is an incredible blow to our economy. You're talking about closing processing centers. Let me just be specific. In my area, they're talking about

closing the Eugene/Springfield processing center. It means if I mail a letter from Springfield to Eugene, 6, 7 miles away, it will be carried by truck to Portland, Oregon, and then sorted there and then trucked back down sometime that week.

They're saying they will no longer guarantee 1-day or 2-day delivery on first-class mail. They're going to move to a guarantee of sometime. If you mail it on Wednesday it will be a minimum of three days till—oops, wait—we don't have Saturday delivery anymore under this plan. So, actually, you mail a letter on Wednesday or a bill on Wednesday, it won't get there until the next Monday.

They will drive more people to use the services that have cut into their revenues. But some people don't have that option, and some things are essential to commerce in this country. There are many, many businesses that will be affected by these delays, and in addition to the delays of prescription drugs or Netflix, mailing DVDs, or, you know, people buying things on eBay, Amazon.com—these things will flood over to UPS and to FedEx and further undermine their revenues.

This guy, this so-called Postmaster General, should be fired because of a lack of any imagination or initiative in proposing the death knell for the great United States Postal Service. With 100,000 people laid off, oh, that's just what we need in America today. Let's lay off 100,000 people. Great idea.

And then he's going to close local post offices. Let's talk about little Tiller, Oregon, in my district, 16 miles on a winding road subject to heavy rain, subject to black ice and snow in the wintertime to the next town, a generally elderly population and generally not very affluent.

These sorts of closures, which will save minuscule amounts of money for the post office, are going to be death knell blows to small rural communities across America.

Now, weekly periodicals: Get today's news next week, sometime. Yep, that's right, 7 to 9 days for your weekly periodicals. That's going to do a great thing for the remaining periodical industry. That's really, really special and, again, driving people to look for alternatives that will further undermine their revenues.

I don't think there could be a more shortsighted proposal. Now, there's plenty of blame to go around because this Congress has failed to act. The Postal Service overpaid \$7 billion into a Federal retirement account, but the Republicans are refusing to give the money back to the post office.

They'd rather lay off 100,000 people. They think somehow the private sector will take this over. Tell me, who in the private sector is going to deliver a letter for 45 cents to a small rural community 40 miles from the nearest or 100 miles from the nearest sorting facility? That's not going to happen. These people will be deprived of any meaningful service.

There are other critical reforms that could be undertaken short of dismantling, killing the United States Postal Service. If these proposals go forward and if this Congress continues to fail to act, and this guy gets to continue to put in place his dyspeptic vision of a future for the Postal Service—and the White House continues to be totally silent, absent from this debate, as they are so many—we will no longer have a United States Postal Service in this country.

That would be an incredible blow to our economy, to our future, and to the prestige of the United States of America. I guess we'll become the first developed nation on Earth without a postal service, just like we're the only developed industrial nation on Earth without universal health care.

We're the best.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until 2 p.m. today.

Accordingly (at 12 o'clock and 5 minutes p.m.), the House stood in recess until 2 p.m.

□ 1400

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. SIMPSON) at 2 p.m.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer:

Loving God, we give You thanks for giving us another day. At the beginning of a new day and another week, help us to discover the power of resting in You and receiving assurance and encouragement in Your amazing grace.

Send Your Spirit down upon the Members of the people's House who have been entrusted by their fellow Americans with the awesome privilege and responsibility of sustaining the great experiment of democratic self-government.

May they be reminded always of whom they are. May they be open to Your inspiration, that they might overcome the temptation to work through the issues of this day on their own strength and cleverness. Grant them wisdom, insight, and vision, that the work they do will be for the betterment of our Nation during a time of struggle for so many millions of Americans.

May they earn the trust and respect of those they represent, whether or not they had earned their vote, and make history that expands the great legacy of so many who have served in this Chamber before now, a legacy of noble service, sometimes political risk, but always great leadership.

May all that is done this day be for Your greater honor and glory.

Amen.

THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from South Carolina (Mr. WILSON) come forward and lead the House in the Pledge of Allegiance.

Mr. WILSON of South Carolina led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

THE SENATE MUST TAKE ACTION

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, last Friday the U.S. Bureau of Labor Statistics released its November jobs report citing the gruesome unemployment rate of 8.6 percent. This revelation marks the 34th straight month where the Nation's unemployment rate has remained at or above 8 percent. This is a tragedy for American families who do not have jobs or have given up looking for jobs.

House Republicans continue to remain focused on job creation, making the issue our number one priority. Since January, the House has submitted numerous bills, many with bipartisan support, to the Senate in hopes of passage, which will help put American families back to work. Just last week, the House passed three more commonsense bills, bringing the total number of job-creating bills awaiting action by the liberal Senate to 25.

I urge the Senate majority leader to bring any of the House jobs bills up for a vote and begin focusing on ways to promote job growth.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 3:30 p.m. today.

Accordingly (at 2 o'clock and 4 minutes p.m.), the House stood in recess until approximately 3:30 p.m.

□ 1531

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. SIMPSON) at 3 o'clock and 31 minutes p.m.

MESSAGE FROM THE SENATE

A message from the Senate by Ms. Curtis, one of its clerks, announced that the Senate has passed with an amendment in which the concurrence of the House is requested, a bill of the House of the following title:

H.R. 1540. An act to authorize appropriations for fiscal year 2012 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes.

The message also announced that the Senate insists upon its amendment to the bill (H.R. 1540) "An Act to authorize appropriations for fiscal year 2012 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe

military personnel strengths for such fiscal year, and for other purposes," requests a conference with the House on the disagreeing votes of the two Houses thereon, and appoints Mr. LEVIN, Mr. LIEBERMAN, Mr. REED, Mr. AKAKA, Mr. NELSON (NE), Mr. WEBB, Mrs. MCCASKILL, Mr. UDALL (CO), Mrs. HAGAN, Mr. BEGICH, Mr. MANCHIN, Mrs. SHAHEEN, Mrs. GILLIBRAND, Mr. BLUMENTHAL, Mr. MCCAIN, Mr. INHOFE, Mr. SESSIONS, Mr. CHAMBLISS, Mr. WICKER, Mr. BROWN (MA), Mr. PORTMAN, Mr. AYOTTE, Ms. COLLINS, Mr. GRAHAM, Mr. CORNYN, and Mr. VITTER, to be the conferees on the part of the Senate.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote incurs objection under clause 6 of rule XX.

Record votes on postponed questions will be taken later.

CALIFORNIA COASTAL NATIONAL MONUMENT CONSOLIDATION ACT

Mr. HASTINGS of Washington. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 944) to eliminate an unused lighthouse reservation, provide management consistency by incorporating the rocks and small islands along the coast of Orange County, California, into the California Coastal National Monument managed by the Bureau of Land Management, and meet the original Congressional intent of preserving Orange County's rocks and small islands, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 944

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. PRESERVATION OF ROCKS AND SMALL ISLANDS ALONG THE COAST OF ORANGE COUNTY, CALIFORNIA.

(a) CALIFORNIA COASTAL NATIONAL MONUMENT.—The Act of February 18, 1931, entitled "An Act to reserve for public use rocks, pinnacles, reefs, and small islands along the seacoast of Orange County, California" is amended by striking "temporarily reserved" and all that follows through "United States" and inserting "part of the California Coastal National Monument and shall be administered as such".

(b) REPEAL OF RESERVATION.—Section 31 of the Act of May 28, 1935, entitled "An Act to authorize the Secretary of Commerce to dispose of certain lighthouse reservations, and for other purposes" is hereby repealed.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Washington (Mr. HASTINGS) and the gentleman from New Mexico (Mr. LUJÁN) each will control 20 minutes.

The Chair recognizes the gentleman from Washington.

GENERAL LEAVE

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that

all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

Mr. HASTINGS of Washington. Mr. Speaker, I yield myself such time as I may consume.

H.R. 944, introduced by our colleague from California (Mr. CAMPBELL) will remove an unused lighthouse reservation currently in place for certain rocks and small islands along the coast of Orange County, California. The bill would add them to the California Coastal National Monument.

The lighthouse reservation has been in place since 1935 to provide locations for searchlights and other coastal defense equipment of that time. The bill will provide for the consistent management of geological features along the coast of Orange County.

I reserve the balance of my time.

Mr. LUJÁN. Mr. Speaker, I yield myself such time as I may consume.

(Mr. LUJÁN asked and was given permission to revise and extend his remarks.)

Mr. LUJÁN. H.R. 944 would correct a situation in which two acts from the 1930s are inadvertently preventing certain rocks, pinnacles, reefs, small islands, and lighthouses off the coast of Orange County from being included in the California Coastal National Monument.

In 2000 President Clinton created the California Coastal National Monument, which spans the entire 1,100 miles of the California coast and encompasses more than 20,000 small islands, rocks, exposed reefs, and pinnacles. However, the act designating the monument included only unreserved and unappropriated rocks and islands, and under the 1930s acts, these natural and cultural sites were reserved.

H.R. 944 would strike the reservation language in one act and repeal another act to provide that these areas finally be permanently protected as part of the California Coastal National Monument. Therefore, we support the passage of H.R. 944.

I reserve the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I am very pleased to yield such time as he may consume to the author of this legislation, the gentleman from California (Mr. CAMPBELL).

Mr. CAMPBELL. I thank the gentleman from Washington for yielding.

Mr. Speaker, the facts of the bill have been presented by both of the gentlemen speaking before me.

This bill actually passed the floor of this House by a vote of 397-4 in the last Congress. They simply ran out of time in the Senate; otherwise, I think it would be law today. So I appreciate everyone's indulgence with passing this bill off this floor again today, I hope.

It has been mentioned that this was from 1935. Of these rocks and small is-

lands, they originally thought, oh, we might put lighthouses there. Then they thought they might use them to help defend the California coast against Japanese submarines during World War II. Neither of those purposes is of much value anymore. So that's why, if we put this in the California Coastal National Monument, we will be able to preserve these rocks and islands and the sea life around them, and they will become a part of our environmental heritage going forward.

With that, I thank everyone for their assistance.

Mr. LUJÁN. Mr. Speaker, I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I urge the adoption of this bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, H.R. 944.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. LUJÁN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

FORT PULASKI NATIONAL MONUMENT LEASE AUTHORIZATION ACT

Mr. HASTINGS of Washington. Mr. Speaker, I move to suspend the rules and pass the bill (S. 535) to authorize the Secretary of the Interior to lease certain lands within Fort Pulaski National Monument, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

S. 535

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Fort Pulaski National Monument Lease Authorization Act".

SEC. 2. LEASE AUTHORIZATION.

(a) IN GENERAL.—The Secretary of the Interior (referred to in this section as the "Secretary") may lease to the Savannah Bar Pilots Association, or a successor organization, no more than 30,000 square feet of land and improvements within Fort Pulaski National Monument (referred to in this section as the "Monument") at the location on Cockspur Island that has been used continuously by the Savannah Bar Pilots Association since 1940.

(b) RENTAL FEE AND PROCEEDS.—

(1) RENTAL FEE.—For the lease authorized by this Act, the Secretary shall require a rental fee based on fair market value adjusted, as the Secretary deems appropriate, for amounts to be expended by the lessee for

property preservation, maintenance, or repair and related expenses.

(2) PROCEEDS.—Disposition of the proceeds from the rental fee required pursuant to paragraph (1) shall be made in accordance with section 3(k)(5) of Public Law 91-383 (16 U.S.C. 1a-2(k)(5)).

(c) TERMS AND CONDITIONS.—A lease entered into under this section—

(1) shall be for a term of no more than 10 years and, at the Secretary's discretion, for successive terms of no more than 10 years at a time; and

(2) shall include any terms and conditions the Secretary determines to be necessary to protect the resources of the Monument and the public interest.

(d) EXEMPTION FROM APPLICABLE LAW.—Except as provided in section 2(b)(2) of this Act, the lease authorized by this Act shall not be subject to section 3(k) of Public Law 91-383 (16 U.S.C. 1a-2(k)) or section 321 of Act of June 30, 1932 (40 U.S.C. 1302).

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Washington (Mr. HASTINGS) and the gentleman from New Mexico (Mr. LUJÁN) each will control 20 minutes.

The Chair recognizes the gentleman from Washington.

GENERAL LEAVE

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

Mr. HASTINGS of Washington. Mr. Speaker, I yield myself such time as I may consume.

S. 535 would allow the Savannah Bar Pilots Association to continue leasing a facility at Fort Pulaski National Monument as they have done since the 1940s.

Congressman JACK KINGSTON of Georgia is the author of the House version of this bill, H.R. 2687, that the Committee on Natural Resources heard in September. The National Park Service testified in support, and we are pleased that this is one piece of legislation that will not cost the taxpayers a dime.

So I urge my colleagues to support the legislation, and I reserve the balance of my time.

Mr. LUJÁN. Mr. Speaker, I yield myself such time as I may consume.

(Mr. LUJÁN asked and was given permission to revise and extend his remarks.)

Mr. LUJÁN. Fort Pulaski was completed in 1812. The Savannah Bar Pilots were founded in 1864, and they have had a lease to use part of the fort since 1940. It would appear that Congress is a little late in getting around to formalizing this arrangement.

The Bar Pilots provide an invaluable service by protecting the people and the cargo entering the Port of Savannah. This has been a good use of part of the fort and should continue, so we support the passage of S. 535.

I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I urge the adoption of the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, S. 535.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. LUJAN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

PROVIDING FOR OUR WORKFORCE AND ENERGY RESOURCES ACT

Mr. HASTINGS of Washington. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 2360) to amend the Outer Continental Shelf Lands Act to extend the Constitution, laws, and jurisdiction of the United States to installations and devices attached to the seabed of the Outer Continental Shelf for the production and support of production of energy from sources other than oil and gas, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 2360

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Providing for Our Workforce and Energy Resources Act" or the "POWER Act".

SEC. 2. EXTENSION OF CONSTITUTION, LAWS, AND JURISDICTION OF THE UNITED STATES TO ENERGY FACILITIES AND DEVICES ON THE OUTER CONTINENTAL SHELF.

Section 4(a)(1) of the Outer Continental Shelf Lands Act (43 U.S.C. 1333(a)(1)) is amended by—

(1) inserting "or producing or supporting production of energy from sources other than oil and gas" after "therefrom";

(2) inserting "or transmitting such energy" after "transporting such resources"; and

(3) inserting "and other energy" after "That mineral".

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Washington (Mr. HASTINGS) and the gentleman from New Mexico (Mr. LUJAN) each will control 20 minutes.

The Chair recognizes the gentleman from Washington.

GENERAL LEAVE

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

□ 1540

Mr. HASTINGS of Washington. Mr. Speaker, I yield myself such time as I may consume.

I appreciate the opportunity to bring to the floor the Providing for Our Workforce and Energy Resources or POWER Act, introduced by our colleague from Louisiana (Mr. LANDRY).

The House Natural Resources Committee is dedicated to creating domestic American jobs and protecting the safety of our workers. When we pass legislation that encourages safe and efficient energy development on Federal lands, not only are we decreasing domestic energy production, but we are also generating the millions of jobs that support those industries; and when I say that, I mean all energy jobs. Republicans in Congress are committed to an all-of-the-above energy strategy. We are committed to promoting jobs in wind, solar, oil, gas, hydro, and geothermal energy. Developing all of these resources to ensure reliable and affordable energy for the American people will benefit families and businesses across our country in the form of lower energy costs and greater job growth.

To help foster this private sector job growth, eliminating regulatory uncertainty can really clear the way to spur investment, protect American workers, and spur job creation. The bill under consideration does just that.

The POWER Act clarifies the Outer Continental Shelf Lands Act to ensure the full and fair application of our Nation's laws to all offshore energy development, including renewable energy, rather than waiting for various rulings and interpretations by Federal agencies. This simple, commonsense bill will provide greater certainty to those looking to invest and develop renewable energy projects and the infrastructure to support those projects off our shores.

I want everyone to be clear that this is not a major change in law. It is merely a technical clarification to ensure that Federal agencies have the important guidance they need to ensure that our Nation's laws are applied in the manner in which they were intended. Although not a major change, it is an important one, and Mr. LANDRY should get the credit for putting this bill forward. American companies are on the verge of investing hundreds of millions of dollars in developing renewable energy on our Outer Continental Shelf, and they need the certainty that our laws will be applied fairly to their activities.

Developing our Nation's energy resources benefits our economy, our people, and our national security. I believe this bill helps provide the certainty needed to help move America down the path. I applaud Mr. LANDRY for his work, and I urge my colleagues to support the bill.

I reserve the balance of my time.

Mr. LUJAN. Mr. Speaker, I yield myself such time as I may consume. (Mr. LUJAN asked and was given permission to revise and extend his remarks.)

Mr. LUJAN. H.R. 2360 would clarify that U.S.-flagged vessels must be used for the transportation of merchandise, supplies, construction materials, and maintenance materials between the U.S. mainland and offshore wind farms. The American Wind Energy Association has indicated that their member companies already operate in conformance with Jones Act requirements for offshore wind farms. The Offshore Wind Development Coalition testified on H.R. 2360 that wind developers already accept the applicability of the Jones Act for offshore wind farms. The Department of the Interior has testified that the relevant statutes already apply to offshore renewable energy installations. In addition, the Interior Department has also testified that H.R. 2360 would not expand current law, but that it would simply clarify that section 4(a) of Outer Continental Shelf Lands Act applies to renewable energy production offshore to the extent that there is any uncertainty. Comments on this bill from Customs and Border Protection echo the Interior Department's interpretation that H.R. 2360 would simply clarify that the Jones Act applies to offshore wind farms. The Customs and Border Protection comments also reaffirm the interpretation that H.R. 2360 would not expand current law to cover vessels responsible for laying transmission lines or other vessels assisting in the construction process beyond what the current law already provides. We share these interpretations of H.R. 2360 and of the underlying statutes. However, to the extent that there may be any uncertainty that would be aided by clarification, we have no problem with the legislation. I reserve the balance of my time.

I reserve the balance of my time.

Mr. LUJAN. Mr. Speaker, I yield myself such time as I may consume.

(Mr. LUJAN asked and was given permission to revise and extend his remarks.)

I reserve the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I yield 3 minutes to the author of this legislation, the gentleman from Louisiana (Mr. LANDRY).

Mr. LANDRY. Mr. Speaker, when I talk to business owners around the country, there are two things that I hear prevent them from putting Americans back to work, and that is regulatory uncertainty and inequity in government regulations.

Both the industry and the administration have confirmed the existence of ambiguity in the current law governing energy development on the Outer Continental Shelf. This is creating uncertainty and inequity, affecting job creation.

This bill corrects the problem and strengthens our renewable energy industry by giving our stakeholders the information needed to make the right business decisions and investments. It levels the playing field for all industries operating on the Outer Continental Shelf.

We agree that to effectively rid ourselves of foreign oil we need an all-of-the-above approach to energy development, and our laws should follow suit as this industry develops.

Both sides of the aisle don't often agree on ways to strengthen our energy independence and on ways to create jobs; however, this bill affords us the opportunity to do just that.

I'm proud to have bipartisan support for this bill and want to thank both the distinguished chairman from the State of Washington (Mr. HASTINGS) and the distinguished gentleman from New Jersey (Mr. HOLT), who helped us on this bill.

Mr. LUJÁN. Mr. Speaker, I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I yield back my time and urge adoption of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, H.R. 2360.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. LUJÁN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

NORTH CASCADES NATIONAL PARK SERVICE COMPLEX FISH STOCKING ACT

Mr. HASTINGS of Washington. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 2351) to direct the Secretary of the Interior to continue stocking fish in certain lakes in the North Cascades National Park, Ross Lake National Recreation Area, and Lake Chelan National Recreation Area.

The Clerk read the title of the bill.

The text of the bill is as follows:

H. R. 2351

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "North Cascades National Park Service Complex Fish Stocking Act".

SEC. 2. DEFINITIONS.

In this Act:

(1) NORTH CASCADES NATIONAL PARK SERVICE COMPLEX.—The term "North Cascades National Park Service Complex" means collectively the North Cascades National Park, Ross Lake National Recreation Area, and Lake Chelan National Recreation Area.

(2) PLAN.—The term "plan" means the document entitled "North Cascades National Park Service Complex Mountain Lakes Fishery Management Plan and Environmental Impact Statement" and dated June 2008.

(3) SECRETARY.—The term "Secretary" means the Secretary of the Interior.

SEC. 3. STOCKING OF CERTAIN LAKES IN THE NORTH CASCADES NATIONAL PARK SERVICE COMPLEX.

(a) IN GENERAL.—Subject to subsection (b), the Secretary shall authorize the stocking of fish in lakes in the North Cascades National Park Service Complex.

(b) CONDITIONS.—

(1) IN GENERAL.—The Secretary is authorized to allow stocking of fish in not more than 42 of the 91 lakes in the North Cascades National Park Service Complex that have historically been stocked with fish.

(2) NATIVE NONREPRODUCING FISH.—The Secretary shall only stock fish that are—

(A) native to the slope of the Cascade Range on which the lake to be stocked is located; and

(B) nonreproducing, as identified in management alternative B of the plan.

(3) CONSIDERATIONS.—In making fish stocking decisions under this Act, the Secretary shall consider relevant scientific information, including the plan and information gathered under subsection (c).

(4) REQUIRED COORDINATION.—The Secretary shall coordinate the stocking of fish under this Act with the State of Washington.

(c) RESEARCH AND MONITORING.—The Secretary shall—

(1) continue a program of research and monitoring of the impacts of fish stocking on the resources of the applicable unit of the North Cascades National Park Service Complex; and

(2) beginning on the date that is 5 years after the date of enactment of this Act and every 5 years thereafter, submit to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives a report that describes the results of the research and monitoring under paragraph (1).

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Washington (Mr. HASTINGS) and the gentleman from New Mexico (Mr. LUJÁN) each will control 20 minutes.

The Chair recognizes the gentleman from Washington.

GENERAL LEAVE

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

Mr. HASTINGS of Washington. Mr. Speaker, I yield myself such time as I may consume.

I am the author of H.R. 2351, the North Cascades National Park Service Complex Fish Stocking Act.

This bill has enjoyed broad bipartisan support for some time. It passed the House under suspension of the rules in the last Congress and was favorably reported from the Senate Energy and Natural Resources Committee by voice vote.

H.R. 2351 is necessary to ensure the National Park Service, in coordination with the State of Washington, has the authority to continue stocking fish in certain alpine lakes in the North Cascades National Park Complex. This complex includes the North Cascades National Park, Ross Lake National Recreation Area, and the Lake Chelan National Recreation Area.

In 2008, the park service prepared an environmental impact statement regarding the management of the fisheries in these mountain lakes. The preferred alternative was to allow continued fish stocking in 42 of those lakes. The park service also requested explicit authority to allow fish stocking to continue within the park complex. And this is exactly what H.R. 2351 does.

Many tourists visit the park for its scenic beauty as well as fishing opportunities, making fish stocking an important component of the central Washington economy.

I urge support of this legislation.

I reserve the balance of my time.

Mr. LUJÁN. Mr. Speaker, I yield myself such time as I may consume.

(Mr. LUJÁN asked and was given permission to revise and extend his remarks.)

Mr. LUJÁN. Mr. Speaker, I want to recognize the chairman as well and his work on this legislation and the importance of it. And as a general matter, the introduction of nonnative species into wilderness designated within a national park should be prohibited.

But in this instance, however, the National Park Service has found that fish stocking can continue within the Mather Wilderness without harm to other national park resources. Importantly, the legislation contains significant protections for those resources.

We worked closely with Chairman HASTINGS last Congress to secure House passage of this legislation and are pleased to do so again today. The chairman is to be commended for his efforts on behalf of the North Cascades National Park Complex.

Mr. Speaker, I yield back the balance of my time.

Mr. HASTINGS of Washington. I, again, urge my colleagues to support this legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, H.R. 2351.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. LUJÁN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

ALLOWING YSLETA DEL SUR PUEBLO TRIBE TO DETERMINE MEMBERSHIP REQUIREMENTS

Mr. HASTINGS of Washington. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1560) to amend

the Ysleta del Sur Pueblo and Alabama and Coushatta Indian Tribes of Texas Restoration Act to allow the Ysleta del Sur Pueblo Tribe to determine blood quantum requirement for membership in that tribe.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 1560

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. BLOOD QUANTUM REQUIREMENT DETERMINED BY TRIBE.

Section 108(a)(2) of the Ysleta del Sur Pueblo and Alabama and Coushatta Indian Tribes of Texas Restoration Act (25 U.S.C. 1300g-7(a)(2)) is amended to read as follows:

“(2) any person of Tigua Ysleta del Sur Pueblo Indian blood enrolled by the tribe.”.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Washington (Mr. HASTINGS) and the gentleman from New Mexico (Mr. LUJÁN) each will control 20 minutes.

The Chair recognizes the gentleman from Washington.

GENERAL LEAVE

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

Mr. HASTINGS of Washington. Mr. Speaker, I yield myself such time as I may consume.

The Ysleta del Sur Pueblo was originally based in New Mexico and then relocated after the 1860 Pueblo Revolt to its present location in El Paso County, Texas.

In 1967, Congress enacted Public Law 90-287, terminating the Federal trust relationship with the tribe and placing the tribe under the jurisdiction of the State of Texas. In 1987, the Federal trust relationship was restored by Public Law 100-89.

The Restoration Act limited the tribe's membership to individuals listed on a certain tribal membership roll and to descendants of such individuals as long as they have a minimum of one-eighth degree of Ysleta del Sur Indian blood.

In recent years, the tribe has passed resolutions in favor of legislation to eliminate this limitation which is consistent with the modern congressional policy of allowing recognized tribes to set their own membership when they enroll Indian people.

H.R. 1560 permits the tribe to enroll Indian members with a minimum blood requirement. Similar versions of this bill have been passed by the House in the last two Congresses.

The Committee on Natural Resources has not heard any objection to passing this bill again. I think it's a good idea to treat the tribe consistently with how Congress treats other federally recognized tribes.

With that, I reserve the balance of my time.

Mr. LUJÁN. Mr. Speaker, I yield myself such time as I may consume.

(Mr. LUJÁN asked and was given permission to revise and extend his remarks.)

Mr. LUJÁN. Mr. Speaker, I rise in support of H.R. 1560, a bill that removes the blood quantum threshold requirement for membership in the Ysleta del Sur Pueblo tribe.

No other tribe in the State of Texas has had a similar limitation to tribal membership conditioned on its recognition by the United States. H.R. 1560 corrects this inequity.

By modifying the tribal enrollment requirements, the tribe will be able to preserve the unique character and traditions of their tribe based on shared history, customs, and language, in addition to tribal blood. This bill will ensure their survival as the oldest community in Texas and the only pueblo still in existence in the State.

H.R. 1560 passed the House under both Republican and Democratic leadership in the 106th Congress and in the previous two Congresses. I ask my colleagues to again support the passage of this very important legislation at this time.

Mr. Speaker, I yield such time he may consume to the gentleman from Texas (Mr. REYES).

Mr. REYES. I want to thank my good friend from New Mexico for yielding me time, as well as thanking Chairman HASTINGS from Washington and Ranking Member RAHALL for their help in getting this legislation to the floor. I want to thank the gentleman from New Mexico (Mr. LUJÁN) for handling the bill on the Democratic side.

I rise today in support of H.R. 1560, the Ysleta del Sur Pueblo blood quantum bill. This bill is crucial to the members of the Ysleta del Sur Pueblo tribe, which is located in El Paso, my district, the 16th District of Texas. This will grant them the right to determine their own membership. It seeks to correct unjust legislation approved by Congress in 1987, which imposed a one-eighth blood quantum Federal requirement for tribe membership. This law singles out the Tigua; and if not amended, the tribe will lose their federally recognized status and the right to self-govern their community.

The Tigua tribal community was established, as was stated by both the chairman and Mr. LUJÁN, in 1862 after the Pueblo Revolt against the Spanish colonization of the Americas, nearly a century before the Declaration of Independence, and more than 160 years before the annexation of Texas to the United States. This community represents a central part of our district's rich culture and our heritage.

The Ysleta del Sur Pueblo has been an important part of the community's cultural heritage for nearly 330 years. The tribe is an inseparable part of our history, and it should be allowed to preserve its status as a sovereign na-

tion for future generations. So I strongly urge all Members to support this bill.

Mr. HASTINGS of Washington. I have no further requests for time, and I am prepared to yield back if the gentleman from New Mexico is.

Mr. LUJÁN. Mr. Speaker, again, we appreciate the work of the majority and the work of Chairman REYES on this important issue as well.

With that, I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, H.R. 1560.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. LUJÁN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

BOX ELDER UTAH LAND CONVEYANCE ACT

Mr. HASTINGS of Washington. Mr. Speaker, I move to suspend the rules and pass the bill (S. 683) to provide for the conveyance of certain parcels of land to the town of Mantua, Utah.

The Clerk read the title of the bill.

The text of the bill is as follows:

S. 683

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Box Elder Utah Land Conveyance Act”.

SEC. 2. CONVEYANCE.

(a) DEFINITIONS.—In this section:

(1) MAP.—The term “map” means the map entitled “Box Elder Utah Land Conveyance Act” and dated June 23, 2011.

(2) NATIONAL FOREST SYSTEM LAND.—The term “National Forest System land” means the approximately 31.5 acres of National Forest System land in Box Elder County, Utah, that is generally depicted on the map as parcels A, B, and C.

(3) SECRETARY.—The term “Secretary” means the Secretary of Agriculture.

(4) TOWN.—The term “Town” means the town of Mantua, Utah.

(b) CONVEYANCE.—On the request of the Town submitted to the Secretary by the date that is not later than 1 year after the date of enactment of this Act, the Secretary shall convey to the Town, without consideration and by quitclaim deed, all right, title, and interest of the United States in and to the National Forest System land.

(c) SURVEY; COSTS.—

(1) IN GENERAL.—If determined by the Secretary to be necessary, the exact acreage and legal description of the National Forest System land shall be determined by a survey approved by the Secretary.

(2) COSTS.—The Town shall pay the reasonable survey and other administrative costs associated with the conveyance.

(d) USE OF NATIONAL FOREST SYSTEM LAND.—As a condition of the conveyance under subsection (b), the Town shall use the National Forest System land only for public purposes.

(e) REVERSIONARY INTEREST.—In the quitclaim deed to the Town, the Secretary shall provide that the National Forest System land shall revert to the Secretary, at the election of the Secretary, if the National Forest System land is used for a purpose other than a public purpose.

(f) ADDITIONAL TERMS AND CONDITIONS.—With respect to the conveyance under subsection (b), the Secretary may require such additional terms and conditions as the Secretary determines to be appropriate to protect the interests of the United States.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Washington (Mr. HASTINGS) and the gentleman from New Mexico (Mr. LUJÁN) each will control 20 minutes.

The Chair recognizes the gentleman from Washington.

GENERAL LEAVE

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

Mr. HASTINGS of Washington. Mr. Speaker, I yield myself such time as I may consume.

S. 683 would convey approximately 31.5 acres of the Wasatch-Cache National Forest to the town of Mantua, Utah. The lands in question are primarily open grasslands surrounded by agricultural lands. The town is seeking these lands for expansion of the cemetery and construction of a town hall and fire station.

National Parks, Forests and Public Lands Subcommittee Chair ROB BISHOP is the author of the House version of this bill, and I commend him and Senator MIKE LEE of Utah for their efforts in seeing this small, but important, conveyance enacted into law.

I urge adoption of the measure, and I reserve the balance of my time.

Mr. LUJÁN. Mr. Speaker, I yield myself such time as I may consume.

(Mr. LUJÁN asked and was given permission to revise and extend his remarks.)

Mr. LUJÁN. Mr. Speaker, this is a land conveyance to a small town in Utah which requires that the land be used for public purposes. Assuming this measure is approved today, this will be the third Congress in which the House has approved this legislation. We have been pleased to work with Mr. BISHOP in the last two Congresses to secure passage of this measure and support passage again today.

With that, I reserve the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I am very pleased to yield

such time as he may consume to the author of the House version of this legislation, the gentleman from Utah (Mr. BISHOP).

Mr. BISHOP of Utah. Mr. Speaker, 70 years ago the Forest Service paid the huge sum of \$1 for two parcels of land, a total of 30 acres, surrounded on three sides by private property. In that intervening time period, per the Forest Service's own plans, not only have they not needed them, they have not used them and, until 5 years ago, forgot they had them.

The city of Mantua now desperately needs this for its cemetery expansion as well as for a town hall and a fire station to protect people who actually go on the real forest lands.

Three times this House has passed this piece of legislation, and the Senate has found it too complex to consider. This time, the Senate has passed a very similar bill over to us, not as good as the one we had, but when one considers we have sent over to them a budget bill, multiple appropriation bills, repeal of ObamaCare, 16 job bills, and numerous regulatory reform bills, the fact that the Senate did anything should be a cause of our celebration today.

And, therefore, I urge, even though this is not a perfect bill, it's a pretty good one, so I urge its adoption so that we can send it to the President's desk and let the Senate know we do appreciate them when they finally, finally do their work.

Mr. LUJÁN. Mr. Speaker, although I really enjoy the opportunity to have a conversation about all of the work that's happening over at the Senate, I have no further speakers, and I yield back the balance of my time.

Mr. HASTINGS of Washington. I urge my colleagues to support the Senate bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and pass the bill, S. 683.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. LUJÁN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

CORRECTING ENROLLMENT OF H.R. 470, HOOVER POWER ALLOCATION ACT OF 2011

Mr. HASTINGS of Washington. Mr. Speaker, I move to suspend the rules and concur in the concurrent resolu-

tion (S. Con. Res. 32) to authorize the Clerk of the House of Representatives to make technical corrections in the enrollment of H.R. 470, an Act to further allocate and expand the availability of hydroelectric power generated at Hoover Dam, and for other purposes.

The Clerk read the title of the concurrent resolution.

The text of the concurrent resolution is as follows:

S. CON. RES. 32

Resolved by the Senate (the House of Representatives concurring). That, in the enrollment of the bill (H.R. 470) an Act to further allocate and expand the availability of hydroelectric power generated at Hoover Dam, and for other purposes, the Clerk of the House of Representatives shall make the following corrections:

(1) In the second sentence of section 105(a)(2)(B) of the Hoover Power Plant Act of 1984 (43 U.S.C. 619(a)) (as added by section 2(d)), strike "General" and insert "Conformed General".

(2) In section 2(e), strike "as redesignated as" and insert "as redesignated by".

(3) In section 2(f), strike "as redesignated as" and insert "as redesignated by".

(4) In section 2(g), strike "as redesignated as" and insert "as redesignated by".

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Washington (Mr. HASTINGS) and the gentleman from New Mexico (Mr. LUJÁN) each will control 20 minutes.

The Chair recognizes the gentleman from Washington.

GENERAL LEAVE

Mr. HASTINGS of Washington. I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and include extraneous materials on the resolution under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Washington?

There was no objection.

Mr. HASTINGS of Washington. Mr. Speaker, I yield myself such time as I may consume.

Senate Concurrent Resolution 32 is an enrolling correction for H.R. 470, bipartisan legislation introduced by our Nevada colleague, Dr. JOE HECK.

Dr. HECK's bill, which allocates hydropower generated at Hoover Dam to a number of utilities in California, Arizona, and Nevada, has been passed by both the House and the Senate. However, some in the Senate insisted that a number of technical changes needed to be made to the bill even though the affected agency indicated that it could implement H.R. 470 as passed by both Chambers.

Nevertheless, we'll not object to this enrolling resolution making such technical changes because the base legislation is important for that area. So I urge adoption of this measure.

I reserve the balance of my time.

Mr. LUJÁN. Mr. Speaker, I yield myself such time as I may consume.

(Mr. LUJÁN asked and was given permission to revise and extend his remarks.)

Mr. LUJÁN. On October 18, the Senate approved H.R. 470, the Hoover Allocation Power Act of 2011, by unanimous consent. The Senate also approved Concurrent Resolution 32, which authorizes the Clerk of the House of Representatives to make small technical changes to the enrolled version of H.R. 470.

We fully support the proposed changes to H.R. 470 and urge adoption of Senate Concurrent Resolution 32.

I yield back the balance of my time.

Mr. HASTINGS. Mr. Speaker, again, I urge adoption of this resolution, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Washington (Mr. HASTINGS) that the House suspend the rules and concur in the concurrent resolution, S. Con. Res. 32.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. LUJÁN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

The point of no quorum is considered withdrawn.

ADJOURNMENT

Mr. HASTINGS of Washington. Mr. Speaker, I move that the House do now adjourn.

The motion was agreed to; accordingly (at 4 o'clock and 4 minutes p.m.), under its previous order, the House adjourned until tomorrow, Tuesday, December 6, 2011, at 10 a.m. for morning-hour debate.
