PROCEEDINGS AND DEBATES OF THE 112<sup>th</sup> CONGRESS, SECOND SESSION

Vol. 158

WASHINGTON, FRIDAY, MARCH 9, 2012

No. 39

## Senate

The Senate was not in session today. Its next meeting will be held on Monday, March 12, 2012, at 2 p.m.

## House of Representatives

FRIDAY, MARCH 9, 2012

The House met at 11 a.m. and was called to order by the Speaker pro tempore (Mr. SMITH of Nebraska).

### DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,  
March 9, 2012.

I hereby appoint the Honorable ADRIAN SMITH to act as Speaker pro tempore on this day.

JOHN A. BOEHNER,  
*Speaker of the House of Representatives.*

### PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: Compassionate and merciful God, we give You thanks for giving us another day.

During this time of constituency visits, give the Members of this assembly insight, inspiration, and industry to work for the good of our country. Sustain our people with Your power, that they might be true to the highest and best they know and are able to achieve.

As Members visit with those whom they represent, may solutions that work toward the betterment of all in our Nation emerge in open and respectful conversation.

May the assurance of Your love and the presence of Your truth abide in all our hearts and all our homes.

And may all that is done this day be for Your greater honor and glory. Amen.

### THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House his approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

### PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. The Chair will lead the House in the Pledge of Allegiance.

The SPEAKER pro tempore led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

### COMMUNICATION FROM CHAIR OF COMMITTEE ON TRANSPORTATION AND INFRASTRUCTURE

The SPEAKER pro tempore laid before the House the following communication from the Chair of the Committee on Transportation and Infrastructure; which was read and, without objection, referred to the Committee on Appropriations:

HOUSE OF REPRESENTATIVES, COMMITTEE ON TRANSPORTATION AND INFRASTRUCTURE,

Washington, DC, March 8, 2012.

Hon. JOHN BOEHNER,  
*Speaker of the House, House of Representatives,  
The Capitol, Washington, DC.*

DEAR MR. SPEAKER: On March 8, 2012, pursuant to section 3307 of Title 40, United States Code, the Committee on Transportation and Infrastructure met in open session to consider resolutions to authorize 11 lease prospectuses included in the General Services Administration's (GSA) FY2011 and FY2012 Capital Investment and Leasing Programs (CILP) and one resolution to request an information report pursuant to section 3315(a) of Title 40.

Our Committee continues to work to cut waste and the cost of federal property and leases. The resolutions approved by the Committee will save the taxpayer \$19.5 million annually or \$317 million over the terms of the leases. These resolutions ensure savings through lower rents, shrinking the space requirements of agencies, avoidance of hold-over penalties, and efficiencies created through consolidation. In addition, the Committee has included space utilization requirements in each of the resolutions to ensure agencies are held to appropriate utilization rates.

I have enclosed copies of the resolutions adopted by the Committee on Transportation and Infrastructure on March 8, 2012.

Sincerely,

JOHN L. MICA,  
*Chairman.*

Enclosures.

**400 7th Street, SW, Washington DC**  
**3315(a) INFORMATION REPORT**

James H. Zoia, Democrat Chief of Staff

*Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3315(a), the Administrator of General Services is directed to provide the Committee with technical assistance by developing a housing space plan report, along with associated floor plans showing the workspace configuration, alignment of functions, and utilization, for a consolidation of all Federal Trade Commission (FTC) office space operations in Washington, D.C. into the remaining 379,000 rentable square feet of space leased by the Securities and Exchange Commission in the building referred to as Constitution Center located at 400 7th Street, SW, Washington DC and the 40,000 rentable square feet of special use space common to the building occupants.*

The housing and floor plans shall incorporate and reflect two separate alternatives:

- Alternative 1) consolidation into Constitution Center of all FTC operations currently housed at 600 Pennsylvania Avenue NW, 601 New Jersey Avenue NW, and 1800 M Street NW in Washington, D.C.; and
- Alternative 2) consolidation into Constitution Center FTC operations currently housed at 600 Pennsylvania Avenue NW and 601 New Jersey Avenue NW.

The housing and floor plans shall take into account maximum shared usage by the FTC of special use space already existing in common areas of Constitution Center, including conference facilities, cafeteria, and fitness space.

The housing plan and floor plans may account for full-time contractors, but in no case shall include interns and temporary workers and shall incorporate hoteling and maximum use of an open floor plan as necessary to fully house the functions in the current locations.

The housing and floor plans shall include detailed descriptions (including locations and sizes) of any additional special use space not accounted for in the common areas of the building.

The Administrator shall provide the requested information not later than 30 days after adoption of this resolution.

Adopted:

**LEASE  
U.S. COAST GUARD SECTOR HEADQUARTERS  
CORPUS CHRISTI, TX  
PTX-07-CC12**

*Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a new lease of up to 180,000 rentable square feet of space, including 221 parking spaces, for the U.S. Coast Guard Sector Headquarters at a proposed total annual cost of \$3,530,200 for a lease term of up to 20 years, a prospectus for which is attached to and included in this resolution.*

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

*Provided that, the Administrator of General Services and tenant agencies agree to apply a utilization rate of 75 square feet or less per person as detailed in the Housing Plan contained in the prospectus.*

*Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in a utilization rate of 75 square feet or higher per person.*

*Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.*

*Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.*

*Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.*

PBS

**PROSPECTUS - LEASE  
U.S. COAST GUARD SECTOR HEADQUARTERS  
CORPUS CHRISTI, TX**

Prospectus Number: PTX-07-CC12  
Congressional District: 27

---

**Project Summary**

The General Services Administration (GSA) proposes a new lease for 180,000 rentable square feet (rsf) of space and 221 parking spaces, for the Department of Homeland Security (DHS) - United States Coast Guard (USCG), and DHS Customs and Border Protection - Office of Field Operations (CBP-OFO), at the Corpus Christi International Airport (CCIA), Corpus Christi, TX. The new USCG Sector Headquarters facility will be comprised of three structures: a three-story command and control building of approximately 58,000 rsf; a two-story hangar building of approximately 114,000 rsf; and a one-story ground support building of approximately 8,000 rsf.

USCG currently occupies space at Naval Air Station (NAS) Corpus Christi, and space at Tower II, 555 N. Carancahua, Corpus Christi, TX, under a lease, which expires November 30, 2015. CBP-OFO also currently occupies space at NAS Corpus Christi, and has submitted a request and justification to occupy space in the new USCG Sector Headquarters because of the need to collaborate and share information with USCG.

GSA is currently negotiating an assignable ground lease for a site of approximately 23 acres at CCIA.

**Justification**

Meeting operational mission requirements of Sector and Air Station Units is a high priority for USCG. The current hangar location is not optimal, increasing transit times between duty berthing of the personnel who operate and support the aircraft and the hangar, and between the hangar and the runway. Response times are slowed by the need to stop traffic, open a gate, and cross a road in order to move aircraft from the hangar to the runway. The proximity of the current 60-year old facility to the seawall subjects aircraft and the facility itself to excessive corrosion, resulting in significantly higher life-cycle maintenance costs than the rest of the fleet located away from seawalls. The hangar deck space is insufficient for new aircraft, but three new fixed wing aircraft are expected to be delivered in May 2012. Without a new hangar, these aircraft would have to alternate staying outside on the ramp next to the seawall. The new HC-144 is a more avionic/sensor intense aircraft than the current H-25, and has wiring bundles and connectors much more susceptible to corrosion. The mission readiness requirements of the new aircraft can not be met under these conditions. In contrast, CCIA is located approximately 11 miles inland and would remove aircraft from the excessively corrosive environment at NAS, significantly reducing aircraft maintenance costs. Because available sites at CCIA are much closer to active runways than the current location at NAS and ready crew berthing would be located in the proposed hangar, response time would significantly improve.

**PROSPECTUS - LEASE  
U.S. COAST GUARD SECTOR HEADQUARTERS  
CORPUS CHRISTI, TX**

Prospectus Number: PTX-07-CC12  
Congressional District: 27

**Energy Performance**

GSA will incorporate energy efficiency requirements into the Solicitation for Offers and other documents related to the procurement of space for which this prospectus seeks authorization. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement.

**Description**

Occupants:	DHS – USCG; DHS – CBP-OFO
Delineated Area:	Corpus Christi International Airport
Lease Type:	New
Justification:	Current facility is well past its service life and is functionally deficient.
Number of Parking Spaces:	221 (1 inside/220 outside)
Expansion Space:	39,148 rsf
Scoring:	Operating Lease
Proposed Maximum Leasing Authority:	20 years
Maximum Rentable Square Feet:	180,000
Current Total Annual Cost:	\$707,150 (Operating expenses paid to Naval Air Station + lease)
Proposed Total Rental Cost:	\$3,319,000
Proposed Total Annual Parking Cost:	\$211,200
Proposed Total Annual Cost <sup>1</sup> :	\$3,530,200
Maximum Proposed Rental Rate <sup>2</sup> :	
Command Building + Hangar Building Administrative Space (94,000 rsf)	\$22.50 per rentable square foot
Hangar Building Decks & Shops + Ground Support Building (86,000 rsf)	\$14.00 per rentable square foot

<sup>1</sup>Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

<sup>2</sup>This estimate is for fiscal year 2012 and may be escalated by 1.7 percent annually to the effective date of the lease to account for inflation.

**Project Summary**

The General Services Administration (GSA) proposes a lease of up to 499,000 rentable square feet (rsf) with 77,000 rsf of expansion for the Department of State and U.S. Agency for International Development (USAID) currently located at Federal Center Plaza II, 400 C St. SW, in Washington, D.C. The current lease at this location expires on January 2, 2013.

The additional 77,000 rsf is needed to accommodate USAID's growth in personnel, linked to current and anticipated funding of various programs; including PEPFAR (Presidential Emergency Preparedness Fund for Aids Relief), DLI (Development Leadership Initiative), and the Civilian Stabilization Initiative. Senate Report 110-425 (page 32) to the Department of State, Foreign Operations, and Related Programs Appropriations Bill, 2009 " . . . supports the administration's proposal to double the number of Foreign Service Officers over the next several years . . .".

This location was originally occupied solely by the Department of State, which moved some component groups to Foggy Bottom locations in late 2009 and early 2010, vacating a total of 4 floors encompassing 169,356 USF which were backfilled by USAID.

**SUBURBAN MARYLAND**  
**PMD-07-WA11**

*Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for an extension lease of up to 101,000 rentable square feet of space for the Food and Drug Administration, currently located at 1401 Rockville Pike, Rockville, MD, at a proposed total annual cost of \$3,434,000 for a lease term of up to 3 years, a prospectus for which is attached to and included in this resolution.*

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

*Provided that, the Administrator of General Services and tenant agencies agree to apply a utilization rate of 134 square feet or less per person as detailed in the Housing Plan contained in the prospectus.*

*Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in a utilization rate of 134 square feet or higher per person.*

*Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.*

*Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.*

*Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.*

**PROSPECTUS – LEASE  
FOOD AND DRUG ADMINISTRATION  
SUBURBAN MARYLAND**

Prospectus Number: PMD-07-WA11  
Congressional District: 8

**Project Summary**

The General Services Administration (GSA) proposes a lease extension for 101,000 rentable square feet (RSF) of space for the Food and Drug Administration (FDA) at 1401 Rockville Pike, Rockville, Maryland. The FDA is planning to move to its White Oak Maryland headquarters facility that is currently in construction. GSA will attempt to structure the lease term for the extension to be consistent with the construction schedule.

**Description**

Occupants:	FDA
Delineated Area:	Suburban Maryland
Lease Type:	Extension
Justification:	Expiring Lease (9/30/2012)
Expansion Space:	None
Number of Parking Spaces:	None
Scoring:	Operating lease
Proposed Maximum Leasing Authority:	3 years
Maximum Rentable Square Feet:	101,000
Current Total Annual Cost:	\$3,065,578
Proposed Total Annual Cost: <sup>1</sup>	\$3,434,000
Maximum Proposed Rental Rate: <sup>2</sup>	\$34 per rentable square foot

**Summary of Energy Compliance**

GSA will incorporate energy efficiency requirements into the Solicitation for Offers and other documents related to the procurement of space for which this prospectus seeks authorization. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement.

<sup>1</sup>Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

<sup>2</sup>This estimate is for fiscal year 2013 and may be escalated by 1.7 percent annually to the effective date of the lease to account for inflation.

PBS

**PROSPECTUS – LEASE  
OFFICE OF THE DIRECTOR  
OF NATIONAL INTELLIGENCE  
NORTHERN VIRGINIA**

Prospectus Number: PVA-09-WA12  
Congressional District: 8,10,11

**Executive Summary**

The General Services Administration (GSA) proposes a new lease of up to 183,000 rentable square feet for the Office of the Director of National Intelligence (ODNI), which is currently located in multiple contractor-provided and Government-provided classified locations throughout Northern Virginia. The contractor agreements in these locations expire in July and August of 2011, and June of 2012. GSA is seeking to provide ODNI with a long-term consolidated housing solution that separates the acquisition of space from the provision of mission-critical contract services in order to better control costs and increase organizational effectiveness.

**Description**

Occupants:	ODNI
Lease Type:	Consolidation with Expansion
Current Rentable Square Feet (RSF):	113,000 (Current RSF/USF=1.2)
Proposed Maximum RSF:	183,000 (Proposed RSF/USF=1.2)
Expansion Space:	70,000 RSF
Current Usable Square Feet/Person:	167
Proposed Usable Square Feet/Person:	222
Delineated Area:	Northern Virginia
Number of Official Parking Spaces: <sup>1</sup>	6
Justification:	Expiring Contractor Agreements: 2011, 2012
Scoring:	Operating Lease
Proposed Maximum Leasing Authority:	20 years
Maximum Proposed Rental Rate: <sup>2</sup>	\$39.00
Proposed Total Annual Cost: <sup>3</sup>	\$7,137,000
Current Total Annual Cost: <sup>4</sup>	\$11,000,000

<sup>1</sup> ODNI's security requirements may necessitate control of the parking at the leased location. This may be accomplished as a lessor-furnished service, as a separate operating agreement with the lessor, or as part of the Government's leasehold interest in the building.

<sup>2</sup> This estimate is for fiscal year 2012 and may be escalated by 1.8 percent annually to the effective date of the lease to account for inflation. The proposed rental rate is fully serviced, including all operating expenses, whether paid by the lessor or directly by the Government.

<sup>3</sup> Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

<sup>4</sup> Includes non-real estate costs.

GSAPBS

**PROSPECTUS – LEASE  
OFFICE OF THE DIRECTOR  
OF NATIONAL INTELLIGENCE  
NORTHERN VIRGINIA**

Prospectus Number: PVA-09-WA12  
Congressional District: 8,10,11

---

**Background**

The Director of National Intelligence serves as the head of the Intelligence Community, overseeing and directing the implementation of the National Intelligence Program and acting as the principal advisor to the President, the National Security Council, and the Homeland Security Council for intelligence matters related to the national security. ODNI's goal is to effectively integrate foreign, military and domestic intelligence in defense of the homeland and of United States interests abroad

**Justification**

In order to reduce disruption to mission, and separate the acquisition of mission critical services from the provision of space, ODNI is moving to consolidate certain infrastructure support capabilities into a long-term government leased facility. The co-location of these support capabilities is critical in meeting the dynamic needs of the agency's mission.

There are multiple benefits to this approach. First, co-location optimizes ODNI's ability to provide integrated solutions. Second, co-location preserves ODNI's leverage over its support contractor(s) and facilitates the introduction of new and innovative partners. Third, over a long-term lease, ODNI will significantly reduce facility costs by divorcing space procurements from the cyclical nature of government acquisitions.

Due to the sensitive nature of the agency's mission, the consolidated leased location will be almost entirely comprised of SCIF space.

**Summary of Energy Compliance**

GSA will incorporate energy efficiency requirements into the Solicitation for Offers and other documents related to the procurement of space for which this prospectus seeks authorization. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement and to achieve an Energy Star performance rating of 75 or higher.

PBS

**PROSPECTUS – LEASE  
OFFICE OF THE DIRECTOR  
OF NATIONAL INTELLIGENCE  
NORTHERN VIRGINIA**

Prospectus Number: PVA-09-WA12  
Congressional District: 8,10,11

**Resolutions of Approval**

Resolutions adopted by the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works approving this prospectus will constitute approval to make appropriations to lease space in a facility that will yield the required rentable area.

**Interim Leasing**

GSA will execute such interim leasing actions as are necessary to ensure continued housing of the tenant agency until the effective date of the new lease. It is in the best interest of the Government to avert the financial risk of holdover tenancy.

**Certification of Need**

The proposed project is the best solution to meet a validated Government need.

NATIONAL INSTITUTES OF HEALTH  
6701 AND 6707 DEMOCRACY BLVD.  
SUBURBAN MARYLAND**

Prospectus Number: PMD-02-WA11  
Congressional District: 8

---

**Project Summary**

The General Services Administration (GSA) proposes a lease consolidation of up to 403,000 rentable square feet (rsf) for the National Institutes of Health (NIH) currently located at 6701 and 6707 Democracy Blvd, Bethesda, MD.

The current leased locations consist of 352,717 rsf under 10 leases that will expire from October 31, 2010 through November 30, 2012 with one lease expiring in November 2017. These leases were obtained directly by NIH through a delegation of leasing authority, and they provide housing for a diverse grouping of 15 NIH organizations. The purpose of this prospectus is to obtain authority to enter into a long term lease of up to 20 years for NIH beginning in 2012.

NIH's new consolidated location needs to be proximate to the NIH campus in Montgomery County Maryland, NIH off-campus clusters, I-270, NW Beltway Spur, and the Metro along the Red Line as employees rely on the NIH shuttle service and public transit to make frequent trips to the campus. Additionally, NIH frequently hosts conferences/training sessions attended by representatives from other government agencies, health organizations/companies, and foreign dignitaries. Locating outside of the specified delineated area, in a location inaccessible by public transit, I-270, the Northwest Beltway Spur and away from other federal agencies, could negatively impact these functions.

**Acquisition Strategy**

In order to maximize flexibility in acquiring space to house the National Institutes of Health elements, GSA may issue a single, multiple award lease solicitation that will allow offerors to provide blocs of space able to meet the requirements in whole or in part.

**Description**

Occupants:

NIH

Delineated Area:

**North** – Halpine Road to Twinbrook Pkwy

**East** – Viers Mill Road to Connecticut Ave;

**West** – E. Jefferson Street, Rollins Avenue, Evelyn Dr., Montrose Road, Tadenwood Drive, Old Stage Road, Tilden Park, Tuckerman Lane I-270, Democracy Boulevard, Old Georgetown Road, Wisconsin Avenue,

*Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for a replacement lease of up to 104,000 rentable square feet of space, including 16 parking spaces, for the Department of Health and Human Services, Centers for Disease Control and Prevention, currently located at 3311 Toledo Road, Hyattsville, MD, at a proposed total annual cost of \$3,536,000 for a lease term of up to 15 years, a prospectus for which is attached to and included in this resolution.*

Approval of this prospectus constitutes authority to execute an interim lease for all tenants, if necessary, prior to the execution of the new lease.

*Provided that, the Administrator of General Services and tenant agencies agree to apply a utilization rate of 118 square feet or less per person.*

*Provided that, except for interim leases as described above, the Administrator may not enter into any leases that are below prospectus level for the purposes of meeting any of the requirements, or portions thereof, included in the prospectus that would result in a utilization rate of 118 square feet or higher per person.*

*Provided that, to the maximum extent practicable, the Administrator shall include in the lease contract(s) a purchase option that can be exercised at the conclusion of the firm term of the lease.*

*Provided further, that the Administrator shall require that the delineated area of the procurement is identical to the delineated area included in the prospectus, except that, if the Administrator determines that the delineated area of the procurement should not be identical to the delineated area included in the prospectus, the Administrator shall provide an explanatory statement to the Committee on Transportation and Infrastructure of the House of Representatives prior to exercising any lease authority provided in this resolution.*

*Provided further, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.*

**PROSPECTUS – LEASE  
 DEPARTMENT OF HEALTH AND HUMAN SERVICES  
 CENTERS FOR DISEASE CONTROL AND PREVENTION  
 SUBURBAN MARYLAND**

Prospectus Number: PMD-01-WA11  
 Congressional District: 4, 5, 6, 8

**Project Summary**

The General Services Administration (GSA) proposes a replacement lease of up to 148,000 rentable square feet (rsf) for the Department of Health and Human Services (HHS), Centers for Disease Control and Prevention (CDC), the National Center for Health Statistics. The CDC is currently located in the Metro IV Building, at 3311 Toledo Road, Hyattsville, MD.

**Description**

Occupants:	HHS-CDC
Delineated Area:	Suburban MD
Lease Type:	Replacement
Justification:	Expiring lease 12/31/2012
Expansion Space:	58,135 rsf (space reduction)
Number of Parking Spaces: <sup>1</sup>	16 official vehicles
Scoring:	Operating lease
Proposed Maximum Leasing Authority:	15 years
Maximum Rentable Square Feet:	148,000
Current Total Annual Cost:	\$5,069,076
Proposed Total Annual Cost: <sup>2</sup>	\$5,032,000
Maximum Proposed Rental Rate: <sup>3</sup>	\$34.00 per rentable square foot

**Energy Performance**

GSA will incorporate energy efficiency requirements into the Solicitation for Offers and other documents related to the procurement of space for which this prospectus seeks authorization. GSA encourages offerors to work with energy service providers to exceed minimum requirements set forth in the procurement.

<sup>1</sup> CDC security requirements may necessitate control of the parking garage at the leased location. This may be accomplished as a lessor-furnished service, as a separate operating agreement with the lessor, or as part of the Government's leasehold interest in the building.

<sup>2</sup> Any new lease may contain an annual escalation clause to provide for increases or decreases in real estate taxes and operating costs.

<sup>3</sup> This estimate is for fiscal year 2013 and may be escalated by 1.7 percent annually to the effective date of the lease to account for inflation.

PBS

**PROSPECTUS – LEASE  
NATIONAL SCIENCE FOUNDATION  
NORTHERN VIRGINIA**

Prospectus Number: PVA-01-WA11  
Congressional District: 8, 10, 11

---

**Project Summary**

The General Services Administration (GSA) proposes a lease of up to 690,000 rentable square feet (rsf) for the National Science Foundation (NSF) currently located at 4201 and 4121 Wilson Boulevard, Arlington, VA. The agency requires that they be housed in space that preserves their contiguous configuration and sustains the efficiencies needed for NSF's single business process, awarding grants in science and engineering.

NSF's fundamental line of business rests in the hundreds of thousands of proposals it processes and reviews each year. In 2009, NSF completed approximately 248,000 proposal reviews yielding an enormous average workload of 170 science and engineering competitive merit review panels each month. To conduct these reviews, NSF hosts the nation's and the world's science, engineering and academic elite as they travel to NSF to perform the government's business. In 2009, NSF had a total of about 62,000 visitors. NSF operations support the meetings and business requirements of these participants during their work time at the agency which ranges from as few as 10 to as many as 500 participants over multiple days for a single proposal initiative. To accommodate this work, this prospectus includes an increased amount of special space while realizing a reduction in the amount of office space allocated per person.

NSF presently houses a workforce of more than 1,500 fulltime staff, 225 rotational appointees hired under the Intergovernmental Personnel Act, and 512 contract personnel. NSF's programs span a broad portfolio that includes biological sciences, computer and information science and engineering, cyber-infrastructure, science education, engineering, geosciences, mathematics and physical sciences, social, behavioral, and economic sciences, integrative activities, international science and engineering and polar programs.

**Acquisition Strategy**

In order to maximize the flexibility in acquiring space to house the National Science Foundation in its entirety, GSA may issue a single, multiple award solicitation that will allow offerors to provide blocs of space in adjacent buildings which preserves NSF's contiguous configuration.
