SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 12) issued by the presiding administrative law judge (“ALJ”) granting a joint motion filed by complainant Leviton Manufacturing Co. (“Leviton”) and respondent Ingram Products, Inc. (“Ingram”) to terminate the investigation as to Ingram on the basis of a consent order stipulation and proposed consent order. The Commission has issued the consent order.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 9, 2010, based on a complaint filed by Leviton Manufacturing Co. (“Leviton”) of Melville, New York. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain ground fault circuit interrupters and products containing the same. The Commission’s notice of investigation named numerous respondents.

The ALJ issued the subject ID on December 20, 2010, granting the joint motion to terminate the investigation as to Ingram based on a consent order stipulation and proposed consent order. No party filed a petition for review of the ID. The Commission has determined not to review the subject ID and to issue the subject consent order.
