Your New Civilian Job

Steps you should Take for an effective Transition:

- Gather the information and records you need in order to create a resume
- Deal effectively with the strengths and challenges arising from military experience
- Identify your military transferable skills that can be used in a variety of jobs

Top Ten Reasons to Hire a US Military Veteran

(Source: HireVetsFirst.gov)

1. Accelerated Learning Curve
2. Leadership
3. Teamwork
4. Diversity and Inclusion in action
5. Efficient Performance Under Pressure
6. Respect for Procedures
7. Technology and Globalization
8. Integrity
9. Health and safety Standards
10. Triumph over Diversity

What do Veterans Bring to the Table

- Know How to Learn
- Work Within a Diverse Team
- Flexible Attitude
- Effectively Communicate
- Set Priorities
- Work Well Within the Established System
- Show Discipline
- Problem Solve
- Make Decisions
- Effectively Negotiate
- Use Good Listening Skills
- Display Enthusiasm

What are transferable skills?

- Skills that can transfer from one job or occupation to another
- Critical for job seekers to evaluate how their skills transfer into other opportunities
- Skills you have acquired during any activity in your life
- Virtually anything - is applicable to what you want to do in your next job

Common Transferable Skills

- Verbal, written, and interpersonal communication
- Ability to listen and follow instructions
- Willingness and ability to work with others
 - Team work
- Administrative/computer skills
- Time management
- Personal Management skills
- Problem solving skills
- Able to find and use information

Scope

Truck Mechanic

GOOD – Basic skill / Task description

- Repaired and maintained trucks.

BETTER – More details

- Performed 90% of all truck repairs within 24 hours to assure maximum availability.
- Supervised 15 mechanics who repaired and maintained a 30 truck fleet.

BEST – Accomplishment / Outstanding result

- Saved \$30,000 annually by re-designing a truck part that had a high failure rate.
- Reduced motor pool service turnaround time 25% by creating a “fast track” team for easy repair jobs and routine services.

O*NET Resource Center

About O*NET

The O*NET program is the nation's primary source of occupational information. Central to the project is the O*NET database, containing information on hundreds of standardized and occupation-specific descriptors.. Information

from this database forms the heart of O*NET OnLine, an interactive application for exploring and searching occupations. The database also provides the basis for our Career Exploration Tools, a set of valuable assessment instruments for workers and students looking to find or change careers.
