The Honorable Daniel Tangherlini
Acting Administrator
U.S. General Services Administration
1800 F Street, NW
Washington, D.C. 20405

Dear Acting Administrator Tangherlini:

As you know, the Committee on Transportation and Infrastructure is investigating the findings of the General Services Administration (GSA) Inspector General report issued on April 2, 2012 regarding the 2010 GSA Western Regions Conference and has scheduled a hearing on April 19, 2012. According to the Inspector General, GSA created an internal website with information on the 2010 conference, including pictures and videos of conference events.

As Chairman of the Committee on Transportation and Infrastructure and Chair of the Subcommittee with jurisdiction over the GSA Public Buildings Service, which was clearly implicated in this misconduct, we request that you provide the Committee and its staff with access to the internal website and all relevant information contained therein.

If you should have any questions or concerns regarding these requests, please do not hesitate to contact my Subcommittee Staff Director Dan Mathews at 202-225-3014.

Sincerely,

John L. Mica
