

Recovered Materials Determination Form

Instructions: This form is to be completed by the requirements official when the items or deliverables subject to the DOT's Affirmative Procurement Program (APP) for EPA-Designated Recycled Content Products (TAM 1223, Attachment A) are being procured from outside vendors. This form is not required for items requisitioned from established Federal Supply sources.

The requirements official checks off which item(s) apply to the procurement request, and signs and dates the bottom of the form.

The completed form becomes part of the contracting office official contract file.

Procurement Request Number:

The statement of work/specifications covering this procurement is subject to the DOT APP for EPA-Designated Recycled Content Products. The items being procured are:

- _____ Paper and Paper Products
- _____ Vehicular Products
- _____ Construction Products
- _____ Transportation Products
- _____ Park and Recreation Products
- _____ Landscaping Products
- _____ Non-paper Office Products
- _____ Miscellaneous Products

I hereby certify that the Statement of Work/Specifications for the requisition of materials/services listed above complies with applicable DOT preference standards for recycled/recovered materials.
