

Update on Master Promissory Notes  
June 1, 2011

Direct Subsidized/Direct Unsubsidized Master Promissory Note

The Direct Subsidized/Direct Unsubsidized MPN expired at the end of May 2011. We are still in the process of revising the form. In the meantime, schools may continue to use the current form. Once the revised form is available for order, an electronic announcement will be posted to ifap.ed.gov. An update will also be placed on the FSAPubs.gov home page.

Direct PLUS Loan Application and Master Promissory Note

The newly approved Direct PLUS Loan Application and Master Promissory Note and revised Direct PLUS Loan Plain Language Disclosure are now available to order.
