“Registering and Requesting Your Absentee Ballot”

Add new section:

**Voting By Citizens Who Have Never Lived in the U.S.**

A U.S. citizen born abroad who is eligible to vote and has never lived in the U.S. and is not registered to vote anywhere else in the U.S. is eligible to vote at the same voting residence in the District of Columbia where a parent or guardian would be eligible to register and vote.

**Haven’t Received Your Ballot? Don’t Wait Until It’s Too Late. . . Use the Federal Write-In Absentee Ballot!**

1st paragraph, last sentence: REPLACE sentence with the following:

Feel free to use the FWAB to vote anytime before an election.

REPLACE Block one instructions to the FWAB with the following:

Block 1: The District of Columbia allows you to use this form for registration. It must be submitted by the registration deadline.

**Page: 69**

**How and Where to Submit Your FWAB:**

DELETE first paragraph and add the following three paragraphs in its place:

If using the FWAB simultaneously as a registration form, ballot request form and voted ballot, it must be received by the local election office by the registration deadline.

If using the FWAB simultaneously as a ballot request form and voted ballot, it must be received by the local election office by the ballot request deadline.

If using the FWAB as a voted ballot only, it must be received by the local election office by the ballot return deadline. If you receive the District of Columbia ballot after submitting the voted FWAB, you may also vote and return the District ballot. If both ballots are received by the deadline, only the District ballot will be counted.
