Registering and Requesting Your Absentee Ballot

Registration is not required but you must still complete the Federal Post Card Application to request an absentee ballot. The Federal Post Card Application registers you to vote and requests absentee ballots for all elections held through the next regularly scheduled general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 28 days before the election. Political party affiliation is not required if only requesting absentee ballots for general elections. However, to vote in a primary election you must be registered with a major party.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your full Social Security number is required.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: New Mexico allows you to receive your absentee ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide

your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your New Mexico voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.
