Registering and Requesting Your Absentee Ballot

Registration is required. You must still complete the Federal Post Card Application to request an absentee ballot. When you return the voted ballot, you will be registered. The form requests absentee ballots for all Federal elections held through the next regularly scheduled general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than the Friday prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Utah Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Utah allows you to receive your absentee ballot by email, fax, or mail. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you. More transmission options may be available. Check www.fvap.gov for updates.

Block 7: Complete street address of your Utah voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: In addition to mailing a regular ballot, Utah provides a State Special Write-In Absentee Ballot available 90 days before an election to any voter unable to vote in the regular absentee voting process due to military service. You must request this ballot no later than the Friday before the election. This ballot allows you to vote for Federal offices only. To request it, write in Block 9: "I am unable to vote by regular absentee ballot or in person because of military service. I request a special write-in absentee ballot."

If you do not wish to receive ballots for all Federal elections through the next regularly scheduled general election, you

may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Utah allows you to submit your FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

Voting Your Ballot

Local election officials send absentee ballots no later than 45 days before elections.

No witness or notary is required on voted ballots.

To be valid, a military-overseas ballot shall be received by the appropriate election official not later than the close of polls; or submitted for mailing, electronic transmission, or

other authorized means of delivery not later than 12:01am, at the place where the vote completes the ballot, on the date of election and is received by the end of business on the day before the latest deadline for completing the canvas.

You may return the voted ballot by mail (or by email or fax) if you agree to waive the right to a secret ballot and affirm in writing on the email/fax cover sheet.
