A comment was received from a consulting firm noting that if this project goes out for a full food service contract, then it would fall under the Randolph-Sheppard Act Program.

The Committee for Purchase From People Who Are Blind or Severely Disabled (Committee) operates pursuant to statutory and regulatory requirements. The Committee is aware of and complies with Section 856 of Public Law 108-375. In this instance, the requirement is for dining facility attendant—not a full food service contract. Accordingly, this project is within the authority of the Committee to consider for the AbilityOne Program Procurement List.
