Death Benefits for Department of Defense (DoD) Civilian Employees Under Public Law (P.L.) 109-234, Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Hurricane Recovery June 15, 2006 Guidance and Procedures

A. General Information

1. Section 1603 of P.L. 109-234 authorizes the Secretary of Defense, at his discretion, to provide to employees on official duty in Iraq or Afghanistan during Fiscal Years (FY) 2006, 2007, and 2008, allowances, benefits, and gratuities comparable to those provided to members of the Foreign Service under section 413 and chapter 9 of title I of the Foreign Service Act (22 U.S.C. 3973; and 4081 et seq).
2. This guidance addresses provisions consistent with 22 U.S.C. 3973 and 4081, applicable in the event of the death of a DoD civilian employee, when the death is the result of injuries sustained in the performance of duty, and the employee is officially assigned to Iraq or Afghanistan by such action as an official temporary duty (TDY), Temporary Change of Station (TCS), Permanent Change of Station (PCS), or detail to another Federal Agency. The death must have occurred between June 15, 2006, and September 30, 2008.
3. These benefits shall be provided retroactively in those cases where such deaths occurred between June 15, 2006, and the date of this implementing policy, if eligibility criteria established in this policy are met.
4. This guidance applies to the Office of the Secretary of Defense, the Military Departments, the Chairman of the Joint Chiefs of Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense (DoD), the Defense Agencies, the Field Activities, and all other organizational entities within the Department of Defense (hereafter collectively referred to as the "DoD Components").
5. The provisions apply to all DoD U.S. citizen appropriated fund and nonappropriated fund (NAF) employees who are officially assigned by means of Temporary Duty (TDY), Temporary Change of Station (TCS), Permanent Change of Station (PCS), or detail to another Federal agency to Iraq or Afghanistan during the period June 15, 2006, through September 30, 2008.

6. The provisions are in addition to any other allowances, benefits or gratuities, applicable in the event of the death of a DoD civilian employee, such as those provided under the Federal Employees Compensation Act (FECA), P.L. 104-208, the Public Safety Officers' Benefits Program, and DoD Instruction 1341.08, Death Gratuity to Survivors of Certain DoD Personnel Assigned to Intelligence Duties.
7. The provisions are effective retroactively to June 15, 2006.

2. "Child" means one who at the time of death of the employee is under 18 years of age or over that age and incapable of self-support, and includes stepchildren, adopted children, and posthumous children, but does not include married children. A student whose 23rd birthday occurs during a semester or other enrollment period is deemed a student until the end of the semester or other enrollment period.
