PURPOSE

The American Recovery Reporting Act (ARRA), Section 1512, requires grant recipients to provide at least one “Activity Code” to identify their program’s purpose in their quarterly reporting to FederalReporting.gov. Grant recipients must use the activity codes from one of the following systems:

- National Taxonomy of Exempt Entities – Nonprofit Program Classification (NPC) at <http://nccsdataweb.urban.org/PubApps/nteeSearch.php?codeType=NPC>
- North American Industry Classification System (NAICS) codes **(for infrastructure projects, only)** at <http://www.census.gov/eos/www/naics/>

The section below provides a list of recommended NTEE-NPC and NAICS codes for each U.S. Department of Justice (DOJ) Recovery Act solicitation. Grant recipients may select from any of the listed activity codes that best describes their organization’s purpose or visit the system’s Web site above to choose a more applicable activity code.

The CFDA number for each DOJ program is also included in the information below.

PROGRAMS

Recovery Act - Grants to State Sexual Assault and Domestic Violence Coalitions

CFDA: 16.556

Objective: The State Coalitions Program funds three types of statewide coalitions: sexual assault, domestic violence and dual. Statewide sexual assault coalitions provide direct support to member rape crisis centers through funding, training and technical assistance, public awareness activities, and public policy advocacy (e.g., state coalitions might work with law enforcement, prosecution, faith-based and community organizations to enhance their responses to victims of sexual assault). Statewide domestic violence coalitions provide comparable support to member battered women’s shelters and other domestic violence victim service providers. Dual coalitions provide both types of support to a membership that includes both domestic and sexual violence service providers.

**Recovery Act - Edward Byrne Memorial Justice Assistance Grant (JAG)
Program/Grants to States and Territories**

CFDA: 16.803

Objective: The JAG Program allows states and local governments to support a broad range of activities to prevent and control crime and improve the criminal justice system. JAG grants support to all components of the criminal justice system, including but not limited to: multijurisdictional drug and gang task forces; crime prevention and domestic violence programs; courts, corrections, and treatment; and justice information sharing initiatives.

The procedure for allocating JAG grants is based on a formula of population and violent crime statistics in combination with a minimum allocation. This formula ensures that each state and territory receives an appropriate share of funding. Sixty percent of the allocation is awarded to the state and 40 percent is set aside for units of local governments.

***Recovery Act - Edward Byrne Memorial Justice Assistance Grant (JAG)
Program/Grants to Units of Local Government***

CFDA: 16.804

Objective: The JAG Program allows states and local governments to support a broad range of activities to prevent and control crime and improve the criminal justice system. JAG grants support to all components of the criminal justice system, including but not limited to: multijurisdictional drug and gang task forces; crime prevention and domestic violence programs; courts, corrections, and treatment; and justice information sharing initiatives.

The procedure for allocating JAG grants is based on a formula of population and violent crime statistics in combination with a minimum allocation. This formula ensures that each state and territory receives an appropriate share of funding. Sixty percent of the allocation is awarded to the state and 40 percent is set aside for units of local governments.
