

# Chapter 11

## Transportation Account Codes

### 11-1. GENERAL.

a. DoD 4500.32 R [reference (a)] prescribes that Transportation Account Codes [TACs] shall be developed and maintained by each authorized DoD Component. The purpose of TAC codes is to identify the appropriate DoD Component and appropriation chargeable for movement of materiel through the Defense Transportation System [DTS] which requires reimbursement for services rendered.

b. In addition to identifying the chargeable organization and appropriation, TACs also identify the billing address; that is the address of the organization or accounting station responsible for the appropriation classification to be charged.

### 11-2. TACs. The following TACs are authorized:

If chargeable account symbol and limit is:	Then the TAC is:	And Billing Address is:
97 0100.1120	HLAB	Washington Headquarters Services, Financial Management
97 0100.2020	HLAA	Directorate, 1155 Defense Pentagon, Washington, DC 20301- 1155

Note: Use of the TAC codes listed above is not authorized without written or telephonic approval of the Installation Accounting Division, Washington Headquarters Services, Financial Management Directorate, 1155 Defense Pentagon, Washington, DC 20301-1155 ((TAC POC: Heidi Robinson - OUSD(P) Finance and Audits - (571) 256-0828))
