KOREA, AND THE UNITED KINGDOM

AGENCY: United States International Trade Commission.

ACTION: Notice of Commission determinations to conduct full five-year reviews concerning the countervailing duty order on stainless steel bar from Italy and the antidumping duty orders on stainless steel bar from France, Germany, Italy, Korea, and the United Kingdom.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)(5)) to determine whether revocation of the countervailing duty order on stainless steel bar from Italy and the antidumping duty orders on stainless steel bar from France, Germany, Italy, Korea, and the United Kingdom would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

SUPPLEMENTARY INFORMATION: On May 7, 2007, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. The Commission found that the domestic interested party group response to its notice of institution (72 F.R. 4293, January 30, 2007) was adequate and that the respondent interested party group responses with respect to France, Germany, and the United Kingdom were adequate and decided to conduct full reviews with respect to the antidumping duty orders concerning stainless steel bar from France, Germany, and the United Kingdom. The Commission found that the respondent interested party group responses with respect to Italy and Korea were inadequate.<sup>1</sup> However, the Commission determined to conduct full reviews concerning the countervailing duty order on stainless steel bar from Italy and the antidumping duty orders on stainless steel bar from Italy and Korea to promote administrative efficiency in light of its decision to conduct full reviews with respect to the orders concerning stainless steel bar from France, Germany, and the United Kingdom. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.
