SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on March 4, 2008, based on a complaint filed by Sharp Corporation (“Sharp”) of Japan. *73 Fed. Reg.* 11678. The complaint, as amended and supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain liquid crystal display devices, products containing same, and methods for using the same by reason of infringement of certain claims of U.S. Patent Nos. 6,879,364; 6,952,192; 7,304,703; and

7,304,626. The complaint further alleges the existence of a domestic industry. The Commission's notice of investigation named the following respondents: Samsung Electronics America, Inc. of Korea; Samsung Electronics America, Inc. of Ridgefield Park, New Jersey; and Samsung Semiconductor, Inc. of San Jose, California.

On November 29, 2008, the Commission issued notice of its determination not to review an ID granting complainant's motion for summary determination that it satisfies the economic prong of the domestic industry requirement as to all asserted patents.

On January 15, 2009, the ALJ issued the subject ID (Order No. 15) extending the target date for completion of the investigation to October 12, 2009, and the deadline for his final initial determination to June 12, 2009. No party petitioned for review.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, and in section 210.42(h) of the Commission's Rules of Practice and Procedure, 19 C.F.R. §§ 210.42(h).

By order of the Commission.

Secretary to the Commission
