### **Swarthmore Sudan**

Swarthmore Sudan is an anti-genocide student coalition at Swarthmore College working to stop the genocide in Darfur, Sudan. The group's primary goal is to advocate for civilian protection, and is pursued primarily in two ways: fundraising for the Genocide Intervention Network and other advocacy techniques such as lobbying, call-in days and divestment.

Swarthmore's continuing campus advocacy brings notable policy makers, activists and scholars to campus, and sponsors weekly sessions of letter writing to elected officials. This year they are pursuing several initiatives such as Pennsylvania State divestment, fundraising, and using Congressional elections to call attention to Darfur and push for further action. Additionally, on December 2 and 3, 2006, Swarthmore Sudan hosted the Regional Conference for STAND: A Student Anti-Genocide Coalition.
