

DEPARTMENT OF THE ARMY  
OFFICE OF THE ASSISTANT SECRETARY  
CIVIL WORKS  
108 ARMY PENTAGON  
WASHINGTON DC 20310-0108

FEB 14 2008

Honorable Peter J. Visclosky  
Chairman  
Subcommittee on Energy and Water Development  
Committee on Appropriations  
United States House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you for your letter of February 11, 2008, co-signed with the Honorable David L. Hobson, Ranking Minority Member of the Subcommittee on Energy and Water Development, requesting a project-by-project breakdown of funding included in the President's Fiscal Year 2009 Budget for the operation and maintenance of Civil Works projects of the Army Corps of Engineers.

The Budget allocates operation and maintenance funding among 54 areas based on the U.S.G.S. sub-watersheds. For each of these 54 areas, budget documents also provide illustrative examples of distribution among up to six business programs that may receive funding.

I am pleased to provide the enclosed project-by-project listing, which represents an illustrative distribution of operation and maintenance activities subject to revision during the course of the year, and therefore individual project estimates should not be considered as budget amounts. The enclosure also will be posted on the website or the Army Corps of Engineers.

I am sending an identical letter to Ranking Minority Member Hobson.

Very truly yours,

A handwritten signature in black ink that reads "John Paul Woodley, Jr." in a cursive script.

John Paul Woodley, Jr.  
Assistant Secretary of the Army  
(Civil Works)

Enclosure
