6JUN un-DC - TPs
for LtGen Sat...

Classification: ~~SECRET//NOFORN~~

Good Evening LtGen Sattler,

Sir - as a result of the verbal tasking following our meeting this afternoon with Brig Gen Schissler and Mr. Liotta, (b)(6) of Marines drafted the attached TPs for tomorrow's Detainee un-DC. You have Chairman's Legal chop, and J-5 DAD concurs.

We will print a hard-copy and include them in your read-ahead book for use during tomorrow's Deputies' meeting. (b)(6) - please take FORAC.

I don't think we are on your schedule tomorrow for a prep-session; however, I will discuss with (b)(6) in the morning to see if there might be an opportunity to squeeze in to your busy schedule.

V/R, (b)(6)

Talking Points – Question 4: DoD plan for addressing detention risk/security issues in Afghanistan and in Iraq when current detention operations transition to host nations?

(b)(5)

- GWOT detainees in AFG and IZ are detained per United Nations Security Counsel Resolutions (UNSCR), Law of War provisions, or arrangements with host-nations
