National Maritime Center Website Updates

The National Maritime Center (NMC) has initiated a yearlong project to refresh our website with more tools and information regarding all aspects of the Mariner Credentialing Program. As we work through this project, we have and will continue to make changes to many of the individual page addresses. Therefore, if you have bookmarked individual pages you may get 'page not found' errors. Please go to the home page (www.uscg.mil/nmc) and reconnect to the page you are looking for by using the links, search engine, or sitemap.

Should you have any questions related to this, or any other aspect of the NMC's website, you can use the webmaster link on the website, email our Customer Service Center at IASKNMC@uscg.mil, or call 888-IASKNMC (888-427-5662).

We look forward to your feedback!

Sincerely,

/A. S. Lloyd/

A. S. Lloyd Captain, U.S. Coast Guard
